Listen, Men!

Why not have beautiful straight hair the same as women? Our Hawaiian Hair Preparations are not an experiment. The results have been proven. The Hawaiian will not burn the hair from the scalp nor turn it red like most other so-called straighteners will do. But, instead it gives a Thick Growth of Heavy Soft Silky Hair. We also guarantee our Hawaiian Tonic to restore gray hair to its natural color after five applications or money refunded. Complete outfit \$1.50. Send 10 cents extra for postage.

Music at the Kansas Industrial and Educational Institute

It has been said that music is the only sensual gratification which mankind may indulge in to excess without injury to his moral or religious feelings. And Shakespeare wrote:

If music be the food of love, play on;
 Give me excess of it; that, surfeiting,
 The appetite may sicken, and so die.
 That strain again; it had a dying fall;
 O, it came o'er my ear like the sweet south,
 That breathes upon a bank of violets,
 Stealing and giving odor.

The Kansas Industrial & Educational Institute, in its exposition of this art, aims to corroborate the truth of the above statements.

PIANO MUSIC

Six grades are taught. The school has nine pianos, thus affording the student ample opportunity for practice.

MUSIC ROOMS

Lessons in harmony also are given.

VOICE CULTURE

Students in the pianoforte department, with voices of excellent quality, are urged to take voice culture. However extraordinary a voice may be, and however talented the person, study is necessary to make the vocal organs responsive and smooth. Students in voice must have sufficient knowledge of piano music enable them to read readily at sight.

**INSTITUTE QUARTET
 BAND AND ORCHESTRA MUSIC**

This department enables the boys (as well as girls) to acquire a knowledge of wind instruments and instruments of percussion. A very popular department with the young men. The most skilled musicians of the band play in orchestra. Rehearsals are had every other day; ensemble playing at least once a week.

INSTITUTE BAND

The Kansas Industrial & Educational Institute extends a special invitation to students who wish to better themselves musically and mentally, as the course here is unquestionably strong, with competent and experienced teachers, and is one of the most popular divisions of the school's work.
