

CHRISTMAS GOODS

By means of the following suggestions we are in hopes to eliminate from this year's holiday buying all the worries that usually accompany gift selecting. A simple reminder of what there is to buy is often all that is necessary to solve the perplexing problem of what to give. We have a most magnificent stock of worthy holiday goods this season---a stock far superior in size and variety to any of previous years. We hope you will come in and examine our superb showing just as early as you can. Our careful selecting this year gives you not only ample choice of the world's best gift goods, but it affords a money saving worth while. Let us help you to have the pleasantest holiday season you ever had.

Our stock of holiday goods is now complete. If you can decide at once what to give each person whom you intend the favor you will avoid the crowds by purchasing early. There's all to gain and nothing to lose. One advantage is that you have the complete stock to select from.

Although we think we have provided ample for this year's gift seekers, there's still a possibility that phenomenal demand may deplete our stock before the final rush the day before Christmas, so don't put off your buying until the last minute if you expect to get what you want. Thousands of dollars are spent annually for gifts which are not to the taste of the givers or recipients simply because the ones presenting them were too late in purchasing them and had to take what they could find.

In our buying we have constantly had the interest of our customers in view. Not only have we selected goods that we are sure will please, but have bought them at figures that will afford attractive prices to you.

You can come here early and select goods and upon payment of one-fourth the price have them put aside for you until nearer Christmas. In this way you make sure of just what you desire without putting out the money so far in advance. We will deliver goods in town or pack and ship them for you to out of town points without extra charge.

\$10 DOLL We are going to give away absolutely **FREE!** free on Christmas day a beautiful \$10.00 **DOLL**, now on display in our show window. Each 25c purchase entitles you to one chance. In the event your purchase is less than 25c we will give you a cash register check. 25c worth of these entitles you to one doll ticket.
