

CITY GOAL \$407,600; COUNTY'S \$1,098,000

Fourth Liberty Loan to Total Six Billion Dollars in Nation.

WILSON TO SPEAK President Will Open Campaign in New York Friday Night.

By United Press.
WASHINGTON, Sept. 25.—President Wilson will open the \$6,000,000,000 Liberty Loan campaign in New York Friday night, it was officially stated today.

Columbia must raise \$407,600, and Boone County \$1,098,000 as their shares of the greatest loan ever floated by the United States.

These figures were telegraphed today to Liberty Loan workers here from headquarters in St. Louis. They are based on the announcement of William G. McAdoo, Secretary of the Treasury, that the Fourth Liberty Loan will be for a total of \$6,000,000,000—double the size of the nation's largest previous loan.

Quotas for other places in Boone County are:

Centralia	\$67,600
Sturgeon	27,100
Hallsville	47,600
Harrisburg	7,850
Rocheport	10,250
Hartsburg	13,400
Ashland	11,520

Pay in Installments.
Volunteer Day subscriptions may be made upon payment of only 10 per cent of the value of the bonds bought. Thus a \$10 payment will be sufficient to enter a subscription for a \$100 bond.

Twenty per cent will be due November 21, 20 per cent December 19, 20 per cent January 16, and 30 per cent January 30.

The interest rate will be 4 1/2 per cent the same as on the Third Liberty Loan. The bonds will be dated October 24, five days after the close of the subscription period, and the first interest payment will be made next April 15, 1918. It will be for the 173 days intervening. Thereafter, semi-annual payments will be made October 15 and April 15. The bonds will fall due October 15, 1938, but may be called in as early as October 15, 1933.

Congress has recently completed and sent to President Wilson the administration bill designed to stimulate the sale of Liberty Bonds by exempting from income, surtax and war excess profits taxes the interest on such bonds held in amounts not in excess of \$50,000 of the fourth issue and \$45,000 of the first, second, and third issues.

Reports Are Wanted.
J. Kelly Wright, county director of sales, asked today that persons living in the Columbia school district, but outside the city limits, should call at Liberty Loan headquarters, 911 Broadway, in the next few days. Reports are wanted from these persons on their form subscriptions to Liberty Loan, Red Cross campaigns and similar war funds.

"We'll get such reports from persons living in the city through the committees that will canvass the town beginning Tuesday," said Mr. Wright. "We also have such reports from other school districts. If persons living in the Columbia district but outside the city will volunteer this information we can complete our files. Otherwise we will be put to the inconvenience of calling on them."

"These reports are for the protection and interest of the persons reporting, so that we can decide justly on their quotas for the fourth loan."

Y. W. C. A. COLLECTS FUNDS Expects \$500 From 425 Members—To Be Used for War Activities.

The Y. W. C. A. finance drive began this morning. The finance committee is divided into two divisions, the red and the blue, and every woman who joined the association last week will be expected to show her colors today. The latest reports show that all are liberally contributing, none giving less than a dollar and many giving more. All those who find it more convenient to pay later may make their pledges now and wear a tag. The campaign will last until Monday, although contributions may be made after that time. From the 425 members who joined last week it is expected that at least \$500 will be received. This money will be used in various war activities, and for the upkeep and enterprises of the Y. W. C. A.

Many FBI Questionnaires Here.
Times are busy now at the Courthouse. The corridor on the second floor and the adjoining rooms are filled with men who are in the new draft. The lawyers of Columbia are giving over their office hours to filling out questionnaires. About fifty men came to Columbia today from the country with the idea that they could get into the vocational section of the S. A. T. C. Their draft board will decide this, however.

THE WEATHER

For Columbia and vicinity: Unsettled this afternoon, tonight and Thursday morning probably with showers. Cooler Thursday, probably clearing in afternoon.

For Missouri: Unsettled tonight and Thursday, probably showers except generally fair Thursday northwest portion. Cooler Thursday and northwest portion tonight.

Weather Conditions.
The low pressure wave with its accompanying cloudy skies and unsettled weather, is the dominant feature in most of the territory lying between the Rocky Mountains and Mississippi River. Eight rains have been general in the Missouri Valley to and including the western part of Missouri. The unsettled conditions will travel eastward.

Temperatures are somewhat higher in the Central Valleys and Plains; somewhat lower in the Northwest, and nearly stationary in the East.

A high pressure wave, attended by clear and cool weather, is traveling southeast out of the British Northwest. It will dominate the weather in the Plains and Central Valleys during the next two or three days, and temperature will be near the frost value in Columbia about Friday night.

Local Data.
The highest temperature in Columbia yesterday was 78; and the lowest last night was 57. Rainfall 0.00. Relative humidity noon yesterday was 49 per cent. A year ago yesterday the highest temperature was 82 and the lowest was 51. Rainfall 0.00.

