

THE JASPER NEWS

VOL. III.

JASPER, MISSOURI, THURSDAY, AUGUST 15, 1901

NO. 49

BOUGHT ANADARKO LOTS.

A. STEWART INVESTS IN NEW OKLAHOMA TOWN.

Has a Building Almost Completed and Will go into the Feed Business—Other Jasperians There.

Misses Jake McCaslin and A. Stewart returned last Saturday from Oklahoma, where they have been for the past three weeks taking in the sights connected with the opening of the Indian lands. Messrs. McCaslin and Stewart were among the first of the Jasperians to get back and Mr. Stewart is the only one from this city who has thus far invested in the new country.

Mr. Stewart bought a business lot in Anadarko, one of the new county seat towns. He bought it at auction and got it for \$150. It is within a block of the court house square, and it is said that he has been offered considerable more than he paid for it. He has almost completed a building 21 x 40 feet on it and expects to open a feed store.

Mr. Stewart moved his family to their new home Tuesday.

Messrs. F. B. Durning and his brother-in-law Mr. Leslie, and the latter's father have also located at Anadarko. The senior Mr. Leslie is a contractor and builder and has the contract for erecting Mr. Stewart's building.

Miss Snyder to Marry.

Invitations have been received by relatives in this city to the marriage of Miss Gertrude Snyder, which will take place Tuesday, August 27, at the First M. E. Church, in Los Angeles, California. The groom is J. S. Lumsderville. Miss Snyder is the daughter of Mr. and Mrs. Joseph Snyder and a half-sister to Mrs. A. M. Crandall, of this city. She is well known in this community.

There will be an ice cream social at the home of Frank Davis near Preston next Saturday night, August 17, under the auspices of the Methodist church of Preston. The Preston band will furnish music for the occasion. Everybody invited to attend.

Fred Fox left Monday morning for Island City, Oregon, where he will teach school the coming term, having already secured a school. His brother Clay is also located at Island City.

Notice.

Have removed my stock of Millinery & Notions to the Hendricks building where I will be pleased to meet all customers. Mrs. T. J. Simpson.

Ice cream and ice cream sodas every day at the Star Restaurant.

Crandall now handles the celebrated Junge bread from Joplin.

BACK FROM CALIFORNIA.

Rev. Burnham Returns from a Delightful Trip.

Rev. D. K. Burnham returned last Saturday from his trip to San Francisco, California, where he attended the international convention of the Epworth League. He reports a most delightful trip and an interesting and inspiring convention. He has many things to tell about what he saw on the coast and on his journey to and from the convention. He picked up souvenirs and relics all along the way and by the time he got back he had gathered together quite a collection of curiosities of the west land.

He remembered the editor of the News with a monster orange which he picked from the tree with his own hands. It was undoubtedly the largest orange ever brought to Jasper. It measured 14 1/2 inches around and was indeed a beauty.

Two Public Sales.

J. J. Shoemaker who lives on the third Paul Feller farm 5 1/2 miles east of Jasper, will have a public sale at his home next Wednesday, August 15, at which he will offer all of his live stock and farming outfits, feed, etc. Mr. Shoemaker expects to go to Ohio, where he will work in the oil fields.

B. W. Corder, living on the I. F. Rusey place four miles east and 1 1/2 miles south of Jasper, will have a public sale at his home next Tuesday, August 20, at which he will sell his stock and farming tools. Mr. Corder has decided to quit farming, but is as yet undecided what he will turn his attention to.

Wm. Teeter, who went up to Northern Minnesota a couple of weeks ago, presumably to grow up with the country, returned Monday without accomplishing that feat. He almost reached the Canadian line and reports it quite chilly up there. His partner M. L. Scott, secured a position in the car shops at Brainerd, in that state, and will stay up there.

Little Rodney Fairhead, the little son of Mr. and Mrs. Mont Fairhead, who has been in a critical condition for the past several days is still very low, although there are still faint hopes of his recovery.

Tom Hardaway is taking a week's vacation from his duties as salesman at Webb Drug & Hardware Co. He spent several days in Joplin visiting his brother Luther.

