Here are some of our own prominent Townspeople's Testimonials:

Dr Herman Lieber, St. Louis, Mo.

I take pleasure to inform you that the two pairs of Azurean glasses you fitted to my eyes are to my entire satisfaction. My eyes were very complicated and hard to be corrected as I have tried other eye specialists and they have failed to help me. After trying your Azurean glasses my eyes feel and look 100 per cent better. I can read the finest print with the reading glasses and see so clear at a distance with the distance glasses, besides they are resting and cooling to my eyes. I would not take \$100 for them if I knew they could not be replaced.

I highly recommend the use of your Azurean glasses to all who may be in need of eye help. Yours very truly, MRS. L. LEONARD, Marshall, Mo.

Dr. Lieber, the eye expert of St. Louis, Mo., has fitted me with Azurean glasses with which I am satisfied and I take pleasure in recommending him to those who may need glasses.

A. R. FARIS, Pastor M. E. Church, South, Marshall, Mo.

\$100.00 COULD NOT BUY THEM

I am very pleased to inform our people of the great improvement made in my sight by Dr. Lieber's Azurean spectacles. With them I am able to see and read as well as I ever could in my life and would not take \$100 for them if I knew they could not be replaced. I highly recommend their use to all who may be in need of spectacles.

GEO. L. MASON, Sr., Justice of Peace, Marshall, Mo.

Dr. Herman Lieber, the German eye expert of St. Louis Mo., made a skillful and scientific examination of my eyes and fitted me up with his Azurean glasses to see far and near.

I have worn glasses for a number of years and found it a difficult matter to get the proper glasses. After wearing Dr. Lieber's Azurean glasses I can state they are the very best I have ever had. I can read fine print and see so clear at a distance with perfect comfort. I think Dr. Lieber's knowledge of the eye is perfect and think all our people who are suffering with their eyes should be sure to consult the German eye expert. I highly recommend his Azurean glasses.

A. C. Poister, T. H. Welp, Frank Kise and J. W. Moore, prominent farmers of the Little Rock vicinity, were here Tuesday to protest against the article by J. L. Kessler last week in which he said he had a supply of sugar and needed the spoons we advertised to eat it. They said Mr. Kessler was "talking big" that he never had any sugar -- he just, barely knew what it is. They said Mr. Kessler had three

several, mixes sorghum (and cider sometimes) into the coffee and edibles to sweeten them. We are glad to make the explanation and hope it will not occur again! But, honestly, we'll venture everyone of the gentlemen took home 19lbs of granulated and when they get their spoons they will be the sweetest bunch you ever saw.

Frank Liebert yesterday received a card from his son at Princeton, Mo., saying he had accepted a position as signal maintainer on the Rock Island Railway at \$70 per month. We are glad to hear of his good luck.

Many a lame, weak and aching back is bad no more, thanks to Doan's Kidney Pills. Our citizens are telling the good news of their experience with the Old Quaker Remedy. Here is an example worth reading:

Mrs. C. F. Storandt, 675 Jefferson Ave. Marshall, Mo., says: "I was greatly troubled by a heavy, bearing-down pain in the small of my back. I thought that my kidneys were disordered as the kidney secretions were unnatural. Seeing Doan's Kidney Pills advertised, I procured a box at Franklin's Drug Store and had taken only a few doses before I felt better. Before long, the backache disappeared and my kidneys became normal."
