OREGON, MISSOURI.

Do You Know

—That the only exclusive—

FURNITURE
and Carpet House in Oregon is conducted by
DENNY & RAYHILL?

And, conducting, as they do, the only Exclusive
Establishment of this kind in the city, their advantages
are such that they can make prices just as low as
the city merchant—in fact, if anything lower, because
their rent and taxes are much lower. Besides, they
conduct a Repair Department, where you can get any-
thing in the Furniture Line repaired on short notice.
They also carry a line of Framed Pictures, Picture
Frames and Molding for Picture Frames, of which
they make a specialty. Another thing they make a
specialty of is

Undertaking

Having made this an Exclusive branch of their
business for years, they understand perfectly what is
needed in this line, and consequently carry a large
stock at very moderate prices. All calls answered
promptly. Both phones.

Now, please remember these things, and when
needing anything in these lines, be sure to remember
