Has Them Guessing

Joe Plattner was down from Grand Pass Friday after a pair of the latest handcuffs because he didn't like to let any man get the best of him. A slight of hand performer had been showing at Grand Pass and one of the mysterious things he did was to get rid of a pair or two of hand-cuffs and in order to give him a genuine test Mr. Plattner came after a pair from the Sheriff's office that would surely hold the man. He says he put them on Saturday night good and tight, but the man got rid of them in short order, as well as a pair of thumb holders. Sheriff Haynie promised to go up himself and look into the matter if he got out and Mr. Haynie is now billed to meet the man at Malta Bend Saturday night. We'd laugh if Mr. Haynie found himself handcuffed, after trying them on the other fellow, and the key became lost.

NORTH GRAND PASS

The little child of Mr. and Mrs. Lee Woodward of Whites Island isn't quite so well. The little fellow has been suffering with inflammatory rheumatism. The greater portion of this entire neighborhood have been summoned to Marshall on proposed ditch. Mrs. John Tolle and daughter, Miss Anna, were all day guests at the home of Lee Woodward and family last Sunday. Mrs. Mariah White passed to her reward Sunday April 21st, 1913, at 9 a. m. She leaves five children who were at her bedside when the end came. A host of other relatives and friends are left to mourn her departure, but feeling their loss is her eternal gain. Burial at Waverly cemetery Tuesday at 2 p. m. Heartfelt sympathy is extended to the bereaved ones.

Nervous? Thin? Pale?

Are you easily tired, lack your usual vigor and strength? Then your digestion must be poor, your blood must be thin, your nerves must be weak. You need a strong tonic. You need A. J. Sarsaparilla, the only Sarsaparilla entirely free from alcohol. We believe your doctor will endorse these statements. Ask and find out.

If you think constipation is of trifling consequence, just ask your doctor. He will disabuse you of that notion in short order. "Correct it at once!" he will say. Then get him about Ayer's Pills. A mild liver pill, all vegetable.