Have you tried "The Rival" fancy patent, the Nevada Milling Co's flour? Every sack guaranteed at Hill's. 49c.

THE SNOWFLAKE HIGH PATENT Have You Tried It?

Owl See Gars only 5c at Star Restaurant.

TWO PROPERTIES SOLD.

John Waldron Buys Mrs. Hoot's Residence.

Mrs. Hoots has sold her residence property on the corner of Lexington avenue and First street. Mr. John Waldron was the purchaser and the consideration was \$700. Mr. Waldron will take possession September 1, and will occupy it himself.

Geo. Poed has sold his place on the corner of Jackson avenue and Second street to Mr. S. B. Lawson, the consideration being \$100. Mr. Poed expects to locate in the "Promise Land" of Oklahoma.

THE FRATERNAL AIDERS

Held a Big Meeting Last Evening.

Fraternal Aid Association held a big meeting at the Woodman hall last night. The Linnar Lodge came down in force—55 strong—and took charge of the initiatory services. Thirteen new members were shown the mysteries of the order. After the regular work a banquet was spread by the Jasper association in honor of their visitors. All report a most enjoyable occasion.

It Was an Awful Explosion.

Ed. Shoemaker last week received a paper from his daughter living in Ohio, telling about a terrible explosion of nitro glycerine, which occurred near her home. The glycerine was being hauled in a wagon from one place to another, and the explosion took place just as the wagon was crossing a railroad. The driver, horses and wagon were literally blown to atoms. Even some pieces of money which was in the driver's pocket were twisted all out of shape, and one of the shoes from one of the horse's hoofs was blown through the walls of a house nearby and found lying on a bed.

Poultry Pointers.

The time to buy is when people want to sell. The truth of this is so obvious that it seems hardly necessary to dwell any length on this thought. Yet from my own experience as a breeder and seller of thoroughbred poultry I find that a large number of the buyers do not know or do not heed the above truth. Year after year I am besieged with inquiries for stock late in the spring, which I am often unable to fill at any price. Had these orders been given early they could have been filled promptly and at much lower cost to the buyer. Every breeder of note can relate a similar experience and the fact of the great neglect of buyers will be fully established.

But one may ask why do not breeders hold a large stock for this late trade? There are many good reasons, friends. Among them are the following: Lack of necessary room, most poultry raisers have their ground pretty well taken up with their breeding stock and can winter but a limited number of extra fowls. It never pays to crowd. Lack of time to care for the extra stock. It is well known that much time is necessary to keep this flock in good condition. Lack of capital. It takes money to winter 500 chickens. If one man has it to do he will need a long purse to keep up feed bills. When the same fowls are scattered among a hundred buyers each one does not notice the expense of wintering.

It is much better to buy early for one other reason not generally thought of by buyers. The smaller the number of birds kept in a flock the finer will be their development. Take a trio or brood-laying pair out of a hundred fowls and the mall of all look much the best in a very short time, though the large flock receive the best of attention. Again sellers can make a much better selection when their flocks are large. I would advise all buyers to buy early if at all possible. Breeders usually need some cash early in the season and offer unusual inducements to buyers to secure it. W. H. CLOUSER.

Roosters! Roosters!

Thoroughbred Plymouth Rock Roosters at half price for a short time. W. H. CLOUSER, five miles east of Jasper. 4c

Blotches and eruptions, which so often annoy people, are simply efforts of nature to throw off impediments to the proper performance of her duties. HERBINE will aid and assist nature in her work, and ensure a skin clear and beautiful, entirely free from all imperfections. Price 50c. E. I. Lumberbaugh Drug Co.

Health Foods.

Grape Fruits, a food for brain and nerves. Postum Cereal, Diamond Macaroni, Crystal Fishes, Tapioca and Knox's Sparkling Gelatine can be found at Crandall's. 3c

Pain Makes Life a Burden.

It is wrong to let those who love suffer pain or to be in pain yourself, when Good's Quick Relief only costs 25 cents a bottle. Best cure for cramps and colic. Go to Crandall's for fresh bread. 14c

IN SOCIETY CIRCLES.

