### W. C. T. U. CONVENTION.

#### COUNTY CALENDARING IN JASPER LAST WEEK.

#### Thursday Afternoon and Friday Sessions Dudenville Gets the Next Convention.

The Jasper County Women's Christian Temperance Union closed a very successful two days' convention in this city last Friday afternoon.

The afternoon session Thursday was opened with devotional services after which the reports of the county officers were given. Their reports show that there are six unions in the county located at Joplin, Carthage, Jasper, Dudenville, Maple Grove and Alba. Each of the six unions were represented excepting that of Alba.

The topic "Method of W. C. T. U. Work, How and Why," was discussed by a number of the ladies and many good thoughts brought out.

Mrs. Ann Lawbell, of Dudenville, read an excellent paper on "Memories of the Crusade."

Reports from the secretaries of the various unions as to the work accomplished during the past four years were read.

The report from Dudenville showed a wide-awake union in that little burg. They received the prize—a large picture of Francis E. Willard—for having raised the largest amount of money during the past year.

The Thursday evening session was opened with devotional services led by Mrs. Browne, of Joplin. About twenty children sang a song and Miss Sylvia Wilson of Carthage, charmed the audience with a recitation.

Mr. Chas. Spencer of this city, also favored the audience with a beautiful solo.

The county president, Mrs. Browne, gave the principle address of the evening after which the question, "What more can our churches do against vice?" was ably discussed by Rev. Burnham and Watson.

Rev. Burnham got very enthusiastic in his discussion and touched upon local affairs in a way that brought out the "amens" from all over the house.

The devotional services Friday morning were led by Mrs. Juliet Hill, of Maple Grove.

"Scientific Temperance Instruction" and "W. C. T. U. Work in Sunday School" were discussed by the convention and Mrs. Browne gave an interesting talk on rescue work in Joplin.

Mrs. Maggie Stemmons of Dudenville,

spoke on the Loyal Temperance Legion, and Mrs. R. B. Hull, of Carthage, talked on Evangelistic work.

The Friday afternoon session was cut rather short on account of the delegates desiring to leave on the 3 o'clock train.

The election of officers was postponed till the last Tuesday in September when they will be elected at a meeting held in Carthage.

Dudenville was selected as the place of holding the next county convention. In order to secure the convention the Dudenville Union agreed to furnish a free hack to the nearest railway station to bring the delegates. The nearest station is Golden City a distance of six miles.

Among the delegates present were Mrs. R. B. Hall, Mrs. Sophia Waters, Mrs. Crawford, Mrs. Peebles, Mrs. Stemmons and Miss Sylvia Wilson, Carthage; Mrs. Browne, Mrs. Waters, Mrs. Martin, Joplin; Mrs. Juliet Hill, Maple Grove; Mrs. Stemmons and Mrs. Bawbell of Dudenville.

The following resolutions were adopted: The W. C. T. U. desires to thank the people who so kindly helped entertain the delegates and others in convention last week. The number in attendance was smaller than was expected and several who came stayed with friends and acquaintances so we could not to all who had been solicited and we thank you just the same and hope you did not feel inconvenienced.

#### Surprised Miss Lawson.

The country friends of Miss Lizzie Lawson had planned to give her a surprise party last Friday night but on account of the heavy rain there were only eight present. But notwithstanding the rain the crowd certainly enjoyed themselves as most of them were seen going home the next morning. Ice cream cake and fruits of several kinds were served during the evening and the crowd all reported a very lively and enjoyable time.

Rev. Bruner left Monday morning for Lorry City, St. Clair county, for a short visit with friends and on Wednesday, went to Deepwater, in Henry county, where officiated at the marriage of Miss May Goodwin.

The A. O. U. W. picnic at Lakeside park which was advertised for today was postponed to next Tuesday, September 24, on account of the president's funeral today.

### A DAY OF MOURNING.

#### YESTERDAY WAS A SAD DAY THROUGHOUT THE COUNTRY.

#### Memorial Services for the Late President Held in Almost Every Town--The Day in Jasper.

Yesterday was a sad day throughout the United States, and as all that was mortal of Wm. McKinley, the beloved, was being consigned to its last resting place in the Canton cemetery, the people in almost every city and hamlet in the land were gathered together to pay tribute to their honored dead. The day was more quiet than Sunday in Jasper. At 10 o'clock every business house in town closed its doors and the streets were practically deserted.

At 3 o'clock in the afternoon quite a number of citizens gathered at the M. E. Church to join their hearts with the rest of their countrymen in mourning the loss of their chief. No arrangements for the services had been made until the night before and consequently it was not as elaborate as it might have been. Addresses were given by Revs. Burnham and Palmer.

Many from Jasper attended the ceremonies at Carthage and report them very impressive.

### HIS LAST SERMON.

#### Rev. Bruner Completes His Work in Jasper.

Rev. C. Bruner, who has been the pastor of the M. E. Church, South, in this city for the past four years, preached his final sermons last Sunday morning and evening. He was greeted with unusually large congregations at both services.

Next Sunday morning he will conduct his last services at Mt. Carmel, south east of the city and on Tuesday the 24, he will leave for Marshall, Mo., to attend the annual conference of this district.

Rev. Bruner has served the Jasper charge for the past four years and as that is the time limit in his church he expects to be assigned to another field for the coming year.

Rev. Bruner has worked faithfully during his pastorate in this place and has many friends who regret that the time is so near when he and his estimable family will bid farewell.

Prosecuting attorney Moore has filed official information in the circuit court at Lamar, charging Arthur Aull, editor of the Democrat, Arthur Roselle, editor of the Leader, and John McCreary, editor of the Republican, embracing all the papers in the city, with libel. Each party appeared in court and was released on his own recognizance. The time for trial was fixed for the December term of court. Aull is charged with libelling Roselle, Roselle with libelling Aull, and McCreary with libelling Aull.
