## HOLLOWAY'S OINTMENT.

A CRIPPLE SETS ASIDE HIS CRUTCHES AFTER TEN YEARS SUFFERING

Copy of a Letter from Mr. Thompson, Chemist, Liverpool, dated August 26th, 1852.  
To Professor Holloway  
DEAR SIR— I am enabled to thank you with a most extraordinary cure effected by your Ointment and Pills, which has restored me to my former state of health. I was afflicted with a running ulcer settled in my hip, which completely crippled me, so that I could not move without crutches for nearly 10 years; recently I began to use your Ointment and Pills, which have now healed the wound, strengthened my limbs, and enabled me to dispense with my crutches, so that I can walk with the greatest ease, and with renewed health and vigour.

(Signed) J. THOMPSON.  
A MOST EXTRAORDINARY CURE OF A DREADFUL SKIN DISEASE WHEN ALL MEDICAL AID HAD FAILED.

Copy of a Letter from Mr. Hird, Draper, of Keady, near Gainsboro', dated March 1st, 1852.

To Professor Holloway,  
SIR— Some time since, one of my children was afflicted with dreadful eruptions over the body and limbs. I obtained the advice of several eminent Surgeons and Physicians, by all of whom the case was considered hopeless. At length I tried your Ointment and Pills, and without exaggeration, the effect was miraculous, for by persevering in their use, all the eruptions quickly disappeared, and the child was restored to perfect health.

I previously lost a child from a similar complaint, and I firmly believe, had I in her case adopted your medicines she would have been saved also. I shall be happy to testify the truth of this to any enquirer.

(Signed) J. HIRD, Draper.  
CERTAIN REMEDY FOR SCORBUTIC HUMORS— AND AN ASTONISHING CURE OF AN OLD LADY SEVENTY YEARS OF AGE OF A BAD LEG.

Copy of a Letter from Messrs. Walker and Co., Chemists, Bath.

To Professor Holloway,  
DEAR SIR— Among the numerous cures effected by the use of your valuable medicines in the neighborhood we may mention that of an old lady living in the Village of Preston, about five miles from this City. She had ulcerated wounds in her leg for many years, and latterly they increased to such an alarming extent as to defy all the usual remedies; her health rapidly giving way under the suffering she endured. In this distressing condition she had recourse to your Ointment and Pills, and by the assistance of her friends, was enabled to persevere in their use, until she received a perfect cure. We have ourselves been greatly astonished at the effect upon so old a person, she being above 70 years of age. We shall be happy to satisfy any enquiries as to the authenticity of this really wonderful case, either personally or by letter. A private in the Bath Police Force, also, has been perfectly cured of an old scorbatic affection in the face, after all other means had failed. He states that it is entirely by the use of your Ointment, and speaks loudly in its praise.

We remain, Dear Sir,  
Yours, faithfully,  
April 6th, 1852. (Signed) WALKER & CO.

The magnificent Cortage comprises 110 Horses and 90 men. The Pavilion of Exhibition has been enlarged until it is capable of accommodating 15,000 spectators at once. The collection of living Wild Animals includes the most splendid specimens ever exhibited in America. Among many others will be found

The drove of Elephants were captured in the Jungles of Central Ceylon, by Messrs. S. B. June and Geo. Nutter, assisted by 260 Natives, after a pursuit of three months and four days in the Jungles. ## P. T. BARNUM,

Proprietor of the American Museum, New York, has the honor to announce, that encouraged by the brilliant success which has attended all his various efforts for the amusement of the public, he has been led to form the project of organizing a vast traveling

## MUSEUM OF WONDERS,

Which comprises a greater variety of Attractions, and more extraordinary Novelties, than any traveling exhibition in the world. Every feature of this Mammoth Establishment is of a peculiar and interesting nature, and the whole is produced upon a gigantic scale of magnitude. The traveling paraphernalia of the American Museum, as it enters each town, is produced by the gorgeous CAR OF JUGGERNAUT, drawn by Ten Elephants, superbly caparisoned, being an accurate model of that terrible engine of idolatrous sacrifice first used and decorated in all the extravagances of the Hindoo style. Following this monster vehicle, is a long procession of costly Cages and Carriages, the whole forming a spectacle of more than Oriental splendor. The Exhibition will take place within a magnificent Variegated Pavilion, composed of American Fags of water-proof fabric. The real, genuine, original

### General Tom Thumb

Is attached to this Exhibition, and will appear in all his performances as given before the principal crowned heads of Europe, including Sougs, Dances, Grecian Statues and his admired personations of Napoleon and Frederick the Great. The little General is twenty-one years of age, weighs only fifteen pounds, and is but twenty-eight inches high. Also engaged

### Mr. Nellis,

The man without arms, who will execute his extraordinary feats of loading and firing a pistol with his toes; cutting profile likenesses; shooting at a mark with a bow and arrow; playing upon the Accordeon and Violincello, etc. Mr. Nellis, in these performances, exhibits a wonderful example of what indomitable energy and industry can accomplish, even when laboring under disadvantages apparently the most insurmountable. A complete Menagerie of

### Living Wild Animals,

Is also included in the American Museum, and at a convenient period during the Exhibition

### MR. PIERCE

Will enter the Dens of the Wild Beasts, and give his classical illustrations of Hercules struggling with the Nemean Lion; Daniel in the Lion's Den; Sampson destroying the Lion, &c. One of the most interesting portions of the exhibition is formed by the display of a great collection of

### WAX STATUARY,

including figures of the size of life, of all the Presidents of the United States, and also of a great number of the noted characters, American and Foreign, all of which are accurate likenesses, and appropriately costumed. In fact, the whole Establishment is a vast repository of

### WONDERFUL OBJECTS OF NATURE AND ART,

The full particulars of which it would be impossible to give within the limits of a newspaper advertisement, and which has been brought together at an enormous expenditure of means, forming the largest and most novel traveling Exhibition in this or any other country.  
A fine Military Band will perform the most popular airs of the day, as the procession enters town, and also during the hours of Exhibition. (aug19&wid)

## KIDWELL'S COMPOUND FLUID EXTRACT OF Beech Drop, or Cancer Root,

which gradually extended over her whole body. The character of the disease was so violent that we despaired of saving her life, and dreaded the loss of her feet. She had scabs over her entire head; and after using tar ointment, and taking 8 or 10 bottles of Swain's Panacea, and a great quantity of Syrup of Sarsaparilla, some one directed James Webber to me. He was confident of the success of the Extract of Beech Drop, and I used it. In three weeks her sores were all healed; and her head, so horrible to the sight, was soon dried up. She is married now, and blessed with a healthy family; and has not had the least recurrence of her former state.
