## MAKES BACKACHE QUICKLY DISAPPEAR

**A Few Drops Relieves All Such Miseries, Bladder Weakness, Kidney Trouble and Rheumatism Promptly Vanish**

It is no longer necessary for any one to suffer with backache, kidney trouble, have disagreeable bladder and urinary disorders to contend with, or be tortured with rheumatism, stiff joints, and its heart-wrenching pains, for the new discovery, Croxone, quickly and surely relieves all such troubles.

Croxone is the most wonderful remedy yet devised for ridding the system of uric acid and driving out all the poisonous impurities which cause such troubles. It is entirely different from all other remedies. It is not like anything else ever used for the purpose. It acts on the principle of cleaning out the poisons and removing the cause.

It soaks right in through the walls, membranes and linings, like water in a sponge, neutralizes, dissolves, and makes the kidneys sit out and filter away, all the uric acid and poisons from the blood, and leaves the kidneys and urinary organs clean, strong, healthy and well.

It matters not how long you have suffered, how old you are, or what you have used, the very principle of Croxone is such, that it is practically impossible to take it into the human system without results. There is nothing else on earth like it. It starts to work the minute you take it and relieves you the first time you use it.

If you suffer with pains in your back and sides, or have any signs of kidney, bladder troubles, or rheumatism, such as puffy swellings under the eyes or in the feet and ankles, if you are nervous, tired, and run down, or bothered with urinary disorders, Croxone will quickly relieve you of your misery. You can secure an original package of Croxone at trifling cost from any first-class druggist. All druggists are authorized to personally return the purchase price if it fails in a single case.

### THE PARCEL POST.

Postmaster Selph of St. Louis Arranging to Bring Producers and Consumers in Touch With Each Other.

Postmaster Colin M. Selph of Saint Louis, Mo., has received instructions from Postmaster-General Burleson to prepare and organize his office so as to be an intermediary between the produce farmer, dairyman and poultryman, and the consumer living in Saint Louis.

Lists will be printed containing the names of all farmers in Missouri, Illinois, Iowa, Arkansas and Oklahoma who wish to ship eggs, butter and general produce to consumers in Saint Louis via parcel post service. These lists will be distributed by letter carriers to patrons of the Saint Louis post office or supplied to consumers in Saint Louis on application. Postmaster Selph has sent out a request to farmers, dairymen and poultrymen of Missouri, Illinois, Iowa, Arkansas and Oklahoma to send in their names and addresses and the kind of produce handled, also whether they handle butter, eggs, general produce, fruits, etc. Postmaster-General Burleson is very much interested in this new scheme to bring the producer and consumer together by direct sale of delivery through parcel post and has instructed Postmaster Selph to use every possible means to obtain the information from the farmers in relation to what they grow and produce and to give the plan the widest publicity.

Those who desire to have their names included in the produce lists should send same to Postmaster Selph at once. He will publish not later than the sixth of April, a bulletin for distribution and thereafter will publish same semi-monthly, containing full information.

Consumers in Saint Louis who desire lists should make application now.

### FRECKLES

Now Is the Time to Get Rid of These Ugly Spots

There's no longer the slightest need of feeling ashamed of your freckles, as the prescription ointment—double strength—is guaranteed to remove these homely spots.

Simply get an ounce of ointment—double strength—from any druggist and apply a little of it night and morning and you should soon see that even the worst freckles have begun to disappear, while the lighter ones have vanished entirely. It is seldom that more than an ounce is needed to completely clear the skin and gain a beautiful clear complexion.

Be sure to ask for the double strength ointment as this is sold under guarantee of money back if it fails to remove freckles. (4-2224 5-15)

### The Greatest of These.

Faith, hope and charity are three great blessings of the world, and the greatest of these, to our mind, is faith. No noble deed was ever done, no lofty ideal was ever reached, no high enterprise was ever carried to fulfillment without faith; no great city ever grew without it, no great dream ever came true without it, no great life was ever lived without it. Faith in our friends and loved ones, faith in the world as a whole and faith in God are all that make life worth while in this world or the next.

