At the present time the following patients are under treatment at the hospital: Henry Sumner and Patrick Pierre, from St. Mary's School, Sophia Rany, from the Red Lake School, Day-be-ge-shig, Mrs. John Frenchman, Vernon Dietel and Frank Brun, Jr. The two latter have been quite seriously ill, but are now recovering.

We wish to announce that the visiting hours at the Hospital hereafter will be from 2:00 to 4:00 and from 7:00 to 8:00 daily. This rule is necessary for the best interests of the patients and to give the hospital employees an opportunity to properly do the work assigned to them. This rule is observed and enforced not only in all public hospitals but in all Indian hospitals as well, and is purely for the best interests of the patients.

Clergymen of any denomination will be admitted at any time.

If the interest of any patient requires the presence of members of his family they will always be promptly notified.
