Most hair preparations "sometimes" do this and "sometimes" do that; it's a hit-or-miss game all the way through.

Now, if you want color restored to your faded or gray hair, you want it restored. You don't want to play blind man's buff with yourself, dodging around here and there accomplishing nothing!

When it comes to this question of restoring color to gray hair, Ayer's Hair Vigor only knows one word,—the word "always." It always restores color; never fails, never.

"I had a very severe sickness and my hair all came out. I procured a bottle of Ayer's Hair Vigor and began its use at once. Soon my hair commenced to appear and it all came in again as nicely as ever, and today I am not obliged to be classed among the bald heads, all of which I owe to the good qualities of Ayer's Hair Vigor."
