NUMBER 63

TIGERS IN COMEBACK DEFEAT DRAKE, 41-13

Only by Use of Forward Pass
Could the Bulldogs Advance the Ball.

REAL FIGHT SHOWN

Aided by Charging Linemen,
Bucks Rip Holes in Opponents' Line.

Maybe it was the work of Coach Schulte during the past week, maybe it was because of the first real football weather of the season, or it might have been caused by the sting of a season's defeats. Whatever it was that did the work, the Missouri Tigers came to life yesterday.

Drake University was the victim. And Drake had a pretty fair football team, too. However, her forward passes were good for only two touchdowns and when the smoke of battle cleared away, Missouri led by a score of 41 to 13.

The Missouri backs, featuring, as usual, Clint Collins, punctured the Drake line time and again; the linemen helped the slaughter by opening big gaps in the Bulldog line, and end runs netted more than one good gain.

Tigers Had the Punch.

Moreover, Schulte's pupils, showing no weakness because of their instructor's absence from the sidelines, showed that they had finally acquired the driving power to slip the leather over the goal line after they had pushed it within striking distance. For the first time this season Missouri played consistent football.

Collins led in the Tiger attack. Not only did he generally add some yardage when called upon, but helped Reppy and the others in the good work by his interference. The leading event of the afternoon, from the spectators' standpoint, at least, was a brilliant 50-yard run, Collins made a touchdown after he had romped right through the center of the Drake line. Reppy helped Collins a lot in the Tiger gains, while in the line "Snooze" Groves did no snoozing yesterday. He was the bulwark of strength among the Missouri forwards.

The whole team worked well together. It was well balanced.

Drake Excel in Passing.

Forward passes alone enabled Drake to do anything in the scoring line. And this was the only department in which the Tigers did not outclass their opponents from the North.

The Bulldogs' first touchdown was made possible by a forward pass and in the last quarter the Des Moines boys showed nothing but long huris through the air. As a result they added another touchdown.

Missouri's scoring started soon after the opening whistle blew. Collins got away for a 45-yard run going through the whole Drake team. With the ball on the 5-yard line, Reppy dived through for the six points. A few moments later Reppy tore off 25 yards around right end. Then a forward pass, Stankowski to Speelman, again brought the crowd to its feet when Jake planted the ball behind the goal posts.

Missouri's third touchdown, made at the beginning of the second period, came after a forward pass, Hamilton to Speelman, made 30 yards and put the ball on the 15-yard line. After repeated line bucks Rider went over. Then Drake got busy with her forward pass. Smith tossed the ball to Bunz for a 30-yard gain. Thomas skirted Missouri's left end for Drake's first touchdown. The Bulldogs didn't score again until the last period, when seventeen forward passes were attempted. One of these, Smith to Del Blackburn, scored a touchdown.

Collins in Long Run.

But in the meantime Missouri had added three more. One resulted from Collins' run for half the length of the field. Another came after Collins, Reppy and Groves had penetrated the Drake line for gain after gain. Reppy made the touchdown. In the last quarter Hamilton, intercepting a Drake forward pass, carried the ball to Drake's two-yard line. Stankowski squirmed over the chalk mark. "Stan," by the way, starting his first game at quarterback, showed good headwork in choosing his plays.

Schulte wasn't here to see his team win. He was watching the Kansas Jayhawkers. But Missouri staged her comeback, the first "shirtriall" parade of the season was in order and the band left the field playing that rol-

MAY SHOOT FUGITIVES

Daniels Asks Advice About
Dealing With Escape of
Interned Germans.

WASHINGTON, Nov. 13.—Secretary of the Navy Daniels asked the opinion of Secretary of State Lansing today whether it would be legal to shoot interned German soldiers attempting to escape.

This action was taken after the escape of thirty men interned as members of the crew of the Prinz Eitel Friedrich.

PROF. ANKENY TO SHOW WORK

Missouri Scenes Form Large Part of
Coming Exhibit of Paintings.

