Kick a dog and he bites you. He bites you and you kick him. The more you kick the more he bites and the more he bites the more you kick. Each makes the other worse.

A thin body makes thin blood. Thin blood makes a thin body. Each makes the other worse. If there is going to be a change the help must come from outside.

Scott's Emulsion is the right help. It breaks up such a combination. First it sets the stomach right. Then it enriches the blood. That strengthens the body and it begins to grow new flesh.

A strong body makes rich blood and rich blood makes a strong body. Each makes the other better. This is the way Scott's Emulsion puts the thin body on its feet. Now it can get along by itself. No need of medicine.

This picture represents the Trade Mark of Scott's Emulsion and is on the wrapper of every bottle.

Farmers' Meeting.

Through the kindness of Geo. B. Ellis, secretary, we are pleased to announce a farmers' meeting to be held under the auspices of the Missouri State Board of Agriculture at Jackson on Friday, February 14 at 2 p. m. and 7 p. m. at the court-house.

The object of these meetings is to encourage the employment of more modern methods of farming for profit and diversification of farm crops. All of which should interest each and every member of this community.

In addition to local talent which will be present Messrs. N. F. Murry, H. J. Waters, M. Butterfield and others prominent in the work will be in attendance to give the benefit of their knowledge and experience.

In these meetings will be voiced the wisdom of practical men who have made a life study of the subject to be discussed, and no one who is interested in advanced methods of farming can attend without being benefited and gaining information of value. They solicit questions, suggestions and papers on any subject or topic pertaining to agriculture or horticulture.

This should be a matter of importance to all, and it is earnestly hoped that there will be a large attendance at each meeting.

Come, and not only favor us with your presence, but give us the benefit of your knowledge and experience so that others may profit thereby.

Tribute of Respect.

Whereas, Almighty God, in his wise providence, has permitted death to visit our church, taking from us Miss Myrtle Slack, one of our highly esteemed christian young ladies, who was regular in her attendance upon all the preaching services, prayermeetings, Sunday-school and the Epworth league; therefore be it

Resolved, That, as a church (including the Sunday school and the Epworth league) we extend to the father, mother, brothers, sisters, and other relatives, our heartfelt sympathies, and prayers that the presence of the Barden-bearer and Comforter may be felt in the lives of each of these sorrow stricken ones.

Resolved, That, in pondering the comparatively short life of our young sister, we may all strive more earnestly so to live that we shall meet her where sorrow and parting are unknown.

Resolved, That a copy of these resolutions, be given to the family, spread on the minutes of the quarterly conference record, Sunday-school record, and printed in the local papers.

Missourian Banquet.

A paper published at Las Vegas, New Mexico, fell into our hands a few days ago. In it we saw an article giving a glowing account of a banquet recently had at that place by about forty-four Missourians.

It was a memorable affair. The good things to eat were prepared by one of our Missouri women, and the table contained every thing which is near and dear to the heart of the old Missouri farmer. Among the bill of fare were yams, genuine lye hominy, corn bread, ham, 'possum, sorghum, pumpkin pie, and cider—all served like the Missouri mother used to serve it. Appropriate toasts were given, and befitting and eulogizing remarks were made by prominent men, who were present.

In all the remarks the speakers showed that they had not forgotten grand old Missouri. To show that the reminiscences of Missouri reached far back in the lapse of time one of the last speakers recited that true and trite poem, "My Name It is Joe Bowers, etc." The meeting was no doubt a very enjoyable affair, and it shows that Missouri has even furnished her quota of immigrants to New Mexico.

Worse than an alarm of fire is the brassy cough of croup, sounds like the children's death knell and means death unless something is done quickly. Foley's Honey and Tar never fails to give instant relief and quickly cures the worst forms of croup. Mrs. P. L. DeWitt's Witch Hazel Salve cures piles at once. For skin diseases, cuts, burns, bruises, all kinds of wounds it is unequalled. J. S. Gerall, St. Paul, Ark says: "From 1865 I suffered with the protruding, bleeding piles and could find nothing to help me until I used DeWitt's Witch Hazel. A few boxes completely cured me." Beware of counterfeits, H. L. Jones

Those of our farmer readers who do not take a farm paper will be well to take choice of one or the other of the following: The Farm and Fireside, and the HERALD; or the Live Stock Indicator, the Institute Edition, and the HERALD—either for \$1.25.

THE LAST HEARD OF IT.

"My little boy took the croup one night and soon grew so bad you could hear him breathe all over the house," says F. D. Reynolds, Mansfield, O. "We feared he would die, but a few doses of One Minute Cough Cure quickly relieved him and he went to sleep. That's the last we heard of the croup. Now isn't a cough cure like that valuable?" One Minute Cough Cure is absolutely safe and acts immediately. For coughs, colds, croup, grip, bronchitis and all other throat and lung troubles it is a certain cure. Very pleasantly to take. The little ones like it. H. L. Jones.

To the Public.

It was no deception, and we meant every word of it when sometime ago we advertised our stock of goods for sale. We found it impossible to close out such enormous stock at retail, no matter at what discount offered, without almost giving it away. This we could not afford to do. We have also failed to close out in bulk after repeated efforts and trials. But we have greatly reduced our stock which is now in splendid shape. We have moved our grocery department into our main store, thereby reducing rents and other expenses.

And as we have failed to sell out we have decided to continue in business, and will sell goods cheaper than ever before. We are already receiving new goods, and circumstances allow us to sell very cheap.

Come and investigate for yourself. Bring us your produce. Give us a call. Respectfully,
