McLean's Volcanic Oil Liniment.

WONDERFUL SUCCESS.

AMONG the many discoveries that have recently been made in the medical science, none claims the attention of the public more than McLean's Volcanic Oil Liniment.

The "Volcanic Oil," which is the basis of this valuable Liniment, is a production from Nature's own laboratory, and when chemically combined, as in McLean's Volcanic Oil Liniment, with other powerful, yet soothing and healing remedial agents, produces the most perfect and efficacious remedy that has ever been offered to the afflicted.

It has been tested by thousands, and in not one instance has it failed in giving speedy and permanent relief.

It has cured Paralysis, Rheumatism, Weakness in the muscles, Cramps, Numbness, Stiff Joints, Sprains, bruises, Pains in the Back, Loins and Sides, Ague Cake, Soreness of Female's Breasts, Scalds, burns, Spinal Affections, Neuralgia, Sore throat, Swellings, and Inflammations, and various other external diseases and pains.

When applied, its soothing influence is almost immediately felt, relieving the most severe pains. It will cleanse and purify the foulest ulcer, and it will remove any unnatural lumps, mole or tumor—no difference how long it may have existed. It penetrates the flesh to the seat of disease, dissolving and removing the cause, thereby producing a speedy and permanent cure.

Here is the Proof.

MR. J. H. MCLEAN, Proprietor of McLean's Volcanic Oil Liniment—Sir: I do not know a better way of expressing my gratitude for the benefit I have received from the use of your Liniment, than by having it published.

I have been grievously afflicted for eighteen years, with ulcerous sores on both my limbs. At the time I commenced using your Liniment, from my knees down to my toes was literally covered with sores. I have tried many of the most eminent physicians in Europe and the United States—they could heal up the sores but in a few days they would break out worse than ever. I have tried many remedies; I used six bottles of the Mexican Mustang Liniment, but it did me no good. My husband and friends advised me to use McLean's Volcanic Oil Liniment; I told them nothing would relieve me but my grave.

But one of my neighbors, whose fingers were drawn crooked by rheumatism, used your Liniment, and it relaxed the muscles, and straightened his fingers in a short time. This induced me to get one bottle. I applied it, and it removed the pains. Two bottles more healed up the sores and cured me entirely.

No pen can describe the joy I feel, now I can walk without being tortured to death by such piercing pains; or the gratitude I feel towards the discoverer of such an invaluable Liniment.

MRS. MARY MACKENHAUD,

Residence in rear of Phenix Engine House.

Messrs. Gemp and Fasold, druggists, 127 Carondelet avenue, will, at any time, certify to the above statements. The above miraculous cure should prove to every well governed mind that McLean's Volcanic Oil Liniment is far superior to any other Liniment, and more efficacious than any other remedy that has ever been discovered. In fact it speaks to every man and woman, saying, "suffer no longer from local pains or diseases—McLEAN'S VOLCANIC OIL LINIMENT WILL RELIEVE YOU."

It will also cure horses that have the scratches, fistula, poll evil, sweeney, wind galls, sore shoulders or saddle galls, bruises, strains, old sores, or any swelling. Read the following:

From a Practising Physician.

Mr. J. H. McLean—Sir: I wish to add my testimony to the great virtue of McLean's Volcanic Oil Liniment. I have used your Liniment on sores, bruises, &c., and it always cured them sooner than any other remedy I ever saw. I am using it now in a case of erysipelas and the patient is doing well. I have used it on a horse that had the sweeney and it cured him in a short time; also my saddle horse got lame from a lump below the hock joint—he had also the scratches very bad. I used the Mexican Mustang Liniment and several preparations of my own, but could do him no good. I rubbed McLean's Volcanic Oil Liniment on him twice, and it killed the scratches and reduced the swelling. A few more applications cured him entirely. I advise every FARMER to keep a supply always on hand, for it is a VALUABLE LINIMENT.

S. J. GILLIAM, M. D.,

Macoutah, Ills.

We say to the public, beware of liniments that are separated. Ask only for the true and genuine Volcanic Oil Liniment. It is in square bottles, with the name McLean's Volcanic Oil Liniment, blown in the glass. Take no other, and you will get a true remedy, and one which can always be relied on.

☞ The above Liniment is for sale in Hannibal, by ap12 J. L. MATHEWS, Agent.

I have a great many *useless* things to sell for the comfort and convenience of fallen humanity, such as groceries, spices, wash tubs, wash boards, scrubbing brushes, brooms, soap, candles, and tar; together with a great many things that I have not got!—I also keep butter, eggs, and corn meal, when they are to be had; but I always have the renowned Eagle Mills FLOUR—acknowledged by all to be the best article ever sold in Hannibal—in fact, 'it can't be beat.' Everybody call and see me; I'm in a hurry this morning—no time to talk. Good bye till we meet.

Look out for the Old Lumber Yard.

WELL seasoned Pine Lumber suitable for all building purposes, can all times be had at the Old Hannibal Lumber Yard, which has been established 8 years. The proprietor deems it unnecessary to puff his Lumber to make it sell, or to say any thing about experience in the business except to those who never purchased from him. He would remark that an experience of eight years in the business gives the decided advantage over any other who never had *experience*—his Lumber has been purchased for cash and selected with great care, from the best mills in the Pinery. Mechanics and others wishing to purchase Lumber would find it to their advantage to call and examine the stock of Lumber and Shingles at the Old Lumber Yard before purchasing elsewhere. If you cannot get it for a less price, I will guarantee you can get it as low and a better article for the same money. Also, Lumber, Shingles and window sash.
