

Minneapolis Relief Day Contributions

Approximate reports of the collections for the relief fund in Minneapolis from all sources, show a total of about \$9,000.00. The West Side Relief Committee reports, \$3523.50 pledged and \$2869.75 paid. The North Side Committee has about \$6,000.00 on hand, and the South Side about \$500.00.

This does not compare very favorably with the other cities of the country, and it is hoped that the extension of the work for ten days will result in additional funds being obtained. The detailed report of the West Side Relief Fund Committee is given below. Reports of the South and North Side Committees will be published when completed.
