SCHEDULE OF RATES

MINNESOTA ELECTRIC LIGHT & POWER CO.
BEMIDJI, MINN.

SCHEDULE "A" GENERAL RATES

First 25 kilowatt-hours used per month @ 10c per kilowatt-hour.
Next 25 kilowatt-hours used per month @ 12c per kilowatt-hour.
Next 100 kilowatt-hours used per month @ 10c per kilowatt-hour.
Additional kilowatt-hours used per month @ 8c per kilowatt-hour.

The above rate is subject to a discount of 10% if paid in full on or before the 10th of the following month.
A monthly minimum charge of $1.10, less a discount of 10c if paid at the Company's office on or before the 10th day of the following month will be made. When the monthly statement for electricity consumed is equal to or greater than such amount, no minimum charge will be made.

When a consumer has been disconnected from the Company's lines for any reason whatsoever, a charge of $1.00 will be made for reconnecting.

SCHEDULE "B" ELECTRICAL RANGE RATES

Separate motor is required.

In return for range service.

Minimum charge of $2.00 per month not on each installation.

SCHEDULE "C" POWER RATES

Industrial Power:

Alternating current motors, $1.00 per month per horse power connected, plus the following sliding scale rate per kilowatt-hour:

First 250 kilowatt-hours used per month @ 10c per kilowatt-hour.
Next 250 kilowatt-hours used per month @ 12c per kilowatt-hour.

The above rate is subject to a discount of 10% if paid in full on or before the 10th of the following month.

When a consumer has been disconnected from the Company's lines for any reason whatsoever, a charge of $1.00 will be made for reconnecting.

These rates apply only to year-round contracts for power.

Motor users less than 1 H. P. do not take these rates, but come under the head of General Rates in Schedule "A".

1 to 5 H. P. motors will be installed only on Single Phase Circuits except when they can be connected to existing larger motor circuits.

The minimum charge for motors is at the rate of $12.00 per year per H. P., payable 10 monthly.

A 10% discount will be allowed on the kilowatt consumption of the whole bill if paid in full on or before the 10th of the following month.

Pumps motors will be installed by the company.

The above rates will become effective October 25th, 1917.

The rates on any installation will be made effective October 25th, 1917. Supply and efficiency are greater than ever before.

La G. Worthington, Manager.
