

BUMPER CROPS ARE PREDICTED FOR THIS AREA

Prospect for Large Yields Throughout This Section Are Better Than Last Year.

FARM LABOR ABUNDANT Prices of Crops Gathered Is Large Enough to Return Good Profits to the Producers.

Reports of the U. S. Department of Agriculture and those of the several states in the Eighth Federal Reserve District covering May and the first half of June almost unanimously indicate improvement in crop conditions, and prospects for large yields.

HARVESTING IN FULL SWING

Harvesting of winter wheat in the district is in full swing, and in the southern sections has been completed.

LIGHT VOTE IS BEING CAST IN PARK ELECTION

Total Number of Ballots in City at 3 O'clock Is Only 248—First Ward Leads.

GENERAL APATHY SHOWN

Officials Believe That Majority of Voters Are in Favor of Tax Proposal.

An unusually light vote had been cast for the special tax levy at 3 o'clock this afternoon. A total of 248 votes were counted in the four wards.

The votes by wards at that time were: First ward, Brown's Confectionary, 50; second ward, Boone County Courthouse, 71; third ward, basement of Elk's Lodge, 80; fourth ward, Stone's Garage, 47.

The light vote indicates apathy on the part of the citizens of Columbia, says W. B. Killiber, one of the judges at the second ward.

Dogs Are Plentiful, But Babies Few When "the Play's the Thing"

The hardest thing for a stage manager to get is a live baby and the easiest thing is a dog, says B. E. Hatton, for eight years manager of the Haden Opera House which once stood where the new building of the Boone County Trust Co. is now.

"Whenever I found that a play required a baby, I always tried to get the director to use a doll or my boy Edmond," said Mr. Hatton, "because it was well impossible to get any Columbia mother to part with her baby even for a whole row of complimentary tickets."