SURPRISE PARTY FOR FRED FOX THURSDAY NIGHT.

About Seventy-five Young People Spend an Enjoyable Evening at Christian Endeavor Social.

Miss Nora Fox very delightfully entertained a large number of young people last Thursday night at her pleasant home east of the city, in honor of her brother Fred, who left Monday for Oregon, and his friend Vance Criss, of Springfield, who was visiting him. There were about seventy-five young people present, a wagonette load from Jasper being among the guests.

The lawn was beautifully decorated with Chinese lanterns. The hostess had prepared a number of interesting games which the young folks enjoyed to the utmost. Prizes were offered the winners in one of the games. Misses Celis Dahl, Grace Barker and Lilly Rhoades were the winners and Elmer Launder laugh captured the lucky prize.

Refreshments were served in the dining room, which was also beautifully decorated. The color scheme was blue and white. Ribbons of that color were suspended from the four corners of the room running together over the center of the table. Souvenir badges of blue and white ribbons were presented to each guest which will always remind them of one of the most pleasant events of their lives.

The Christian Endeavor Society of the Presbyterian church gave a social at the home of Theo. Doll just north of the city last evening. Quite a large crowd was present, who enjoyed themselves with games, etc. Refreshments of "stuffed oranges," cake and ice water were served at 10 o'clock.

Mr. D. C. Glick, who has been attending the state normal school at Warrensburg, Mo., for the past year, returned to Jasper last Thursday to spend his vacation. It will take another year to complete the course and he will return to Warrensburg next month.

The many friends of Mr. E. W. Scott, the efficient railway mail clerk between Joplin and Kansas City, will be pleased to learn of his promotion as clerk of class 2 to clerk of class 3 with his former salary of \$2000 increased to \$2500 per annum.

Open doors was shown from Lamar Monday. He has sold his property at Lamar and also some land he owned in Texas county, and is making preparations to move to Geneva, Iowa, his old home.

Mrs. Mable Karp and brother Stanley, who have been visiting their sister Mrs. Harbur for the past month left for their home in Wichita last night. Mrs. Harbur accompanied them as far as Lamar.

If you want good fresh can goods go to Hill's.

Try a sack of Snowflake high patent, soft wheat flour. Every sack guaranteed at Hendricks. 49c.

Try our Coco Cola when wanting a drink. Star Restaurant.

This Is Right

There is one good thing about Mother's Worm Syrup, and that is, it will never do anyone any harm should it fail to do him good. It is a good idea to try this remedy if you feel bad and don't exactly know what ails you. There may be a tap worm 100 feet long that is causing your loss of health. If so a 25 cent bottle of Mother's Worm Syrup will kill and remove it from your body.

The beauty thief has come to stay. Unless you drive the pimples and blackheads away: Do this: don't look like a fright; Take Rocky Mountain Tea to night. Ask your druggist.

"My baby was terribly sick with the diarrhea," says J. H. Dock, of Williams Oregon. "We were unable to care him with the doctor's assistance, and a last resort we tried Chamberlain's colic, cholera and diarrhoea Remedy. I am happy to say it gave immediate relief and a complete cure." For sale by Webb Bros.

Go to the Star Restaurant for ice cold drinks of all kinds. 4c

P. T. Thomas, Sumterville, Ala., "I was suffering from dyspepsia when I commenced taking Kodol Dyspepsia Cure. I took several bottles and can digest anything." Kodol Dyspepsia Cure is the only preparation containing all the natural digestive fluids. It gives weak stomachs entire rest, restoring their natural condition. E. I. Lumberbaugh Drug Co.

DEATH OF JOHN CULBERSON.

Killed by the Cars in Illinois On August Third.