And yet there are some of us who cultivate cynicism and suspicion. What profiteth it, O ye of little faith? —Higginsville Jeffersonian.

### "Rooster Day June 6th"

Now that "Hen Day" is past, the next big day in the poultry world will be "Rooster Day", which will be observed on Saturday, June 6th. "Swat the Rooster" will be the slogan on Rooster Day. The rooster is the direct cause of a loss to Missouri farmers and poultry raisers alone, of fully three million dollars every summer, a loss that could be prevented by the simple expedient of getting rid of the adult male birds as soon as the hatching season is over. It is the fertile egg that spoils in hot weather. An infertile egg will keep for weeks, even when subjected to a high temperature for weeks at a time. A general observance of "Rooster Day" throughout the state will make Missouri eggs sought after in the fancy egg markets of the world, and will add millions to the income of our poultry raisers.

### A TEXAS WONDER

The Texas Wonder cures kidney and bladder troubles, dissolves gravel, cures diabetes, weak and lame backs, rheumatism and all irregularities of the kidneys and bladder in both men and women. ### A Kansas City School.

Imagine a public school where the children become so interested in their work that they forget to start home at the regular closing hour, where vacations are few and where absences are unknown. Such a school is the Yeager school at Kansas City. It is said: "At this school the morning hours are used for the regular academic work. In the afternoon the children take up almost any line of vocational study they desire. The girls take millinery Mondays and Tuesdays, cooking Wednesdays and sewing Thursdays and Fridays. About twenty of the boys between the ages of 13 and 15 are building a complete miniature 3 room cottage as part of their education. A complete set of furniture will be made for the house and the girls will make curtains and draperies for the interior. The school board intends to install the system in every school in the city. The girls at the Yeager have made their own hats for Easter. It's school where the children do real things in their class. —Banner Advance.

## FOR THE GRIP

Peruna Is Sometimes Used With Good Results

Mrs. Jane Gift, in shortening the after stages. Many people take it after they have had the grip. Their convalescence is slow. They have suffered along for a month or two, without any signs of complete recovery. Then they resort to Peruna as a tonic, with splendid results.

Mrs. Jane Gift, R. F. D. 1, Athens, Ohio, whose portrait appears above, writes: "I think I would have been dead long ago if it had not been for Peruna. Six years ago I had a grippe very bad. The doctor came to see me every day, but I gradually grew worse. I told my husband I thought I would surely die if I did not get relief soon."

"One day I picked up the newspaper and accidentally found a testimonial of a woman who had been cured of grip by Peruna. I told my husband I wanted to try it. He went directly to the drug store and got a bottle of Peruna. I could see the improvement in a very short time and was soon able to do my work. I continued using it until I was entirely cured."

Mr. Victor Patneau, 323 Madison St., Topeka, Kas., writes: "Twelve years ago I had a severe attack of the grippe and I never really recovered my health and strength, but grew weaker every year, until I was unable to work."

"Two years ago I began using Peruna and it built up my strength so that in a couple of months I was able to go to work again. This winter I had another attack of the grippe, but Peruna soon drove it out of my system. My wife and I consider it a household remedy."

Those who object to liquid medicines can now obtain Peruna Tablets.

POLK SYSTEM SILO. 16x60-Foot Silo With 25,000 Gallon Water Tank on Top. Total Height 86 Feet.

If you are thinking of building a silo why not build a re-enforced concrete. They are not built of pieces and they can not go to pieces. A concrete silo will keep ensilage perfectly, will stand forever, and will not burn, blow down or rot, no painting, no adjusting hoops; cheapest of all in the end. We use heavy steel doors, oval shape, which are absolutely air tight. We build concrete chute if desired. We have built about 50 silos in Jackson county, would like to refer you to any of them.
