"WANTS" OF THE PEOPLE.

A Record Without a Parallel.

Phenomenal growth in the circulation of a newspaper is naturally and properly followed by phenomenal growth in its advertising patronage.

Table with columns: YEAR, NUMBER, YEAR. Data: 1898 - 11,914 - 1898; 1899 - 14,535 - 1899; 1900 - 21,079 - 1900; 1901 - 26,492 - 1901; 1902 - 31,712 - 1902.

No other newspaper in St. Louis, or in the whole country, can show an equal growth in the same period of time.
