ANCIENT TONIC HIS SECRET

Hundreds of Thousands of Families Found Health and Happiness by Following His Instructions.

Six years ago H. H. Von Schlick could be seen any day visiting prominent Pittsburgh business men in their downtown offices. He carried a satchel, and his arrival was always greeted by a smile indicating welcome. These men were his customers. They drank at his "fountain of youth." They accorded him with a new lease of life and the healthy condition of their families.

Von Schlick has bright eyes and his cheeks indicate that pure red blood flows through his veins. He says he was younger at fifty than he was at thirty-five. He has never had a sick spell or any of the symptoms of the ailments which afflicted him before he began using a tea, the ingredients of which were conveyed to him by an old Bulgarian 20 years ago. Von Schlick makes this statement:

"I was recovering from the gripe, was run down, and a dizzy feeling in the head, and felt like the victim of the hook-worm. This old Bulgarian knew of my sickness and while in the office suggested, 'I give you something to make you feel better.' He returned next day with a package and told me to use one teaspoonful in a cup of hot water, and to repeat the dose once each night for a little while. He promised I would never be troubled from sickness again. I followed the prescription, skeptical, of course, and one day later I was seeking that old man to secure from him the ingredients of that tonic.

ONE HUNDRED YEARS YOUNG.
"He explained to me that in Bulgaria the older families regarded this tonic as the great disease preventative and health restorer; that it was handed down from generation to generation. At the first symptom of any sickness the mother or women of the family made the tea for all members. It is a well-known fact that Bulgarians are the oldest and healthiest people in the world.

"In Bulgaria and the Balkan countries of Eastern Europe, in spite of poor sanitary conditions, among 1,000,000 inhabitants there are 1,000 over 100 years old. In France there is only one person in 1,000,000 over 100 years old, and in Germany only one person 1,150,000. It is a rare news item in the United States when a man dies after reaching the century mark.

"My Bulgarian friend informed me that his progenitors reached this time of life and that they all had a healthy and happy old age. Asked for a rea-

son he pointed to his tonic. After using this tonic for 15 years I am ready to guarantee to the world that it is the best prescription for health existing.

"Every member of my family takes one dose each week, my relatives all use it, my friends and neighbors have been keeping health by reason of it and hundreds of thousands of people in this city, all sensible and well-known, consider I have done them an everlasting favor by convincing them of its merits.

"During all the terrible influenza epidemic Bulgarian Blood Tea was used by countless thousands of sufferers with marvelous success and millions of people took it steaming hot to prevent and ward off the disease.

A 15-YEAR TEST.
"After 15 years of experience I am positive that it will prevent sickness. It will restore your health by eliminating the poisons. It will regulate disorders of the digestive organs. It will increase poor circulation. It will restore vitality, energy or strength. It will make your brain respond splendidly to the strain of modern business. It will give you a healthy, youthful complexion. It will prolong your life and, with proper diet, you should live to a ripe old age."

Bulgarian Blood Tea today is used by millions of people in every state in the Union fighting off disease and old age weaknesses. They include happy girls budding into womanhood or women crossing precarious thresholds of life. All praise and recommend it. Men regain strength and vitality, the blood becomes rich and pure and the fire and vim of robust health returns to those who were in despair.

Bulgarian Blood Tea is guaranteed to contain just pure herbs of marvelous medicinal and curative power gathered from fields, mountains and valleys of Europe, Asia and Africa. All drug stores now keep Bulgarian Blood Tea in stock, but, owing to the enormous demand immediate application to your druggist is urgent on account of the limited source of supply. Distributors of Bulgarian Blood Tea are authorized to return the full purchase price if it does not materially improve your health in three weeks' time. This evidence of faith in the power of Bulgarian Blood Tea is the guarantee of the Marvel Products Company, Marvel Building, Pittsburgh, who authorize this public announcement.—Adv

LESSON FOR OCTOBER 10

BAPTISM AND TEMPTATION OF JESUS.

LESSON TEXT—Matthew 3:1; 4:1. GOLDEN TEXT—This is my beloved Son, in whom I am well pleased.—Matt. 3:17.

ADDITIONAL MATERIAL—Luke 3:1; Heb. 2:18; 4:15.

PRIMARY TOPIC—Jesus Pleasing the Heavenly Father. JUNIOR TOPIC—Baptism and Temptation of Jesus.

INTERMEDIATE AND SENIOR TOPIC—Jesus Overcoming Temptation. YOUNG PEOPLE AND ADULT TOPIC—Victory Over Appetite, Pride and Ambition.

