

To The Silent City.

Robert L. Kelley was united in marriage to Casandra Perrigo, in April, 1850, at Shreveport, Ky. They came to Holt county in the fall of that year and located 24 miles north of Oregon. To this union six children were born—2 boys and 4 girls. George and James, of Lewis township; Elizabeth Ramsey, of Canada; Lida Warner, of the state of Washington; Missouri and Irene, who reside at home.

George was born near Oregon, April 9, 1851, and died on the old home place where he first saw the light of day, on Thursday last, November 24, 1910, aged 59 years, 7 months and 15 days. In 1879 he went to Kentucky, where he visited his kindred for two years, and returned to his home. In 1887 he went to Colorado and remained for two years, returning to his home in the fall of 1889, and since this time he remained at home to his part in caring for his widowed mother.

He united with the Christian church at the age of 21 years, under the evangelistic work of Elder Wm. A. Gardner, and was a faithful member until his death. He was never regarded as a dry Sunday member. Regardless of weather, he was ever found in his seat in the house of God, and walking the distance for Sunday school and church service, returning for night service, when held. He possessed a remarkable retentive mind, especially in Bible and historical matters.

Funeral services were conducted at the Christian church on Saturday last, and were conducted by the pastor, Elder B. H. Dawson, the interment being in Maple Grove cemetery.

We wish to thank our friends and neighbors who so gave their assistance in George's sickness and death.

CASSANDRA KELLY,
MISSOURI KELLY,
IRENE KELLY.

November 22d, 1910, as the anxious watchers clustered around the bedside of the three-months-old baby boy of Dr. and Mrs. T. A. Long, its spirit shook free the bonds of earthly strife and soared away to the home of its maker. This tiny bud was placed in earthly keeping for only a short time, and very few were the petals that had unfolded before it was taken away to blossom in heaven. Funeral services held at the home on Thanksgiving morning by Rev. James Walton, of the Presbyterian church, and the remains were taken to Mound City, where interment was had at Mt. Hope cemetery. Those attending the services here and accompanying the remains to Mound City, the cortege being in six automobiles, were: W. A. Long and wife, Matt Thomas, Ben Terhune and wife, Misses Nell Pierson and Grace Gilck, of Mound City; James Meyer and family, Worster Smallwood and family, Grace Alkire and Charles Meyer.

Bessie Stout Schreiver died at her home in Denver, Colo., after a lingering illness, on Nov. 16, 1910. She leaves a husband, a two-year-old son, father, brothers, sisters and numerous other relatives and friends to mourn her loss. Bessie Stout was born on Jan. 18, 1881, and was married to Andrew Schreiver on Sept. 3d, 1907. She lived a consistent christian life and numbered her friends by her acquaintances. Her health failing, the family went to Colorado, but the change did her no good. The remains were brought to this county for burial and the body was laid to rest by the side of her mother on Nov. 13, in Union Star cemetery.

Frank Stout and family were all present at the funeral of their beloved daughter, Bessie, at the Union Star cemetery Nov. 18.

Robert Leslie Patterson was born in Savannah, Mo., November 11, 1846, and died at the home of his daughter, Mrs. May Ruhl, near Rosendale, November 24, 1910, aged 64 years. He leaves a wife and three children—E. E. Patterson, of St. Joseph; Lon, of Fillmore; Mrs. Ruhl, of Rosendale. He is also survived by four brothers and two sisters: Wm. H., of Mound City; Lum, of Maitland; Charles, of Oregon; George, of Excelsior Springs; Mrs. Emma Landreth, of Oregon, and Mrs. Anna Williams, of Maitland.

Funeral services were held from the Fillmore M. E. church the following day, by Rev. Crittenden, of the Rosendale Christian church, the interment being in the Fillmore cemetery.

Louisa J. Keeney was born in Howard county, Missouri, July 7, 1842, and died in Nodaway township, November 21, 1910, aged 68 years and 4 months and 14 days. She came to Holt county with her parents when a mere child, and lived all these years in Holt county, where she was married September 9, 1865, to William J. Elder. To this union 8 children were born, all of whom survive their mother. She accepted Christ as her Savior when 12 years of age, and lived a consistent Christian life. Funeral services were conducted from the Woodville Presbyterian church, November 21, interment being at the Forest City cemetery.

Mrs. Sanford Riley died at her home

in Maitland, November 24, 1910, aged 71 years. Funeral services were conducted Friday, the 25th, from the Christian church, by the pastor, Rev. Harland, interment being in the K. P. cemetery. She leaves a husband and six children.

