MARTHA HOUSTON, the little daughter of Mr. and Mrs. Sherman Houston, of Malta Bend, died at their home about 9 o'clock Sunday morning after an illness of only a day. The news came as a severe shock to our people as it was the third child they have lost and it was hoped that the dear little girl would be spared them to grow up. When it was taken ill they did all in their power to save it, but without avail.

She was born April 13, 1911, and was nearly 18 months old. She was considered a healthy child until this attack.

Funeral services were held Monday at 2 o'clock after which the remains were laid to rest in the Malta Bend cemetery. A goodly number from Marshall attended the funeral.

The parents have the community's heartfelt sympathy in their sad loss.

MRS. ANNA MARY (KIEHL) KRUGER died at her home 3 miles north of Arrow Rock Thursday, September 29, 1912, aged 63 years 5 months and some days. Her husband, Wm. P. Kruger, preceded her to the grave sixteen years ago. Three children are also dead. She leaves eight children, Henry, Mrs. Wm. Drexel, of Osage County, August, Mrs. R. Poister, Willie Mrs. D. H. Melles, of St. Louis; Ida, Anna and Louis, to mourn her departure. Funeral services were held the following day conducted by Rev. Klintonworth and her remains were interred in the Lutheran cemetery near Little Rock.—Arrow Rock Statesman.

MRS. JULIA F. SCOTT died at the home of her daughter, Mrs. Philip Jacobi at Koping Tuesday after a short illness of diabetes, aged 71 years. She is survived by the daughter named and E. M. Scott, a son at Kansas City; A. B. Scott and Miss Lizzie Scott, a son and daughter at home.

MRS. M. A. GARRETT died at the home of her daughter, Mrs. Sallee, north of town on the Bush farm Tuesday evening about 11 p. m. of heart failure at the age of 92 years. Funeral services were held yesterday afternoon and burial in Ridge Park cemetery.

Several of our physicians were called and it was found necessary to amputate the first finger. We hope nothing further will develop to cause him trouble with the hand. Mr. Weber is a brother of Mrs. L. J. Rasse of this city.

Maupin-Boatright

On Tuesday afternoon at 2.30, at the home of the bride's parents, Mr. and Mrs. J. W. Boatright, Miss Ada Boatright and Robert Maupin were united in marriage.

To the strains of Mendelssohn's wedding march, the bridal couple, unattended, descended the stairs, passed through the sitting room into the ceremony room and took their position before a beautiful background of autumn leaves, where they were met by Rev. A. R. Paris, of Marshall, who spoke the solemn and impressive words, which made them man and wife.

After the ceremony Mr. and Mrs. Maupin received congratulations and then led the way to the dining room, where refreshments of cream, cake, coffee and mints were served, the wedding colors, pink and white, being carried out in the cream, cake, and mints. Misses Ruth and Margaret Boatright were assisted by Mildred Boatright and Edna and Evelyn Thomas in serving the guests. The bride's cake surrounded by real autumn leaves made an attractive centerpiece.

The bride was becomingly dressed in a simple toilet of white voile and carried bride's roses. The groom wore the conventional black.

The couple left soon after for a short trip to Springfield, Ill. The bride's going away gown was of blue serge, with hat and gloves to match.

They were the recipients of many nice presents and the hearty congratulations of their friends for a long happy life.

They are two of our most popular young folks and have the best wishes of a large circle of friends.

Church Notes

Dr. W. H. Black assisted in dedicating the Second Presbyterian church at St. Joseph Sunday.

The Ladies Aid society of the First Presbyterian church met at the jail Tuesday afternoon and at night the elders and deacons attended a "joint" meeting. No, gentle readers, there's no sensation in this. The ladies met with Mrs. Ed Haynie and the gentlemen met at the church.

The Mt. Olive Presbyterian church had a big day Sunday. Rev. Price, the pastor, was assisted by Evangelist Sheltman of Louisville, Ky., and in the afternoon Rev. R. C. McAdie of this city preached also. At noon there was a big basket dinner. Many from Marshall and other points attended the Sunday afternoon service. The revival services being held there close tonight.

