for the public advantage, welfare, necessary for the improvement of navigation, subject to the assent of the respective parties to said scheme, the County, Minnesota, will raise and find that none of the objectors to the raising of the waters of said Foot Lake at the city of Willmar under the leadership of Mr. Van Vliet, the representative of the city, who realized the importance of the matter and the array of legal talent, had made so spirited advertising patronage.

I talked with Mr. Whittier the other day. The gentleman at Red Wing seems to have "the goods" as regards the legal points of the question, and as the evidence heard by the assessors, the county commissioners, and the circuit court, all show that the city of Willmar has usurped the public advantage, the property of the county, to the injury of all the objectors to the raising of the waters of Foot Lake.

Mrs. P. Van Vliet has been in the county for several days with her daughter, Mrs. A. Van Vliet, and will also be the guests of friends in the county. She is accompanied by her cousin, Mrs. C. J. Whittier, of New York.

Mrs. E. G. Swanson and daughter Alice have gone to Ocean City for a short stay and on their return will go to Grove City for a visit.

The birthday party were the guests of Mrs. Herbert McMillan Saturday, May 21, at her home on North Second street. Alice and her friends were served and the birthday cake cut by the guest of honor.

Mrs. R. D. Peters and daughter Pauline have gone to Minneapolis for a visit.

Barbed Wire. — In our city we are constantly hearing about the necessity for the promotion and preservation of peace in the city. It is unsettling to the residents and business people to see the rise in crime and the attacks on property.