Presbyterian Church Notes.

Sunday was blustery. Our congregations were small.

Joe Murray and wife were called to Iowa by the death of their sister-in-law, which occurred Thanksgiving day.

Frank Allen and wife have been ill for several days. They are better.

Mrs. VanBuskirk has been indisposed for a few days.

Mrs. Tom Price fell and received injuries from which she has not yet recovered.

Mrs. Will Pennell has been sick but is reported better.

Ebenezer Wickham returned from California last week. He remembered the Sunday school children and brought them a basket of fruit and flowers.

Mr. and Mrs. Mortie Martin had their youngest son baptized Sunday. Daniel Rolland is a fine, healthy boy and we may expect him to grow into a good man.

Next Sunday: "The Disciples Sent Forth."

The C. E.'s had a fine service. James Murray led. The young people were present in large numbers.

Miss Gelvin will lead the next meeting.

The programs will be varied. Something new and helpful will be used each time.

All sympathize with Mr. and Mrs. Long in the loss of their youngest child.

Mr. and Mrs. Plummer, of St. Joseph, were guests at the manse over Thanksgiving.

Oren Gelvin will move into town with his family. We are glad to have them.

From the same neighborhood will come John Hibbard and family. They are all excellent people and will help in every good work.

Mr. Williams did a fine job on the walk in front of the manse. This is quite an improvement on the property.

THE PASTOR.

Frightfully Scalded.

Little Oscar, the 8-year-old son of James Ferguson and wife, living east of this city, is in a dangerous condition as a result of being badly scalded on Tuesday about noon.

Mr. Ferguson lives on the Perkins place, about midway between Oregon and Forest City; Mr. Perkins is in the grocery and butcher business here, and he, assisted by Mr. Ferguson, were slaughtering hogs for himself and some neighbors.

A large vat containing boiling water was being used, and in some manner Little Oscar fell into the vat up to his neck, and of course scalded from the neck to the soles of his feet. In spots the flesh was literally cooked, and in removing his clothing, the flesh peeled off and adhered to the garment.

He was extricated at once and taken to his home and Dr. Wood was called and did everything known to the profession to relieve the little sufferer, who bears his torture with wonderful nerve. At the time of our going to press, the little fellow was living, and some hopes are entertained for his recovery.

A Heavy Loss.

The cozy, two-story home of John Stroud, near the Schlottzhauser place in the Bluff City school district, was entirely destroyed by fire about noon, Wednesday, November 30.

Mrs. Stroud was alone in the home with two of her little grandchildren at the time, and before the fire was discovered a large portion of the second story was in flames. She immediately went upstairs with water and made a desperate effort to get control of the fire, and to save the little ones, which she succeeded in doing, but not until she had burned her face in a frightful manner. Dr. Proud was called and dressed the wounds.

Mrs. Stroud has no idea how the fire originated. All the contents of the upper story were destroyed with the house; the lower story furnishings were saved. The loss will reach \$1,200 with no insurance.

—A meeting was held at the school house, November 24, to organize a literary society. Ralph M. Meyer was elected president; Jesse Cain, vice-president; Myrtle Bender, secretary; Catharine Terry, assistant secretary. This is a good move. If every one will work together to make the society a success, it will be a great help. With a good literary society and a band, there is no reason why the young people cannot spend many pleasant hours these long winter evenings.

—A very sad accident occurred last Saturday evening, Nov. 26, at the home of A. M. Sloan. Hearing a disturbance among the chickens, John picked up his gun and went to see about it. He opened the door, and as he stepped out, he fired. As he fired, Ed Goody stepped in range of the shot, receiving the lead in his right arm, below the elbow. Drs. Kearney and Carson were called at once. Ed Goody, the man who was shot, had gone to Mr. Sloan's for some potatoes. They had looked for him in the afternoon, but as it was about 8 o'clock they had given him up. It is certainly an unfortunate affair. Later—Mr. Goody is doing nicely. It proved to be a severe flesh wound. We learned from Mrs. Sloan that the chickens roosted out in the trees, and something had been disturbing them all evening. Mrs. Sloan and John had been out twice to try and find out what was wrong. The third time they heard the disturbance, John took the gun and said he would shoot and scare away whatever it was. Just as he shot Mr. G. stepped in range. Mr. Goody was able to go home, Tuesday.
