Decorated Automobile Parade.
About 300 cars... parade... decorated... parade... decorated... parade... decorated...

The car of Mrs. F. B. Walton, decorated by Mrs. Walton, Mrs. J. H. Smith, Mrs. D. C. Chastain and Mrs. Ed Armstrong, was awarded the first prize. The colors of the car were pink and green and it certainly was a beauty. It was occupied by the ladies who decorated it, each wearing an attractive Japanese costume.

At Black & Sons is a fine display of about 20 specimens of the finest... products... especially corn... display... products... especially corn...

Tuesday afternoon, just as the flower parade was entering the square from Ohio street, a horse being driven by George Knight became frightened at the band, ran away and crashed into the automobile in which were T. J. Day, Chas. Fisk, J. F. Warnock and Mr. Howard, manager of the carnival company. The car was somewhat damaged and Mr. Knight was thrown from the wagon, but except for being somewhat dazed, was unhurt. The wagon was completely demolished and the horse, seemingly crazed by fright started to dash down the west side of the square, which was crowded with people waiting for the parade, but fortunately ran into a farm tractor and slackened its speed so that a way was cleared for it. The horse was badly injured when it collided with the tractor.

MORE GLOWS FOR MISSOURI MILLS

Fulton, Mo., Oct. 14.—A team of Missouri males headed at Warrensburg and exhibited at Kentucky fairs during the past several weeks not only won everything in their class, but wound up their winning career by being sold to a Pennsylvania man for \$1,500. The sale was made by Herbert Morris, who purchased the long eared fellows after they had won everything at the Missouri state fair in Sedalia.

Morris took them to the big fairs at Paris, Ky. and Lexington, Ky., where they were undefeated in everything they entered, including the sweepstakes. He then entered them at the state fair in Louisville and they were proclaimed winners in every class, including the grand championship. One of the males won the blue ribbon in the single class also and second place in that event went to a third male that Morris had purchased at Warrensburg and which had been shown at the Missouri state fair and the Kentucky fairs.

Claud Dunlap, of Fulton who was one of the judges on horses at the Louisville fair, brought back the news of the achievements of the Missouri males.

Notice.
To the local presidents of the W. C. T. U.

I have just received a communication from our State President asking me to make a few last requests of the Unions in Bates county before the State Convention, which will be held at St. Louis on Nov. 14th. The National Convention will be held at the same place Nov. 15-20. I hope each Union in the county will send at least one delegate. When we entertain the National in our State we should have a good representation from each county. Remember our drive for a million new members and a million dollar jubilee fund is almost finished. A quota of 50 new members has been given each county. Let's put ours over the top. Get every one you can and collect all delinquent dues, and be sure to pay or pledge your jubilee fund. If you have not already done so, and have all monies in the hands of our county treasurer in ample time so she

JUDGE FARIS TO FEDERAL BENCH

Supreme Court Justice Named to Succeed Judge Dyer.
Washington, D. C., Oct. 10.—Charles B. Faris of Missouri was nominated today by President Wilson to be United States District Judge for the Eastern District of Missouri, vice Judge D. P. Dyer.

Saturday a Big Day at the Farmers Elevator.

What was perhaps a record for buying wheat in Butler was established by the Farmers Elevator Saturday when 177 wagon loads, or 8,784 bushels, were delivered at the elevator, dumped and elevated to the wheat bins. The average price paid was \$1.98 1-2 per bushel or a total of \$17,461.32 for the day's receipts. The highest price paid was \$2.06 per bushel and the lowest \$1.75. With all of this wheat it was necessary to utilize bins never before used for wheat and the elevator is now filled to capacity and it is probable that it will be at least a week before more will be purchased as it is almost impossible to get cars to move the surplus. During the past few weeks only about one car per week is all that they could get. Previous to Saturday the Elevator company had bought 75,000 bushels of wheat this season for which they have paid an average price of \$2.00 per bushel.

Two Auto Accidents Near Adrian.

An auto driven by a man named Miller collided with Frank Baie, who was driving a horse and buggy last Thursday night near the Wimsatt farm. The horse was so badly crippled as to render it useless and the buggy was wrecked. Bert Bloom and wife, Ed Bloom and sister and Ensol Johnson were mixed up in a serious auto accident last Friday evening. The party had been attending the Garden City fair and on their return, near the Arvy Baie farm, the car got to wobbling and the right front wheel broke down, turning the machine over. Bert Bloom had his shoulder bone and three ribs broken, Mrs. Bloom sustained several facial lacerations, Ed Bloom had one hand broken, while Ensol Johnson and the other occupant escaped with only minor injuries.—Adrian Journal.

This Advertisement is an Invitation for You to Visit Our Store

During Carnival Week, Home Coming and Fall Festival

MAKE OUR STORE YOUR HEADQUARTERS—Do not ignore or decline this suggestion. The merchandise attractions were never so numerous and tempting.—The price advantages were never so large and evident. Our plea for your patronage is a practical, common-sense, persuasive one. We promise to sell you high-standard qualities for less money than others ask. Our promises are faithfully performed;—Forty-three years of solid growth and increasing influence could only come from Truth-telling and Honest-doing. Don't miss a line of today's store news and don't fail to come.

The Latest Reflections of Autumn Models in women's and Misses