I. The Baptism of Jesus (3:13-17). While the forerunner was discharging his office, the King emerged from his seclusion at Nazareth and demanded baptism at John's hands. The incongruity of this with the purpose of baptism brought from John a protest, but Jesus' explanation was satisfactory, so John baptized him. Touching Christ's baptism, note:

1. Its significance. (1) Negatively. (a) It did not mean his own obedience to the commandment of God, because his entire life had been lived entirely within the will of God. Not a moment in his entire life but what was lived entirely in accordance with the Father's will. (b) Not because he had sin, for he was absolutely sinless, harmless, undefiled, separate from sinners. This separation was so complete that even the devil could find no occasion against him (John 14:30). (2) Positively. Its significance is found in harmony with the central purpose of his coming into the world, which was to secure for his people salvation through death, burial and resurrection.

2. Approval from the opened heavens (vv. 16, 17). Immediately following his consecration to his work, the heavens were opened and the Spirit came and abode upon him, followed by words of approval from the Father. These all were essential for the work upon which Christ now entered—revelation (heavens opened), inspiration (dove abode upon him), and approval (words from the Father).

II. The Temptation of Jesus (4:1-11). This temptation was the opening battle of the dreadful conflict between Christ and Satan. In this struggle, note:

1. The combatants. (1) Jesus Christ, the Divine Man, now entering upon his mediatorial work. He went immediately from the place of anointing and heavenly recognition as the Son of God to meet the arch-enemy of the race. (2) The devil. He was a real person filled with cunning and malice.

2. The battle ground—the Wilderness of Juden. The first man was tempted in a garden with the most pleasant surroundings and failed; the second man was tempted in a bare wilderness and gloriously triumphed.

3. The method of attack. Since as our Redeemer Christ sustains a three-fold relationship, Son of Man, Son of God and as Messiah, each one was made a ground of attack. (1) As Son of Man. This was a test of the reality of his humanity to demonstrate as to whether the humanity which he obtained through the Virgin birth was real. The appeal was made to the instinct of hunger. Hunger is natural and sinless. Having been forty days and nights without food, as a normal man, Christ had a craving appetite. While the appetite was not sinful, to have satisfied it in a wrong way would have been sin. (2) Son of God. It was to test as to whether this personality which had taken upon itself humanity, was divine. The devil quoted from a Messianic Psalm to get him to—presume upon God's care. God does care for his own, but to neglect common precaution—to do the uncalled for thing just to put God's promise to a test is to sin and fail. (3) As Messiah. Christ's mission as Messiah was to recover this world from the devil. Now the devil offers to surrender to him on the simple condition that he adopt his method, thus obviating the necessity of the cross. The kingdoms were really Christ's, and he knew that they would ultimately become his. The inducement was to get immediate possession without the sufferings of the cross.

4. The defense—the Word of God. Christ met the enemy each time and repulsed him with "It is written." Each time he quoted from Deuteronomy, the book which the higher critics would discredit as reliable.

5. The issue—the enemy is completely routed.

Owe Their Health To

Lydia E. Pinkham's Vegetable Compound—overshadowing indeed is the success of this great medicine. Compared with it, all other medicines for women's ills seem to be experiments.

Why is it so successful? Simply because of its sterling worth. For over forty years it has had no equal. Women for two generations have depended upon it with confidence.

Thousands of Their Letters are on our files, which prove these statements to be facts, not mere boasting.

Here Are Two Sample Letters:

Mother and Daughter Helped.

Middleburg, Pa.—"I am glad to state that Lydia E. Pinkham's Vegetable Compound did me much good when I was 35 years old. I was run down with female trouble and was not able to do anything, could not walk for a year and could not work. I had treatment from a physician but did not gain. I read in the papers and books about Lydia E. Pinkham's Vegetable Compound and decided to try it. The first few bottles gave me relief and I kept on using it until I got better and was able to do my work. The Vegetable Compound also regulated my daughter when she was 15 years old. I can recommend Vegetable Compound as the best medicine I have ever used."—Mrs. W. YERGER, R. 3, Box 21, Middleburg, Pa.

Fall River, Mass.—"Three years ago I gave birth to a little girl and after she was born I did not pick up well. I doctored for two months and my condition remained the same. One day one of your little books was left at my door and my husband suggested that I try a bottle of Lydia E. Pinkham's Vegetable Compound. I started it immediately and I felt better and could eat better after the first bottle, and I continued taking it for some time. Last year I gave birth to a baby boy and had a much easier time as I took the Vegetable Compound for four months before baby came. On getting up I had no pains like I had before, and no dizziness, and in two weeks felt about as well as ever."—Mrs. THOMAS WILKINSON, 363 Columbia Street, Fall River, Mass.