"Views of Missouri and Elsewhere" is the title Prof. J. S. Ankeny of the art department of the University has chosen for his exhibit of fifty paintings to be shown in the faculty room of the new Library Building from November 20 to December 6. The exhibit, which will be free, will be from 9 to 12 and 2 to 6 daily, and from 2 to 5 Sunday afternoons. The exhibit will be preceded Friday, November 19, from 2 to 5, by a private view as a courtesy to the women's clubs of the city and their guests. The exhibition room is well adapted to the purpose in light and decoration.

Professor Ankeny has undertaken to show how really beautiful and pleasing the scenery is about Columbia. Still, while scenes of Missouri form the larger part of the exhibit, numerous phases of nature and different parts of the country are treated. The paintings, some of which are in oil and others in pastel, vary from scenes of the campus in winter to the Ozarks in the summer and mountain scenery in Colorado. From scenes of the harbors of Massachusetts, one passes to portraits of European subjects and settings in Rome.

Professor Ankeny has been in the art department of the University for fourteen years. Previous to that he was supervisor of art in the public schools of Kansas City. His art training was had largely in New York and Paris.

HISTORICAL SOCIETY TO MEET

Walter B. Stevens Will Speak on
Lincoln at Annual Dinner.

The annual meeting of the members of the State Historical Society of Missouri and of the executive committee will be held in the New Library Building Friday afternoon, December 10. A 6 o'clock dinner will be given following the meeting. Walter B. Stevens of St. Louis will deliver an address on "Lincoln and Missouri" at the dinner. Other speakers of note will also be present.

MAY BUILD ELECTRIC LINE ACROSS STATE

Chicago Firm Says a Road
From St. Louis to Kansas
City Is Assured.

TO REACH COLUMBIA
Letter States That \$28,750,000
Is Available for the
Equipment.

Special to the Missourian.
MEXICO, Mo., Nov. 13.—In a letter received here today from the General Electric Company of Chicago, an officer of the company stated that an estimate of the cost of supplying equipment for the proposed electric road from St. Louis to Kansas City had been completed.

The letter stated that the cost will amount to \$28,750,000 and that work has already been started on the large order. It said that arrangements had been completed for raising the money to build the road.

This road, a survey of which has been made, will pass through Columbia and just south of Mexico.

DR. PICKARD TO TALK TODAY

Will Lecture on Paintings Now on
Exhibit at University.

A collection of twelve oil paintings is on exhibition in the Museum of Classical Archaeology, on the third floor of Academic Hall. The exhibit is of exceptional interest to lovers of art, as the artists represented are Americans of the highest rank. Two of the pictures have been here in previous exhibits: W. M. Chase's "Striped Bass" and Kenyon Cox's "Book of Pictures." The former aroused much interest last year.

Dr. John Pickard will lecture on the paintings at 4 o'clock this afternoon. The lecture will be free and open to the public. The exhibition will be open from 2 to 6 on this and other Sunday afternoons as long as the paintings are here. On other days the hours will be 8 to 12 and 1 to 5, and 7 to 10 Monday evening.

The exhibit of etchings, which has been in the museum for some time, will continue there for a while. Works by Zoron, Pennell, Simon and Roth, among others, make this a collection representing the best of the etcher's art. A third exhibit in the museum includes examples of various kinds of color prints. Two colored etchings by Camille Fonce are among the most interesting of them.

SERBS HAVE LOST HEAVILY

One-Third of Fighting Force Have
Been Captured.

Berlin, Nov. 13.—Nearly one-third of the Serbian fighting men, 300,000, have been taken prisoners, according to dispatches from the front tonight. More than 50,000 Serbs have been captured since the beginning of the present campaign.

L. W. BERRY IS IMPROVED

Columbia Grocer Has Been Dangerously Ill With Rheumatism.

The condition of L. W. Berry, Columbia grocer, who has been suffering the last two weeks from rheumatism, was reported to be improved yesterday. Mr. Berry had been reported near death.

Youthful Couple to Wed.

Consent of the fathers of John C. Smith, 19 years old, and Miss Vada Mavis Sapp, 17, secured a license for the marriage of the couple yesterday afternoon. Owen Smith consented to the marriage of his son, while J. K. Sapp agreed for his daughter. Mr. Smith lives at Deer Park and Miss Sapp at Englewood.

