

OUT IN THE OPEN
Is where you get an impartial view of what is going on. We are always before the public "hands up" to show that our record as **DRUGGISTS TO BE RELIED ON** is a clear one and above reproach. Our busy store speaks for itself. The testimony of our friends adds weight to the evidences of our being the drug store to deal at. We want others, and that means you.

Made a Fine Showing.

G. E. Petty, who owns the West View Stock Farm in the suburbs of this city, and who has charge of the fine thoroughbred coach horse "Doris 2043," owned by the Versailles Coach Horse Co., made a great showing in the show ring at the fair last week. While the horse was not entered in competition with others, Mr. Petty held an individual colt show and the horse was exhibited and admired by the great crowds present. Seven of his colts were also on exhibition either of which was a prize winner, and no show in the country could make a more beautiful display from the standpoint of thoroughbred stock. Doris is admitted by stockmen who saw him to be one of the most perfect horses in the country.

J. T. Merriott's colt took the blue ribbon and Jack Begley's took second in this show.

In the hog show Mr. Petty's fine pens of Poland Chinas were by all odds the best shown. He had eight pens on exhibit, and captured both first and second premiums, yet there were a number of other fine specimens on display. Mr. Petty has taken great pains in building up the standard of his famous herd of Poland Chinas until at the present time they would be hard to beat in any show, as they are all perfect beauties and advertise themselves. Mr. Petty deserves the honor he received in his splendid showing of fine stock.

First of all, your interest demands absolute reliability. You want to know for a certainty that your money will be returned to you after your stock is sold—returned promptly, too. You want to be sure your stock will be sold for all it is worth on the market; a poor sale can undo your work of a long time. THEY APPEAL TO OUR SYMPATHIES.

The bilious and dyspeptic are constant sufferers and appeal to our sympathies. There is none of them, however, who may not be brought back to health and happiness by the use of Chamberlain's Stomach and Liver Tablets. These tablets invigorate the stomach and liver and strengthen the digestion. They also regulate the bowels. For sale by Muntzel Drug Co.

GRAVE TROUBLE FORESEEN

It needs but little foresight, to tell that when your stomach and liver are badly affected, grave trouble is ahead, unless you take the proper medicine for your disease, as Mrs. John A. Young, of Clay, N. Y., did. She says: "I had neuralgia of the liver and stomach, my heart was weakened, and I could not eat. I was very bad for a long time, but in Electric Bitters, I found just what I needed, they quickly relieved and cured me." Best medicine for weak women. Sold under guarantee by Muntzel Drug Co. at 50c a bottle.