Rev. H. P. Jones, the new pastor of the M. E. Church, came in this week and preached his first sermon Sunday morning and again that night. His sermons were very satisfactory to his hearers. Bro. Jones seems to be a cultured and educated gentleman as well as an excellent preacher and our people are very much pleased with him. His wife and children arrived Monday and his household goods came in Tuesday and he will soon be comfortably located in Gilliam. We predict an agreeable pastorate for him.—Gilliam Globe.

The Rev. Hugh P. Lovell, pastor in charge of the Christian church at Nelson, has had quite an interesting romance woven about his recent marriage in Kansas City. Rev. Lovell is by birth from Australia and one of his regrets when he came to America was that he was not all here for his intended "better half" was about 8000 miles from him in distant Australia. It was another case of absence making the heart grow fonder. The Rev. Lovell attended Transylvania university at Louisville, Ky., and Missouri university at Columbia where he is completing his college course. Working on the old principle that "nothing is single" he was recently united in marriage to Miss Dora Fisher who made the trip from Adelaide, Australia, to become his bride.—Boonville Republican.

Rev. E. M. Turner, pastor of the Free Will Baptist church, is conducting a successful revival. He has six candidates for baptism for Sunday, Oct. 29th.

Bought Store at Salt Springs

Lewis Brown, of Slater, passed through Marshall yesterday on his way back from Salt Springs with a load of goods. He bought D. W. Maupin's store at Salt Springs several weeks ago and is moving there to take charge on January 1st. Mr. Maupin expects to move to Kansas City he says.

Mrs. Abiel Leonard who has been real sick is somewhat improved.

Flanagan-Roberts

The wedding of Miss Pearl Flanagan and Mr. George Roberts was celebrated at the home of the bride's mother, Mrs. Mary Flanagan, 3100 Oak St., Kansas City, Mo., Wednesday, Oct. 2, at 8.30 p. m.

The house was beautifully decorated with a profusion of carnation and ferns, the color scheme of pink and white being carried throughout the rooms.

While Miss Della Bisonette played softly the strains of Lohengrin's wedding march the bridal party descended the stairway, through the hall into the living room where they stood before a bank of palms. The bride wore a gown of white messaline beautifully trimmed with old lace and pearls and carried a shower bouquet of bride's roses. Miss Goldie Flanagan, as bridesmaid, was becomingly gowned in pink erepe de chine and carried a shower bouquet of pink tea roses. Mr. Roberts was attended by Mr. Bert Flanagan as best man.

The Rev. Chester Smith of the Howard Memorial Methodist church performed the ring ceremony after which Mr. and Mrs. Melvin Wimset rendered several vocal duets.

A delightful repast was served the many guests, Miss Mabel Grassley presided at the punch bowl. Mrs. Flanagan was assisted by Mrs. L. P. Urban, Mrs. Frank Zetner and Miss Pearl Robbins.

Mr. Roberts was formerly a resident of Marshall and is now interested in the firm of Urban & Roberts, grocery of Kansas City Mo. Mrs. Roberts is a lovable young lady and we are assured of their future happiness.

Mr. and Mrs. Harry Roberts, of Marshall, attended the wedding. After October 15th Mr. and Mrs. Roberts will be at home to their many friends at 3152 Oak St., Kansas City, Mo. A guest.

Gillespie-Bentley

Miss Mattie Bentley of this city, and Percy Gillespie of Nelson, were married in Kansas City Monday by Rev. Roberts at his residence. Both the bride and groom are employed at the Colony and they will remain there for the winter. The bride is a daughter of Mr. and Mrs. J. F. Bentley and is a most excellent young lady. The groom is the son of Mr. and Mrs. Albert Gillespie and is a steady enterprising young man.

They left after the ceremony for Horton, Kansas, on a week's visit to the bride's sister and brother. We join in wishing them a long and happy married life.

