COOK'S LONG HEAD

How He Is Getting His Pies at Less Than It Brings in the Open Market.

Most Important Deal Ever Made in White Trade—Waukesha Men in the Business.

WEST SUPERIOR, WIS.—Mr. John A. Cook, the well-known white trader of the southern part of the state, has just returned from a trip to the northeast, where he has been engaged in the purchase of skunks. He reports that the skunk is now at a discount of 50 cents per dozen, as against 50 cents per dozen a year ago. He has bought 2,000 dozen, at 50 cents each, for a total outlay of $1,000. He expects to make a profit of $500 on the operation. He has also bought 1,000 dozen of mink at 100 cents each, for a total outlay of $100. He expects to make a profit of $100 on the operation. He has also bought 1,000 dozen of porcupine at 50 cents each, for a total outlay of $50. He expects to make a profit of $50 on the operation. He has also bought 1,000 dozen of rabbit at 10 cents each, for a total outlay of $100. He expects to make a profit of $100 on the operation.