AUSTRIAN CONSUL DISPLEASING TO U.S.

Von Nuber of New York Is
Made Persona Non Grata
by Evidence.

INQUIRY UNDER WAY
Schemes Range From Pass-
port Frauds to Interference
With Our Shipping.

By United Press.
WASHINGTON, Nov. 13.—Evidence which came into the possession of the State Department today has made the Austrian consul general, Von Nuber of New York, persona non grata to this Government.

Secretary Lansing has not decided what steps shall be taken. Evidence implicates the envoy in schemes ranging from passport frauds to schemes to prevent the exportation of munition to the Allies.

Samuel Gompers, president of the American Federation of Labor, disclosed one of the largest schemes. Comprehensive investigations of bomb and arson plots are under way by the department of Justice.

WAR'S SECRECY MARRED TRIP

Inspection of Factories Was Closed to
U. Engineering Students.

Twenty senior engineering students of the University accompanied by Prof. A. Lincoln Hyde, returned yesterday from their annual inspection trip to St. Louis, Chicago and points in Indiana.

While in Chicago they inspected the bridges across the Chicago River and also went through the plant of the Portland Cement Company. They were refused admittance to the Steel Mills in Gary, Ind., because of the manufacturing of war supplies. Secrecy prevailed in all the mills.

MANY BRITONS ENLIST

Churchill's Example and the
Government's Threat
Bring Results.

WASHINGTON, Nov. 13.—Though figures are unobtainable, it was officially stated tonight that this has been England's heaviest enlistment day.

The great number of volunteers is attributed to the enlistment of Winston Churchill, formerly first lord of the admiralty, and to the government's warning that unmarried men will be drafted November 30.

"STIG'S" VISIT BROUGHT RESULTS

1909 Student President and "Jack"
Collier Mass Meeting Speakers.

That Missouri-Drake affair on Rollins Field yesterday shows that at least a few members of Schulte's squad were present at the mass meeting Friday night and carried back to the Tiger camp the message of L. V. Stigall and H. A. Collier, alumni of the University. "Jack" and "Stig." with regulation mass meeting eloquence, spoke the words that have sought utterance from many Tiger rosters this fall.

"This Tiger football season has almost upset my first year of married life," said Stigall, "and I have come all the way from St. Joseph to do what I can to bring victories over Drake and our 'sister' university on the western border of the state." And "Stig's" visit was not in vain.

THEY SAY—

"When I went to school, in the early forties," said R. B. Price, president of the Boone County National Bank, "the girls and boys sat on long benches, in rows. Our interest was stimulated by a birch rod and by the incentive that, some day, any one of the girls might become the first lady of the land and any one of the boys first man of the land."

"When I entered the University of Missouri in 1850, which at that time had an enrollment of 120 and a teaching staff of eight, I thought I was right on the road to the capitol. But it was then I realized that I had been taught geography imperfectly and consequently was unable to locate Washington. With all the geography, time tables and schedules of today, anybody should be able to get there."

STEAMER SUNK; 15 DIE

Italian Vessel Firenze Is Tor-
pedoed in the Mediter-
ranean Sea.

By United Press.
PARIS, Nov. 13.—The torpedoing of the Italian steamer Firenze, supposedly in the Mediterranean Sea, resulted in the death of six passengers and eleven members of the crew, according to reports from Italy today.

London admits the probable loss of the English submarine E 20. German advices said that the craft was sunk in the Dardanelles operations. Nine of the crew were captured.

NO CIRCUIT COURT THIS WEEK

Session Will Begin November 22,
Judge Harris Presiding.

No session of the Circuit Court will be held this week, according to James E. Boggs, circuit clerk. The members of the regular petit jury and all witnesses who have been summoned will be notified.

The members of the Boone County Bar Association will meet in the court room tomorrow morning and elect a special judge. This judge will continue all cases which the parties want continued and will then adjourn the court until Monday, November 22, when Judge Harris will convene court and dispose of the docket.

90-YARD RUN IN THIS GAME

Besides That, Springfield Normal Made
29 Forward Passes.

A ninety-yard run for a touchdown was a feature of the game at Fayette last Friday between the Springfield Normal School team and Central College, in which the Normals won, 16 to 0.