Rhoades-Smith

John Rhoades and Mrs. Kate Smith were married in Slater by Rev. W. F. Roberts last Friday. Following the ceremony they left for a visit to Kansas City and Excelsior Springs. Mr. Rhoades is well and favorably known here and in Slater. His bride is also highly respected in her town and circle.

Laughlin-Oster

Chester Laughlin and Miss Docia Oster were united in marriage by Rev. R. C. McAdie at the Presbyterian manse Tuesday evening. The groom is the son of Mr. and Mrs. Will Laughlin and the bride the daughter of Chas. Oster of south of town. We join in wishing them a long and happy married life.

Jones-Mitchell

Rev. and Mrs. James Mitchell of South Brunswick have announced the coming marriage on Oct. 23d of their daughter, Miss Callie Belle to Mr. Llewellyn Jones.

Lost Good Mule

Jas. Culbertson, of Blue Lick, lost a good mule Saturday in an unusual manner as well as rather mysteriously. He let Jos. Mullineaux and family have a mule team to drive to New Frankfort that day on a visit to J. M. Holloway's near that place. The drive is not a very long one and Mr. Mullineaux was careful with the team. At seven that night the mule became sick and died during the night. An examination showed the heart was as large as a water bucket. Veterinarians consulted did not know what caused the death and at first it was feared that the Kansas disease had broken out here, but we are assured that only Bull Diseases are susceptible to it in Missouri and fortunately they are all well and frisky.

Eat More Dogs in Dresden

Dresden, Oct. 7.—Official statistics published in this apparently flourishing Saxon city show that the consumption of horse-flesh and dogflesh is increasing. The figures relate to the last four teen years.

The number of horses slaughtered for human food in 1898 was 1,339 and of dogs 82. Last year 1,664 horses and 125 dogs were slaughtered for food. The general consumption of flesh in Dresden has fallen per capita of population from 9.60 pounds in 1911 to 8.75 pounds this year. The fall is, of course, less noticeable in the cheaper than in the dearer qualities.

Friends of temperance will hear with pleasure that the per capita consumption of beer in the Saxon capital is steadily declining. In the last twelve years it has fallen from 433 pints to 239 pints. It must be explained, however, that the decrease is due, not to the spread of the temperance cause so much as to a decrease in the purchasing power of the people.

Coast to Coast Highway

Indianapolis, Oct. 7, 1912—Impetus to the tune of \$300,000, has been given the proposed Ocean-to-ocean National Highway by the Goodyear Tire & Rubber Company of Akron, Ohio. Over one million dollars has already been pledged, and some of the largest makers of auto mobiles and accessories have yet to be heard from.

The plan, as originally outlined by Carl G. Fisher of Indianapolis and his associates, provides for the purchase of materials for the building of a stone highway from New York to San Francisco to be completed in time for general use to the Panama Exposition in 1915. It will take ten million dollars to provide \$5,000 worth of material for each mile—but one-tenth of the amount has already been secured and the surface has not been scratched.

"We'll do it," says Mr. Fisher. "The only thing that I am anxious about is getting the job done in time for the Big Fair."

F. A. Sieberling, President of the Goodyear, voices the general attitude of manufacturers toward the project. "The need of a National Highway from coast to coast," said Mr. Sieberling, "has been so obvious that its possibility, in fact its almost definite assurance, seems to be the most natural thing in the world. The plan proposed by C. G. Fisher of Indianapolis is the first practical plan to my knowledge, that has been advanced.

"In pledging its pro-rata of approximately \$300,000, the Goodyear Tire and Rubber Co. feels that they have done nothing remarkable or unselfish. We look up on the pledge as a movement on which we will expect to realize dividends. The fact that the industry is supporting this move argues, to my mind, that the manufacturers look upon the project in the same light.

"In my opinion, the move will succeed—it deserves to succeed, and the men behind it are calculated to see that anything they back gets its deserts. In other words, they are business men—and it takes business men, not politicians, to do all of the really big things of today."
