The Biggest Event of the Season!

Our Fourth Semi-Annual Nine Cent Sale

Commencing Saturday, July 7th

At 8 o'clock A M and continuing for one week

Each one of these 9 cent Sales has been larger than its predecessor and the extensive preparation we have made for this one should give us a mark to shoot at for seasons to come.

We have scoured the markets for Bargains to offer during this great sale, buying only when we could find lots that the manufacturer or wholesaler was willing to sell at a concession to clean up his stock. We have secured goods at unheard of prices so low that we can sell them in many instances less than the cost of manufacture, in no case are they offered at more than the regular wholesale price. This is a strong statement but we have the goods here to back it up and cheerfully invite comparison with any store in the country regardless of size or location, to prove our claim.

Read this list of offerings carefully, everyone means a large saving to you and represents a great amount of hard work and close figuring on our part for us to sell at these prices.
