MEN AT DETROIT MEETING TAKE ACTION

White and Red Men Gather to Form Situation Relief Fund; William E. Smith Resignation

INDIAN BUREAUCY ELIMINATED

"Threatening Sentimentalist Wins "Very Little About the Indians," B. E. Days

Nearly 100 business men and representatives of various commercial clubs in the vicinity of Detroit yesterday were determined on various pieces of land on the reclamation, the question of titles settled, and business be resumed on the sale of lands. When agents of the Interior Department stated that the Indians have been accurate, that the Indians have been -

SPokane ADOPTS COMMISSION PLAN

SPOkane, Wash., Dec. 24.—(Special) — Spokane adopted the commission plan of government by a vote of 6,639 in favor of the proposition to 4,115 against it, a result that still amounts to a large number of women registered in the county. The women are registered for the purpose of being sent to the fair and for voting in the election.

Commission Form of Government. The younger women have come from city government only to be settled on reclamation projects. The new system has proved so thoroughly that there is at present no thought of going back to the old plan.

The Commercial Club will look upon the state forestry board to guard against fire.

Spokane was a pretty good test, and the members of the committee were well satisfied with the results. The women who were most successful were those who were most industrious. The women who were least successful were those who were least industrious.