The Springfield quarterback, Dananhour, blocked a Central place kick and raced ninety yards to the goal line. The victors completed twenty-nine forward passes out of thirty-four attempts.

The Springfield team saw the Drake game yesterday.

To Make Own Investigation.

By United Press.
WASHINGTON, Nov. 13.—That any action taken by the United States in the Ancona matter will be based on information secured only by American officials was the statement of men high in the State Department tonight.

THE WEATHER.

(Report issued Saturday morning.)
For Columbia and vicinity: Increasing cloudiness with rain; colder Sunday.
For Missouri: Unsettled weather with rain; colder Sunday.

Weather Conditions.
An atmospheric depression overlies the Rio Grand Valley Saturday morning, and there also is a marked tendency to secondary storm development in the Southern Plains, which, being flanked on either side by high pressure waves of great magnitude, rather indicates a change to rainy and colder weather within the next day or two.

Cloudiness is on the increase generally, and rains already have fallen on the Texas coast, while in the Northern Rocky Mountain region and upper Plains.

In Columbia the pleasant autumn skies will likely give place to more winter-like weather during the next 24 hours.

NEBRASKA RUNS OVER JAYHAWKERS, 33 TO 0

Line Plunging and Chamberlain's
End Runs Main
Factors in Victory.

SCHULTE SEES GAME
Missouri Coach Says Kansans
Are in Best Condition
in Years.

Special to the Missourian.
LAWRENCE, Kan., Nov. 13.—The heavy line plunging of the Nebraska team and the speedy end runs of Chamberlain sent the Kansas Jayhawkers down in a 33-to-0 defeat this afternoon. Although Kansas repeatedly threw the Cornhuskers back when their goal was in danger the offense of the Kansas eleven was too weak to make any headway.

Kansas played an open game throughout. The Jayhawkers punted a total of 695 yards. Most of the kicks being by Lindsey. Only 41 yards were made by the Jayhawkers on line plays, while the Cornhuskers piled up 451 yards.

Kansas Tries Many Passes.
Sixteen passes were attempted by Kansas. Only four or which were successful. Nebraska completed five out of seven attempts at passing. Not once during the game was Kansas penalized, though Nebraska was set back for a total of 75 yards by the referee.

Coach Schulte of Missouri, who saw the game from the press box, admitted that Kansas was in better shape than it has been for years.

Neither side did any scoring in the first quarter. Nebraska was twice within the Kansas 10-yard line, but was held for downs and sent back down the field on Lindsey's long punts. The second quarter opened with Nebraska in possession of the ball on the Kansas 38-yard line. A successful pass by Coley to Chamberlain sent the Nebraska end over the Kansas goal line on the first play of the period. Corey kicked goal.

Another March by the Huskers.
Again Nebraska began a march down the field and Chamberlain crossed the Kansas goal a second time after a steady progress of 63 yards by straight football. Corey kicked goal.

Again Chamberlain starred by a 45-yard run early in the third period. Corey failed to kick goal. Lindsey missed a drop kick at goal shortly afterwards and Nebraska again headed for the Jayhawker goal. Rutherford gained steadily on line plunges and end runs and Gardner went over, Corey kicking goal. In the final period Rutherford went over for the last touchdown of the game after the ball had been brought near the Kansas goal by a series of line plays.

COLUMBIA H. S. LOSES ANOTHER

Shelbina Wins Easily at Fairgrounds,
47 to 0.

The Columbia High School football team was no match for the heavier Shelbina team at the fairgrounds Friday afternoon. Shelbina won, 47 to 0.

The Shelbina team scored at will in the first half, making thirty-three of their forty-seven points. Raby, the 165-pound halfback, tore up the Kewpies' line. In the second half the Columbia team braced and held the visitors to two touchdowns, one in each half. But little open play was tried. Neither team could work the forward pass successfully. Petty played best for the local team.

Shelbina made seven touchdowns and kicked five goals after touchdown.

Pre-Journalists Will Organize.
Pre-journalists will meet tomorrow night in Room 100, Switzer Hall, to elect officers and plan their part of the Journalism students' stunt in the parade Thanksgiving morning.