(Summer Time) Sun rose today, 6:59 a. m. Sun sets, 7:02 p. m. Moon rises, 10:45 p. m.

TO MORE OFFICERS FOR S. A. T. C. HERE

Men in Command Favor Promoting Athletics and Contests Among Men.

Ten more commissioned officers have been assigned by the War Department to report to the University of Missouri unit of the S. A. T. C. and are expected to arrive within the next week.

Captain F. H. Coester, second in command, and Captain James A. Kinsella, commander of the vocational section, are of one accord in regard to promoting athletics.

"I am for football and every other physical contests among the men of my command because it promotes the morale," says Captain Coester. "I believe in a good contest of any kind because it welds the men together and makes good fighters of them. It fosters pride and spirit that cannot be beaten. That's what we want."

It has been intimated that the fate of intercollegiate football will depend upon the commanding officers of the various S. A. T. C. units.

About fifty application blanks for the central officers' training camps have been given out to students since last Saturday and they are being passed upon daily, according to Lieutenant James S. Shaffer. No orders have been received as yet for sending these men to camp. The three officers' training camps of this zone are Camp Taylor, Louisville, Ky., artillery; Camp Pike, Little Rock, Ark., infantry; and Camp Hancock, machine guns.

A large number of houses have been submitted for rental to the Government as barracks and a complete report of the committee on examination of houses will be submitted to President Hill today if he is in town.

MISSOURI MEN LIKE ARTILLERY They Get to France, Too, Writes Capt. Vernon Cox, '16-17.

"Our men get to France; they do not spend their time mowing the lawns around forts on our seacoasts," writes Captain Vernon C. Cox from Fort Monroe, Va. Captain Cox was a student here in 1916-17. This letter tells of the opportunities offered by service in the Coast Artillery.

A bulletin inclosed gave detailed information. This may be obtained by writing to "The Commandant, Coast Artillery School, Fort Monroe, Va. Attention of Communication Officer."

"The Heavy (Coast) Artillery, according to the bulletin, is furnishing regiments to man guns of six-inch caliber and above, and all the large howitzers. To furnish officers for these organizations a three months' training course has been established at Fort Monroe. Each Saturday, beginning with September 14, 1918, two hundred men will be taken into the school and upon successful completion of the work the group will be commissioned."

"It is essential, that the candidate have a thorough working knowledge and not a smattering of trigonometry and logarithms. The course does not necessitate an engineering education or any particular technical training. "The Heavy (Coast) Artillery has the equipment and the personnel to handle this school. Those in charge have been on the Western Front and know what should be taught."

Lieut. William Fellows Visits Here.

Lieutenant William Fellows, who received a commission as second lieutenant at Fort Sheridan left today for Camp Grant, Rockford, Ill., after visiting his mother at 605 Sanford place. He has been assigned to a depot brigade.

Savitar Staff to Meet Tomorrow.

All members of the Savitar staff, including freshman and sophomore assistants and all others interested in annual work, are requested to meet at the Missouri Union Building tomorrow night at 7:30.

HERTLING AGREES TO WILSON PEACE PLAN

Fourteen Demands of President Are Accepted "in Principle."

REICHSTAG UNEASY Chancellor's Speech Is Considered Unequal to Gravity of Situation.

By United Press.
AMSTERDAM, Sept. 25.—Chancellor Von Hertling says he is ready for peace based in principle upon President Wilson's fourteen points.

This statement, according to advices received here today, was made in the chancellor's speech to the main committee of the Reichstag yesterday. The chancellor declared he had evinced such readiness in his speech of February 25, to which, however, President Wilson had not made a reply.

Members of the main committee are reported to be dissatisfied with Von Hertling's speech, considering it unequal to the gravity of the situation. Party leaders of the Reichstag were to meet this morning to decide their attitude toward Von Hertling.

"We desire general disarmament and freedom of the seas," Von Hertling declared.

"Humanity shudders at the thought that this terrible war may not be the last. Is it not possible for peace-loving nations to set right 'bove might?' President Wilson's idea of a league of nations has my entire sympathy on conditions of equal rights for all states.

"The authorities of the enemy countries by an unparalleled campaign of lies and calumny have succeeded in obscuring the truth. If arbitration can be employed in future international quarrels it will be a great step forward. The question of a guarantee insuring respect for the decision of the court may be seriously and thoroughly discussed."

But Hints Talks Fight.

By United Press.
AMSTERDAM, Sept. 25.—"Germany is preparing to oppose her whole strength against the enemy," Foreign Minister Hintz declared in addressing the main committee of the Reichstag, according to advices received here today.

"Special attention must be drawn to the efforts in Northern Russia," he said.

