## OUR SALUTORY.

GOOD MORNING Friends, and Readers of the WORLD'S CRESSET, since our last talk with you in the CRESSET, we crossed the Missouri line, and we are now in Arkansas, near Leachville in Mississippi County. But this does not break the ties of Friendship, between us and our friends in Old Missouri, nor any place else wherever we may have any. And THE WORLD'S CRESSET will come to you with its stream of light, from its New Location as free as when it spread its wings in Old Missouri.

And we shall be as determined to fill the minds of our Readers with the Word of God, as a hungry man at a full table, to satisfy his hungry appetite.

For this reason we say to our Friends in Missouri, and other States, that we shall never forget the past help, that you have given to us, and we beg your continuation of Friendship and Help. And will say further, to those Friends, and all who may become Friends in Arkansas, we beg your Friendship in helping to give to others the Beautiful Light of Divine Truth.

THE WORLD'S CRESSET will come to your homes every week, unless some preventing providence. And in our New Home we shall work for the good of mankind in general, and in this manner, try to do the most good for the most people.

## OUR CHANGE.

The change that we have made in our location will call for a reputation of our foundation in regard to the teachings of the Word of God as we have many new subscribers we shall for this reason repeat many of our former sermons, we shall give you the difference between Creation and Formation as the word teach the difference So dear readers look for it and be benefited by it, by a true understanding of the

## Our New Home

We are now located within two miles of Leachville Ark. on land owned by Hon. S. L. Culler of Bunker Mo, on land, at the present, could be called nothing but a vast howling wilderness, which we must at the present believe that God has spoken of in this manner.

"And the work of righteousness shall be peace; and the effect of righteousness, quietness, and assurance for ever.

And my people shall dwell in a peaceable habitation, and in sure dwellings, and in quiet resting places;

When it shall hail, coming down on the forest; and the city shall be low in a low place.

Blessed are ye that sow beside all waters that send forth thither the feet of the ox and the ass. Isa. 32-17-18-19-20

For we must say that we come here for more than one purpose. 1st from a natural standpoint to clear up Mr Culler's land and make it a fruitful field.

2nd. From a spiritual standpoint to establish righteousness, both, naturally and spiritually for there must be a restitution of all things, which is spoken by all the HOLY PROPHETS, since the world began. Therefore righteousness, and peace must be brought to the world. And while the peace proposition is being discussed by the world of nations, we in this part of God's land and country shall do all we can to set forth, this great proposition in our new home, in living it. And that too, for the purpose of letting the world see our good works, so that they too may glorify the great God of heaven.

For this purpose we must say that we trust, that our labor here in our new home may be the cause of this scripture being fulfilled, please read.

"Repent ye therefore, and be converted, that your sins may be blotted out, when the times of refreshing shall come from the presence of the Lord;

And he shall send Jesus Christ, which before was preached unto you:

Whom the heaven must receive until the times of restitution of all things, which God hath spoken by the mouth of all his holy prophets since the world began. Act. 3-19-20-21

Yes dear reader there must be a restitution of all things spoken by all the holy prophets since the world began, before Christ will come the second time.

And this restitution must bring to the world a covenant of

everlasting peace and the glory of the righteousness of the land shall cover the earth as the water covers the sea. And we shall say that we feel quite thankful for the offer made to us of our new home by the Hon. Mr Culler of Bunker. And also for giving us our Business association with his Hon. Agent Mr J. F. Rotherick the banker of Leachville Ark. For this and all other good reasons we shall try hard to be of great service to our land Lord, our neighbors, and mankind in general—in our new home and fine location inviting every body to come to Church, especially after we get our New Church and hear the Everlasting Gospel preached, and lived every day by the JAH Ville Colony people.

## Dear old Readers of the Worlds Cresset.

We come to you again from our new field, with our arms open to you as ever, and pray that our new readers may turn in with the offered mercies of God, and be saved from this untoward world, which is taking all the advantage of the ignorance cast over the people by the veil cast over all nations—With the image set up by the second beast John saw rise up out of the earth, with two horns like a lamb and spake as a dragon, and made all the world to wonder after the first beast. For this reason Dear Old CRESSET readers we will have to go over the same grounds we have many times spoke to you about. But it will only be refreshing your minds with the great truths of the Bible, which we say cannot be told too often. And at all times, bring new light to us. For our new readers has not had the privilege of reading of the two men one created on the sixth day. Gen 1 26 27 and the other one formed after the 7th: day Gen. 2nd. 7. So look for the truth as it comes to you thru the CRESSET.

