THE TENNESSEANS COMING.

The next attraction of the Y. M. C. A. Lyceum course is offered at the Calumet theater one week from tonight, will be the "Tennesseans," a troupe of colored jubilee singers. The company is said to be one of the best that has ever been brought here. Headed by E. S. Thomas, the well known Afro-American basso and the Olympia Ladies, a colored quartette, the troupe is composed of seven accomplished vocalists and stringed instrument performers. It is believed this attraction will prove fully as successful as the others that have been given in Calumet.

WARM FIGHT FOR OFFICES.

John Spehar Elected President of St. Joseph's Slovenian Society.
A warm fight for offices took place yesterday afternoon at the annual meeting of St. Joseph's Slovenian society, one of the strongest societies of the order in the country. John Spehar was elected president and John Sunich, treasurer, over three other contestants in each instance. The meeting was held in the basement of St. Joseph's church and was largely attended. Balloting occupied more than an hour, and the results were eagerly awaited. The contestants for the office of president were John Spehar, Matt F. F. Koba, Matt Prevolic and Mike Sunich. Mr. Spehar was the successful candidate. Those contesting for treasurer were John Sunich, Joseph Krebnak, Tony Sterk and Martin Murin. Sunich won out. The officers elected yesterday for the ensuing term are: President—John Spehar. Vice President—John Gasvoda. Secretary—Joseph Stizmanec, Jr. Assistant Secretary—John D. Grahek. Treasurer—John Sunich.

ALL VOTERS MUST BE RE-ENROLLED

ENROLLMENT DAYS ARE JANUARY 27 AND APRIL 1—NOTICES NOW BEING SENT OUT.

Township Clerk George Martin is mailing primary enrollment announcements today, to be posted in the precincts. The announcement states that enrollment will take place on Saturday, January 27, from 7 o'clock a. m. until 5 o'clock p. m., for the purpose of enrolling the names of all persons of whatever political parties, who make personal application for such enrollment.

Following is a brief statement of the different ways in which enrollment can be made in the township: Enrollment dates are January 27 and April 1.

Enrollment may be made by personal application on enrollment days. By a written request accompanied by affidavit, an elector can enroll any day, but cannot vote at any primary held within two months. This affidavit and application must be delivered to the township clerk or other officer in charge of the enrollment books.

An elector who was sick or unavoidably absent on enrollment day, or who became 21 years of age or an elector after enrollment day, can have his name enrolled on primary election day and vote at that election by taking the necessary oath.

If an elector who has been duly enrolled, as above, changes his residence from one precinct to another he can be enrolled in the new precinct by obtaining a proper certificate from a member of the enrollment board of the precinct wherein he formerly resided, stating that he is duly enrolled in the precinct from which he has moved and is entitled to enrollment in the new precinct, or by taking oath.

No person can vote at any primary election in Michigan unless his name has been enrolled under Act 279. All enrollment prior to August 2, 1911, is void. An entirely new enrollment is required. An elector who neglects or refuses to give the name of his political party cannot have his name enrolled.

WILL CELEBRATE GOLDEN WEDDING

MR. AND MRS. BRUNETTE, 1364 ROCKLAND STREET, MARRIED FIFTY YEARS TOMORROW.

Mr. and Mrs. Peter Brunette, of 1364 Rockland street, will celebrate their golden wedding tomorrow. The children and grandchildren of the couple will be present, and the celebration will be made a most fitting one.

Rev. Fr. Boisjournault, of St. Anne's church, will celebrate high mass tomorrow morning in honor of the occasion, and it is expected a large congregation will be present.

Mr. and Mrs. Brunette, who are old pioneers of this section, have nine children living, three having crossed the great divide.

Mr. Brunette was born in Sorol, Quebec, Canada, in 1833, and came to the copper country just twenty years later, in 1853. He was in the employ of the C. & H. Mining company continuously for 43 years, and is now living a retired life, having been placed on the pension list by the company.

Mrs. Brunette was born in St. Bartholomew's, Quebec province, in 1848, coming to the copper country with her parents when only nine months old.

In addition to the nine surviving children there are fourteen grandchildren in Calumet to help their parents celebrate. They are as follows: Mrs. John O'Leary, Duluth; Mrs. Frank Madden, Duluth; Frank and John of Butte, Mont.; Joseph, of Phoenix; and Mrs. Horace Brouette, Edward, Mrs. John Ethier and Miss Julia, of this city.

CEMETERY ASSOCIATION.

Steps Will be Taken to Provide Burial Place Near Ahmeek.

A meeting was held last week at the fire hall in the village of Ahmeek, for the purpose of forming a cemetery association, says the Keweenaw Miner. James A. Daley was selected as chairman and William E. Smith as secretary. There were a number present, all of whom subscribed for stock. A second meeting was held Wednesday evening, when further steps were taken in the matter. The following is a list of those who have already taken stock in the association:

- John Benstrom, Jacob Effinger, Gust. Taurainen, Matt Kippina, Andrew, Anton Biela, Henry Biela and Jas. Nordstrom of Ahmeek; Oscar Keckonen, N. A. Lempea and Jacob Kallio of Calumet; J. P. Petermann of Laurium; William Ultri, Peter Kaapo, Nils O. Nordstrom and Jacob Wilmanski of Kearsarge; George R. Foley, Edward Frisk, H. L. Ender, T. H. Berryman, J. A. Daley, and Wm. E. Smith of Mohawk; John Olds, John D. Greutz, Maurice Kenel, Abram Lahli, J. A. Hamilton and N. J. Weycker of Ahmeek.

It will be known as the North Star Cemetery Association and the location of the new cemetery will be but a short distance north of the townsite of Ahmeek.

The need of a cemetery in this vicinity has long been recognized, as the distance to Lake View cemetery, especially in cold winter weather, has caused considerable suffering, particularly when the weather has been of the zero variety with blustering winds.

The new association will have a capital stock of \$10,000, divided into 1,000 shares of a value of \$10 each. All of this, however, will not be sold, as the feeling of those subscribing for the stock is, that but 250 shares will be all that will be sold this year, the proceeds from this sale to pay for the land, and for the improvements of a portion of the land.