TO SAVE PAPER AND TIN Food Administrations Restrict Use of Butter and Coffee Containers.

Tea and coffee will be sold only in non-metal containers as soon as the present supply of tin containers is used up, it was announced by the Food Administration today. This is due to the scarcity of tin and is a measure of conservation.

Coffee is to be sold at retail only in one, three, and five pound quantities, and tea will be packed in one-quarter, one-half and one pound containers. Square packages will be used as far as possible to save packing space. The packing and shipping cases will be of fiber to save the lumber ordinarily used in wooden packing cases and as a conservation of the steel in the nails. The sale of butter in less than one pound cartons will be prohibited after January 1, 1918, according to an amendment made by the Food Administration. This was to have gone into effect September 5, 1918, but in order to prevent the waste of paper and cartons now on hand, this order was amended.

No quarter or half pound prints can be made or sold. However the retailer may cut any unit of a pound or more and sell a portion to consumer. This rule will result in the saving of paper as it takes much more to wrap the quarter and half pound prints. It will also result in the saving of cartons and labor necessary in putting up the butter.

BOHEMIANS SING BEFORE BATTLE Soldier Says Nation Is Raised to Life After 300 Years of Silence.

The American lads are not the only soldiers who look upon singing as an important part of military life. The Bohemians too are great singers. Immediately after the recognition of the Czechoslovak by France, one of the Bohemian-American boys in the army wrote to his family:

"We sing going to and from the drills, and we sing in our barracks. Imagine the French mountains echoing Bohemian and Slovak songs. And when we sing, it is real singing. At first I could not understand why, but now it is clear. After three hundred years of silence, our nation is raised to life again, and is taking its place, which until now has been usurped by Austria. For the first time since the Battle of the White Mountain in 1620, our troops are fighting for the Czechoslovak cause. It was no wonder that they broke through the Austrian line."

Archbishop Ireland Is Dead.

ST. PAUL, Minn., Sept. 25.—Archbishop John Ireland of the St. Paul Diocese of the Catholic church for thirty years died at 3:55 this morning.

FACULTY DRILL TOMORROW

First Formation Will Be at 4:10 Tomorrow Afternoon.

The first drill of the faculty military company has been postponed to Thursday of this week at 4:10 o'clock. The company will form at that time south of Academic Hall for organization.

Addressing the faculty company last Friday night, Major Charles M. Gordon asked the company to help him in the performance of certain special duties in the training of the S. A. T. C. The work of the company will be mostly in the theory and practice of infantry combat, reconnaissance, liaison and patrol work under the personal command of Major Gordon.

One of last year's officers says they are hoping to have at least six full squads out this year. He also said a limited number of new recruits for the faculty company will be given special military training along more elementary lines for a short time.

In case of rain the faculty company will meet in 314 Academic Hall, their last year's meeting place. All former members have been notified to appear in uniform.

TO FIGHT INFLUENZA

S. A. T. C. and University Officials Endeavoring to Keep Disease From Columbia.

Officers of the S. A. T. C. have stopped issuing passes to students to leave town on account of the spread of Spanish influenza throughout this country. Captain William O. Hill said this was done on advice of Dr. Guy L. Noyes as a precautionary measure.

Doctor Noyes emphasized that Columbia was not quarantined and that there was no way to establish an effective quarantine without the aid of the state health department.

Doctor Noyes also said there was no cause for worry in Columbia and that the military authorities were taking this step to prevent students from traveling over the state and subjecting themselves to infection.

Doctor Noyes said Columbia need not worry but that precautions should be taken. Avoid crowded assemblies and the like, he urged.

The mode of transmission of the disease is by direct or indirect contact through the use of handkerchiefs, common towels, cups and other contaminated articles.

In a statement issued by Dr. Dan G. Stine today, he said: "Persons wishing to avoid the disease should stay out of crowds or when that is impossible, should have a clean pocket handkerchief that can be held over the mouth as a mask."

"Students should refrain from leaving town on visits nor should they arrange for friends or relatives to visit them. Every one with a cold should be regarded and should regard himself with suspicion."

Professor O. M. Stewart received a telegram today from the Great Lakes Naval Training Station saying that his son, Lawrence Stewart, is seriously ill with Spanish influenza and pneumonia. He was a student in the University last year and enlisted in the radio department of the Navy last spring. He is a member of the Phi Kappa Psi fraternity.

ODD FELLOWS OF COUNTY MEET

Delegates From Seven Lodges Present at Opening Program.

The annual meeting of the Boone County Odd Fellows Association opened this evening with a program open to the public. Representatives from the Hallsville, Columbia, Ashland, Hartsburg, Rocheport, Woodlandville and Hinton lodges were present. The meeting opened with a reading—"Uncle Peter's Masterly Argument"—by Mrs. J. E. Brossart. Mrs. Cecil Griffith next gave several selections on the piano. The songs of the Fourth Liberty Loan campaign were sung by a chorus of girls from Christian College. Following this, five-minute speeches were made by different members of the association.

