

**"Strike For Your Altars
and Your Fires."**

Patriotism is always commendable, but in every breast there should be not only the desire to be a good citizen, but to be strong, able bodied and well fitted for the battle of life. To do this, pure blood is absolutely necessary, and Hood's Sarsaparilla is the one specific which cleanses the blood thoroughly. It acts equally well for both sexes and all ages.

Humor—"When I need a blood purifier I take Hood's Sarsaparilla. It cured my humor and is excellent as a nerve tonic." Josie Eaton, Stafford Springs, Ct.

All our farmer readers should take advantage of the unprecedented clubbing offer we this year make, which includes with this paper, The Kansas City Live Stock Indicator, its Special Farmers' Institute editions, The Poultry Farmer and The Farmers' Mutual Insurance Journal. These four publications are the best of their class and should be in every farm home. To them we add for local, county and general news our own paper and make the price for the five for one year \$1.25. Never before was so much superior reading matter offered for so small an amount of money. The four papers named which we club with our own, are well known throughout the West and commend themselves to the reader's favorable attention upon mere mention. The Indicator is the great agricultural and live stock paper of the West; The Poultry Farmer is the most practical poultry paper for the farmer published in the county; The Farmers' Mutual Insurance Journal is the special advocate of farmers or operative associations, and the Special Farmers' Institute editions are the most practical publications for the promotion of good farming ever published. Take advantage of this great offer.