## Sayings of Great Men on the peace LEAGUE.

(Clipped from some late papers.)

## Reed And Washington Are joined for 1920. old vs new Americanism

THE SENATOR FROM MISSOURI SCENTS A PARTY SITUATION THAT WILL MAKE HIM THE LEADER OF THE OLD THOUGHT.

## THIS IS WHAT HE SAID.

"I desire to ask the attention of the Senate to some rather brief remarks touching the proposed league of nations. I shall not be able in the time limited, to enter into a complete analysis of that great subject, I hope merely to throw out a few suggestions which may possibly be of some use at a time like this.

"At the beginning I shall breach a senatorial precedent by reading a statement by George Washington. I know that Washington is very much out of fashion; His memory and teachings are fading from the minds of modern statesmen.

Nevertheless, out of reverence for the past I challenge your thought to these words by Washington in the very sunset of his life, when looking backward through the mellow light of experience, he surveyed the history of mankind, and when he was also able to catch a prophetic vision of the mighty republic of today. Let me implore your attention.

"Against the insidious wiles of foreign influence, (I conjure you to believe me fellow citizens) the jealousy of a free people ought to be constantly awake, since history and experience prove that foreign influence is one of the most baneful foes of republican government \* \* Real patriots who may resist the intrigues of the favorite are liable to become suspected and odious while its tools and dupes usurp the applause and confidence of the of the people to surrender their interests." etc.

## WAR SURE TO COME AS LONG AS SIN EXISTS, SAYS MARSHALL.

Only when powers accept peace at any price will nations league avail, He asserts.

Friction may be ended by trade reciprocity.

Voices opposition to government ownership but prefers it to ship subsidy.

## Nations' League Only can Save Germany States Von Bernstorff.

Former ambassador breaks silence maintained since his recall early in 1917.

Expresses great hope in efforts of Wilson.

Denies emphatically he was ever implicated in any conspiracies in this country.

## THE "NEW AMERICAN DOCTRINE."

Senator Knox has joined the chorus of voices warning the United States against "serious international entanglements." While the President is making history for us on European soil, and is collaborating with the leaders of the allied nations as they seek to make peace

permanent. Mr. Knox talks about the extension of the Mource Doctrine and promulgates what he terms an entirely new "American Doctrine," which he sees emerging from the present world situation.

## LODGE WOULD PUT OFF NATIONS' LEAGUE SCHEME.

Washington, Dec. 21,—calling President Wilson's league of nations idea "captivation and attracted," Senator Lodge,

Republican floor leader today seriously questioned its practicability as a working plan to keep the peace of the world.

Attempt to form an effective league now, Lodge said can only lead to "embarrass the peace that we ought to make at once with Germany.

"Intelligent discussion becomes difficult when the league of nation drape themselves in trailing clouds of glory and omit to tell us conditions to which they propose to bind the nations," Lodge added.

He followed with a series of questions as to who would be members of the league whether Germany is to be included and whether small nation are to have a vote equal to the large ones. Lodge urged postponement of discussion of these five of the President's 14 peace terms until a satisfactory and binding peace treaty has been signed:

- League of nations.
- Freedom of the seas.
- Secret diplomacy.
- Economic barriers.
- Reduction of armaments.

Declaring that Germany did not change its nature overnight when the Kaiser ran away to Holland," Lodge demanded a peace treaty packed by physical guarantee that would make it impossible for that country "to break out again upon the world with a war on conquest."

## "JUSTICE TO IRELAND WILL PROVE WAR'S AIMS WERE WON, CORDINAL O'CONNELL

IN RINGING SPEECH, AT MASS MEETING, HE URGES THE POLITICAL WRONGS OF THE "OLDEST AND MOST CHRISTIAN" OF ALL THE PEOPLE BE RIGHTED AS EVIDENCE TO THE WORLD THAT THE REIGN OF JUSTICE HAS COME.

His Eminence, Cardinal O'Connell of Boston, delivered a notable address at the Madison Square Garden (New York) meeting, Tuesday night, Dec. 10, on the occasion of the great public demonstration for the settlement of the Irish question. The Post-Dispatch herewith presents the text of his speech:
