AFTER FIVE YEARS

Lexington Testimony Remains Unshakable. Time is the best test of truth. Here is a Lexington story that has stood the test of time. It is a story with a point which will come straight home to many of us. Mrs. Henry Brasch, Tenth & Main Sts., gave the following statement on December 4th, 1911: "I had bladder and kidney trouble and it was so severe I couldn't be on my feet. My back ached terribly and often made me cry out with the awful pain. My kidneys were sluggish my hands, limbs and ankles were swollen. I had blind, staggering headaches and at times I couldn't see. I used different medicines but it was Doan's Kidney Pills that gave me relief. I got them at Crenshaw & Young's Drug Store and I was more than pleased with the results they brought. On September 12, 1916, Mrs. Brasch said: "I confirm my former endorsement of Doan's Kidney Pills and allow it to be published so that it may help other sufferers. The cure has been permanent for at least four or five years and Doan's Kidney Pills deserve the entire credit." 60c. at all dealers. Foster-Milburn Co., Mfgs., Buffalo, N. Y.
