is not usually considered a recommendation, but Vinegar, Lemons, and such things increase in popularity, with increased sourness.  
Our Pure Cider Vinegar at 20 cents per gallon is excellent. It has the tartness of quality, not the sourness of spoiled goods, and its flavor will be found very pleasing.  
At 40 cents per gallon we have Heinz's Pure, White, Pickling Vinegar, guaranteed to keep pickles.  
Don't forget our Spices, Sauces, Extracts, etc.
