**THE WORLD GAINS CUBANS FINALLY ACT**

Result of the Supreme Court's Decision. Constitutional Convention Accepts the Plant Amendment.

VERDICT OF A LONDON PAPER

Frank Peel Dry That Americans and English Should Work Together

London, May 23.—The world of large newspapers here today pronounced the United States as the most despicable nation of modern times, and said that the Plant Amendment was the most hideous attempt to destroy the liberty of the American people. The London Times, the largest and most influential paper in the country, said that the United States had made a great mistake by refusing to accept the amendment, and that the world would look upon the United States as a nation of cowards.
