Financial Strength.

YOUR attention is directed to the names of the following well-known business men who compose our Board of Directors:

Duval, Choate, McKibben, Tyler,
Wix, Galle, Bennett, Heinlein,
McBride, McKee, Kipp.

In addition to above we have a strong body of stockholders whose standing and responsibility give increased strength to the institution.

Farmers Bank

Coal.
Always out at Hunt's bank, 5 miles due west of Appleton City. *45-2m.

The negro Richards, who entered the homes of Marion Pentecost and John Dewey, near Adrian, securing a small amount of money and jewelry, was captured near Ballard. The stolen articles were found on his person, and he was brought to Butler and locked in jail.

Miss Jessie Morrison, who was convicted of murdering Mrs. Olin Castle, and sentenced to twenty-five years in the Kansas penitentiary, was taken to Lansing Monday to begin serving her sentence. She still has hopes that the Supreme Court will interfere to give her a new trial.

A young farmer at Fulton, Ky., advertised for a wife and selected a girl from Montreal, Canada, out of the numerous responses. He agreed to take her on a week's trial, which was satisfactory to the girl, and at the end of the week the young man indicated his entire satisfaction by marrying her. We would not advise other young ladies seeking husbands to adopt this method, as a rule. They might not all have the \$5,000 handy, which it is said this particular young lady turned over to her husband after the ceremony.

Mrs. S. C. Edwards, formerly of Lone Oak township, this county, died of paralysis, at the home of her son J. R. Edwards, near Leary City, St. Clair county, Tuesday, July 8th. Deceased came to Bates county in 1868, and resided here until about four months ago, when she went to live with her son. She was born in Pendleton county, Kentucky in 1839, and was married to S. C. Edwards, who preceded her to the grave four years ago, in 1856. To this union 8 children were born, 5 of whom survive her. She was a member of the church of God, and a most esteemed lady and had many friends in Lone Oak township, where she had resided for so many years, who regretted very much to learn of her death. The funeral services took place at Double Branch church.

Gen. Clark Inspects Troops.
Camp Wells, Montezano Park, July 11.—Brigadier General Clark of Butler, Mo., commander of the state militia inspected the First Regiment, N. M. G., yesterday at Camp Wells. With his staff he arrived at Montezano at 9 o'clock in the morning. The regiment passed in review before him and the ceremony of guard mount was performed in his presence. The appearance of the St. Louis boys was very neat and consonant with military regulations. Their precision in the guard mount ceremony attracted the General's special attention, and the troops participating were highly praised by Lieutenant Colonel Holtcamp after General Clark had left.

Like Daisies Before the Scythe,
baby lives are destroyed in summer by cholera infantum. The attack of the disease is sudden, its progress is sometimes terribly rapid. Mothers who have given their children Perry Davis' Painkiller can tell how this treatment has checked the diarrhoea and vomiting, and put the little patient out of danger. 25 and 50 cents.

SECOND REGIMENT ENCAMPMENT

To Be Held in Butler the Last Week in August.

We are assured that arrangements are being perfected to have the 2nd Regiment, Mo. Nat'l Guards, in camp in this city for one week the last week in August. In order to fully assure this the citizens and business men will be expected to render some financial assistance. To have from one thousand to twelve hundred visitors encamped near our city for seven days, will be of benefit to most of our business men and the entire city. It will be a gala week in Butler, and our people will decorate suitably for the occasion. Butler would gladly welcome the 2nd Regiment boys and we hope they will be enabled to come.

Death of Dr. Patten.
After a long and useful life Dr. Mathias T. Patten, one of the best known and most prominent physicians of this county, died at his home, corner of High and Mill streets, this city, Friday at 2 o'clock a. m. The funeral was conducted from the house Saturday morning at 9:30. Dr. Patten was born in Fayetteville, Tenn., Feb. 4th, 1819.

At the age of 18 became a member of the Methodist Episcopal church. His parents dead, he, at the age of 20 with his sister and brother, removed to Illinois, near St. Louis, where he secured a position in a drug store, in the winter attending McDowell's medical school in St. Louis. After three winters he completed his course in 1842, and began the practice of medicine, having practiced medicine in Illinois and Missouri most of the time for sixty years.

In 1842 Dr. Patten was married to Mary J. Copeland, 12 children being born to them, the 7 oldest died in Illinois. Then to better his family's health, in the fall of 1865 he came to Missouri, arriving at Butler March 10th, 1866.

Rich Hill Review, 11.—Robt. Johnson was down from Butler this morning. He came down to see his new son who arrived yesterday. The youngster weighs 12 pounds and he and his mother are doing well.

There is no longer an excuse for anyone to endure the torture inflicted by piles when Tabler's Buckeye Pile Ointment will cure them, a remedy so moderate in price and so effective. Price, 50 cents in bottles. Tubes, 75 cents.—H. L. Tucker.

Geo. M. Tye, of Durant, Ind. Ter., was a pleasant caller the last of the week and favored us with a renewal. He is in the county visiting relatives and old friends. Mr. Tye was a prominent citizen of this county for several years, and his old friends were mighty glad to see him.

Our old friend W. S. DeBolt sends his annual renewal from Abiona, Kansas. He writes that crops were almost a total failure last year, but are good now. They are having too much rain. Thousands of acres of wheat not cut yet. He says he has 35 acres of wheat, and has been trying to cut it for four weeks and half of it remains standing, water being over part of the ground.

At the county Sunday School convention held in Adrian Wednesday and Thursday of last week, the following officers were elected for the ensuing year: J. E. Dowell, Adrian, president; Miss Blanche Rhodes, Rich Hill, vice-president; Prof. A. L. Ives, Adrian, corresponding secretary; Miss Maud Thompson, Adrian, recording secretary; O. A. Heinlein, Butler, treasurer; Miss Mabel Bailey, Foster, supt. primary department.

The State Normal School at Warrensburg, Mo., had an enrollment of 1,200 students during the year. The summer school is the largest in the west—104 teachers being now in attendance. The second term of the summer school opens July 21. The regular session begins Sept. 9. Warrensburg, because of the famous Petrol and Electric Springs, is a much frequented summer retreat. For catalogue, address, 37-2m STATE NORMAL SCHOOL.

Peculiar To Itself
In what it is and what it does—containing the best blood-purifying, alterative and tonic substances and effecting the most radical and permanent cures of all humors and all eruptions, relieving weak, tired, languid feelings, and building up the whole system—is true only of **Hood's Sarsaparilla**
No other medicine acts like it; no other medicine has done so much real, substantial good, no other medicine has restored health and strength at so little cost.
"I was troubled with scrofula and came near losing my eyesight. For four months I could not see to do anything. After taking two bottles of Hood's Sarsaparilla I could see to walk, and when I had taken eight bottles I could see as well as ever." SUSAN A. HARRIS, Wither's, N. C.
Hood's Sarsaparilla promises to cure and keep the promise.