The friends of John A. Culberson will be pained to learn of his sad death which occurred Aug. 3rd. He was a carpenter on the railroad and had finished his days work and was within ten miles of home. He got off to inspect a bridge and waited for the next train which was a freight. He was walking back on top of the cars to the caboose and when he went step from one car to another it being so dark he stepped off and fell between the cars. Two wheels ran over his right arm and side, broke his right arm and cut his left thumb off. It threw him out to one side. He lived 30 minutes his right lung being crushed. He only spoke two words he said, "turn me over" and was gone. Mr. Culberson was a well known and respected young man of Barton county but at the time of his death he lived at Forest, Ill. He left a wife and four children to mourn his loss.

Mr. Culberson at the time of his death he was a member of the Knights of Pythias and Modern Woodmen of America. His funeral was held at the Methodist Church and was conducted by Rev. Davis. His remains were laid to rest in the Forest cemetery and the great concourse of people present was evidence of the high esteem in which he was held.

Once again the image of death Has cast a shadow here, And taken one among our midst, Of whom all was fondly dear.

He left his task unfinished And will never forgotten be, For all his deeds have here on earth Blossomed in eternity.

Thou dear wife, children do not weep, Nor mourn thy father as dead; But see his rests and sweetly sleep In Christ our loving head.

They will meet him when their life is done,

When all their pains and cares are o'er,

To him has come life's setting sun He is not lost but gone before.

Let not grief bear down, Wipe off that rising tear, Look up to where thy father has gone And strive to meet him there.

For he walks the streets of heaven now, His trials and griefs are all past down, And there he waits for his friends to come And instead of a cross he bears a crown.

Mrs. Ina McARRY.

Settle Up.

We want every body that owes us to settle by Sept. 1st, 1901 by cash or note.

Webb Drug & Hdw. Co.

Hill's special coffee only 25c lb.

THE RIVAL HIGH PATENT Have You Tried It?

HERE IT IS! HERE IT IS! Hunt's Improved Ventilated Cream Separator

What My Patrons Say:

CARTHAGE, Mo., July 21, 1901. To whomsoever it may concern: This is to certify that I have been using Hunt's Improved Cream Separator since about the first of last Feb. I would not take \$50 for them, and do without them. I sold two pigs between 5 and 6 months old which weighed 215 pounds apiece. They had never fed nothing but separator milk and dry corn. My calves are doing fine on the same kind of milk. Respectfully, S. O. MILLER.

CARTHAGE, Mo., July 16, 1901. This is to certify that I have been using one of Hunt's Improved Cream Separators. I can heartily recommend it to any one desiring to make pure good sweet butter. It absolutely gets all the cream regardless of the dry hot weather. Wm. WINDGERT.

JASPER, Mo., July 10, 1901. I have examined Hunt's Improved Cream Separator and believe it to be as resorted and were I not going out of the dairy business I would have one. JOHN HOCKEY.

R. F. D. No. 2, Carthage, Mo., Aug. 10. I purchased one of Hunt's improved ventilated cream separators from J. W. Starrett about the middle of July. It is giving entire satisfaction. We get at least 1/2 more cream than we did by the crock and pan system, saying nothing about the labor it saves us. O. M. BALLARD.

Carthage, Mo., Aug. 16, 1901. To whom it may concern: I bought a cream separator from J. W. Starrett. It gives perfect satisfaction. ALLEN RYFE.

CARTHAGE, Mo., July 20, 1901. To those interested in butter making: I desire to state that I have been using one of Hunt's Improved Cream Separators and find it just what it is recommended to be. We would not do without ours. We got about one-half more cream than we did by the crock and pan system. Wm. ALE.

JASPER, Mo., July 25, 1901. I have examined Hunt's Improved Cream Separator and believe it would be of great advantage to any butter maker. HARRISON HENRY.

R. F. D. No. 2, Carthage, Mo., Aug. 10. I desire to say that I am using one of Hunt's cream separators, which I purchased of J. W. Starrett. It absolutely gets all the cream. I have let my milk, after removing cream, stand 6 hours and there positively no cream arises. MILDARD JOHNSON.

Carthage, Mo. I am using one of Hunt's improved ventilated cream separators, which I purchased from J. W. Starrett, about the middle of July. We are satisfied. It gets the cream in 1 1/2 hours. JAS. E. CHAUN.
