It is not our desire to run whiskey and beer advertisements, in a local option town, but there is about \$1,300 tied up in this printing establishment, and it must be made to pay its way. Those people who kick on this class of advertising can very easily overcome the objectionable feature by giving us sufficient patronage to live without this class of advertising. If you can't do this, keep your peace. This paper is going to make a living. We have no money to sacrifice. It must pay its way; and while we respect the feeling of every one, we also respect the feeling of self and family, and when we earn money in a lawful way, from a lawful business, permitted and protected under the laws of our country, we feel that we have done well. This is our position, exactly as stated in the first issue of this paper.

On the first Sunday in August will be children's day at Braggadocio. Protracted meeting will begin, and the M. W. A. will give a dinner.

An adjourned term of Probate Court will be held on Monday, June 14, for one day only. Those having probate business remember the date.

Virg. P. Adams and daughter, Miss Iona, and Misses Mona Juden and Dena Beasley formed a company that left for the reunion at Memphis Sunday afternoon.

When you see a cross mark on your paper, made with a pencil, it tells you that your subscription is out and we ask you to renew at once. Not hearing from you promptly, we will stop the paper.

Sheriff Franklin and Frank Klingsmith captured Ed Mitchell and Rose Ayers at Sikeston Tuesday night. Miss Ayers was carried home by her father, and Mitchell was landed in jail.

For sale at a bargain—one of the nicest residences in town, corner, near busin-ss, 7 rooms, 2 stories, 2 or 3 lots and 4 lots on opposite side of street. J. N. Clemens, Tyler or C. W. Frick, Hayti. 51tf

Bob Elliston possesses a young brown eagle, which he bought a few days ago, and which is getting along nicely. He has it confined in a large cage at his store, and it attracts a great deal of attention.

Ice users should get our coupon books. Saves worry and time making change, avoids mistakes, always ready. Terms cash. Money refunded any time. Books carried on wagon. Hayti Storage. 30tf

At the meeting of the City Council Saturday night much important business was under consideration, but being in an unfinished state, we will not mention it now. City Marshal Leller was appointed street commissioner, and Charlie Wells was appointed to audit the books.

"foraging" on his neighbors. We could tell of many such people in this town. People would think it awful for a neighbor to let his cow run at large and devour everything in sight, yet an old hen, in five minutes, can put the fixings to a nice bed of flowers, and a dozen frying sized chickens can ruin the best garden. People who own chickens in town usually let their neighbors raise them. The best law against such nuisances is for the plaintiff to legislate his own law and have chicken pie about every other day. This law works like a charm.

Everything moves on hinges, and tact is a good lubricator.

Epilepsy, Fits

"My son was cured of a very bad case of epilepsy with Dr. Miles' Nervine." MRS. D. BAKER, Cleveland, O. "My little daughter who was afflicted with St. Vitus' Dance is now entirely well after taking Dr. Miles' Nervine only four months."

MRS. C. G. BENNETT, Alma, Mich.

Epilepsy, Fits, St. Vitus' Dance and Spasms, are all nervous diseases. They have been cured in so many instances with Dr. Miles' Nervine that it is reasonable to conclude that it is almost sure to cure you. With nervous diseases of a severe type, persistent use has almost invariably resulted in a complete cure or lasting benefits, worth many times the cost of the remedy. The best evidence you can get of its merits is to write to those who have used it. Get a bottle from your druggist. Take it all according to directions, and if it does not benefit he will return your money.

A new real estate and loan company has been formed, consisting of Virg. P. Adams, Simeon E. Juden and Von Mayes, under the style of the Adams Realty and Loan Co. We wish the new company success and hope the people will encourage them, for they will advertise the town and county and help to build it up. A good, live real estate and loan agency is the best thing a town can have.

Special Notice

I take this opportunity to inform the public that I have purchased the saloon business formerly known as the Tom Johnson Half-Way House, at Caruthersville. I will appreciate the patronage of my friends and acquaintances, and invite you to call and see me when in town.

HAYTI CIVIC LEAGUE

The Old Maids, Young Maids and Matrons Give a Play—"The Old Maids' Club."

The "Old Maids' Club," played by the Civic League at the city hall last Thursday night, was a success, and greatly enjoyed by all present.

There was a continual laugh from start to finish, and each part was played well. The ladies are to be congratulated on their excellent work.

The receipts would have been much greater if the price of admission had been more.

The financial report of the Civic League is as follows:

Door receipts	\$27.20
Disbursements:	
Printing	1.00
To boys for carrying banner	50

For red hearts	15
For tacks	10
For gum drops	10
To I. Kohn for grading on sq.	8.00
For Tuning piano	3.00
Total	12.85

This leaves a balance of \$14.35 to be paid for work on grading, after work is done.

From the above it will be seen that the ladies are putting this money to good use, and the town owes them much gratitude.

Proclamation.

To the Citizens of Hayti: Whereas, a great number of premises and out houses in the City of Hayti are in an unhealthy and unsanitary condition; and, Whereas, the condition of said premises and out houses are such as to endanger the health and general welfare of the people of said city; Now, therefore, I, John T. Buckley, Mayor of the City of Hayti, by virtue of the authority in me vested by the law and the ordinances of said city, direct and require every owner, lessee and occupant of such premises and out houses to proceed at once and put same in a clean, healthy and sanitary condition, on or before the 15th day of June, 1909; and every person who fails, neglects or refuses to comply with this requirement will be prosecuted and dealt with as provided by ordinances of said city.

Every one should feel enough pride and interest in the health, beauty and general welfare of our city to make a special effort along these lines. It will be a small effort on each one's part, and the benefits cannot be overestimated.

This June 1, 1909.
JOHN T. BUCKLEY, Mayor.

EXCHANGE NOTES

Sikeston Herald: Frank E. Mount was at Hayti on business the first of the week.

Campbell Citizen: Jessie Gwin, the crack ball twirler for the Caruthersville base ball team, was a visitor Sunday and Monday.

Dunklin Democrat: Postmaster Dunmire and wife were at Hayti, Sunday and Monday, to see their grandson, Master Ernest Lefler.

Steele News: The town of Steele is cursed more now with drunkenness, disturbing the peace, loud and vulgar language that would cause the quills of the fretful porcupine to stand erect, than when saloons existed here.

Dunklin Democrat: Kennett is proud of its new standard-gauge railroad, for the line some envious people have dubbed the "Sawdust Central," is now equipped with a regular, broad-gauge engine, and a lot of cars. Soon, we can reach Piggott, over the new line, and get south without having to remain in any town twelve hours.

Dunklin Democrat: The Strother-McFarland case, from Caruthersville, tried here this week, should be a lesson to tax-dodgers. McFarland, collector of the revenue, was but attempting to collect state and county taxes. The law made it his duty to levy. He may have got hold of property claimed by the wife; but as it was a family carriage, most likely paid for by the husband, he had a right to sell it. Tax-dodging is altogether too common.

Sikeston Hornet: Hon. David Ball, late candidate for governor and Senator R. B. Oliver, accompanied by James E. Smith, Sr., of this city, are now in Washington seeking a pardon for the Smiths of peonage fame. In addition to carrying with them a petition signed by several thousand people residing in different parts of Southeast Missouri, it is said that the gentlemen bear a message from Hon. Pat Dyer, the prosecuting attorney, and the trial judge recommending a pardon.

Clarksville Piker: We notice from the Bowling Green times that a man wants to know the law on chicken