The officers of the Columbia lodge are: Noble grand, Foster Thurston; vice-grand, Leslie Proctor; recording secretary, Leslie Eubank, and financial secretary, L. Hopper.

The Hinton Initiatory Degree Staff will confer the initiatory degree tonight and the Columbia First Degree Staff will confer the first degree.

COMMONS FOR S. A. T. C. ONLY

Other Person to Be Excluded After Next Monday.

A statement by President Hill today said:

"On account of army regulations as applied to members of the S. A. T. C. it will be necessary to exclude all who are not member of the S. A. T. C. from the University Commons after Monday, September 30."

"Just what arrangements can be made for furnishing meals to other students cannot be stated at this time, for it is necessary in this period of readjustment to solve one problem at a time."

"The matter will be brought to the attention of the Executive Board at the monthly meeting, which will probably be held in Columbia on Saturday, September 28."

FACING INVASION, BULGARS PLAN EFFORTS FOR PEACE

Driven Back on 90-Mile Front, With Allied Armies Only Three Miles From Frontier, Balkan Ally of Germany Sets Stage for Diplomatic Move, Washington Hears.

MAY BAR THE TEUTON'S PATH

Failure of Kaiser's Ambition to Dominate Near East May Be Result of Situation—Discontent Seethes at Home While Entire Macedonian Front Seems About to Blaze Up.

By United Press.
WASHINGTON, Sept. 25.—Bulgarians are setting the stage for a peace move through which the Allies may be able to block the German's path to the East, Entente diplomats indicated here today.

Reeling under the combination of a disastrous rout on ninety miles of Macedonia front and seething discontent at home, Bulgarian officials are being pressed hard toward an appeal for peace. Preliminary moves are already under way it is understood.

Italian Troops Advance.

By United Press.
LONDON, Sept. 25.—Italian troops have begun to advance in Albania, according to unofficial press reports received here today via Paris.

There is no indication yet that this reported movement has been linked up with the 100-mile Allied offensive in Macedonia, but it is believed the entire 300-mile front from the Adriatic to the Aegean may soon be ablaze with activity.

The reported advance in Albania is timed to coincide with apparent preparations of invasion of Bulgaria. The Allies, according to latest advices, are within about three miles of the Bulgarian frontier on a front of about thirty-seven miles, extending from the village of Trumita on the east bank of the Vardar in Serbia to the vicinity of Malitza east of Lake Doiran in Greek territory.

Bulgarians Retreat Farther.

By United Press.
LONDON, Sept. 25.—The Bulgarian army opposing the Allied center is retreating upon Veles, 30 miles north and east of Prilep, it was announced in the Serbian communique covering Tuesday's operations, which was received here today.

The Allied advance is continuing north of the Prilep-Gradsko road.

40,000 TURKS TAKEN

British Continue Pursuit of Foe East of Jordan River.

By United Press.
LONDON, Sept. 25.—More than 40,000 prisoners have been taken by the Allies in their Palestine offensive, it was officially announced today. The number of guns captured has been increased to 265.

In pursuit of Turkish forces east of the Jordan British forces are approaching Emman on the Hedjaz Railroad. North of this station important demolition of railroads has been effected by Arab troops. The Arabs also are pressing the enemy retreating northward from Maan toward Amman.

TO MAKE S. A. T. C. BRASSARDS University Women Will Supply Men With Distinguishing Marks.

The University women, through the Self Government Association, will make the brassards to be worn by the men in the S. A. T. C. These brassards will be for the purpose of distinguishing the man who has had a minimum of three years training from the one with only one month's training.

The following colors for the bands have been decided upon: For a minimum of three year's service, red; for a minimum of two year's service, blue; for a minimum of one year's service, yellow; for a minimum of three month's service, white with a horizontal and three vertical bars of black; for a minimum of two month's service, white with three vertical black bars; and for a minimum of one month's service, one black horizontal bar.

Daughter to Mr. and Mrs. L. Gaddum.

Mr. and Mrs. Leonard Gaddum announce the birth of a daughter this morning who has been named Florence Marian. Mrs. Gaddum was Miss Louise Babb, daughter of Mr. and Mrs. J. G. Babb, and is a graduate of the University. Mr. Gaddum was a senior in the School of Medicine last year.

Suffrage League Will Meet Tomorrow.

The Columbia Equal Suffrage League will hold its regular meeting at 7:30 o'clock tomorrow night at the home of Mrs. W. E. Harshe, 400 South Sixth street.

No Mrs. Zula Case could be found by the Western Union officials, nor was the name known at the Postoffice.
