## McKIBBENS.

#### Kindness Wins a Million.

Hiawatha, Kan., Nov. 9.—A letter written to a local paper states that an old man who recently died at Seattle, Wash., left an estate worth \$1,000,000 to Lizzie Boyce, of this county, because she had shown him kindness when he was in sore need years ago. He did not know the girl's address and requested the writer to discover it if possible.

The letter was written to the paper in the hope of finding the young woman. Lizzie Boyce is the 24-year-old daughter of Elijah Boyce, a farmer who lived a few miles north of Hiawatha. She saw the news of the old man's death and she saw the letter.

The coroner summoned a jury and held an inquest. A postmortem examination was made, and the conclusion was reached that the young man had come to his death from congestion of the brain.

Edward Penny was about 25 years of age and had served three years in the army in the Philippines. He was apparently vigorous and strong.

Wednesday morning he rode to Butler in the mail wagon and was in town about two and one half hours, and started on the return home with the mail carrier. After getting started he took sick and was induced to get down in the wagon.

#### KILLED IN HIS OFFICE.

Dr. W. H. Kimberlin, the Oculist, Shot to Death by a Patient.

#### URNS PISTOL ON HIMSELF.

K. C. Star, 12th. Dr. W. H. Kimberlin, an eye specialist, was shot and instantly killed by John Scanlon about 2 o'clock this afternoon.

Scanlon then placed the revolver to the side of his own head and committed suicide.

The double tragedy occurred in the office of Dr. Kimberlin on the second floor of the building at the southeast corner of Eighth and Campbell streets. Scanlon left a note which was found on the dresser in the room. It accused Dr. Kimberlin of having ruined his eyes and gave this as the motive for the crime. The note was as follows:

#### NOTE LEFT BY SCANLON.

"Notify my brother at city hall I did this because he destroyed my eyes. Tom, you will find enough money in my room to pay expenses, in little drawer on top of dresser. Tell father, sister and brother that I love them all and hope we will meet in heaven. Your loving Bro.,

#### JOHN SCANLON

"Use the suit that I have in locker. They are good enough for me."

The shots attracted clerks from the Model drug store beneath Dr. Kimberlin's office. When they reached the room, both men were dead. Dr. Kimberlin had been shot in the body. Nearly half of Scanlon's head had been blown off. The bodies lay within a few feet of each other.

Dr. Kimberlin was well known in Butler, having made this town for a number of years.

#### STARVED OUT.

Many a garrison has been forced to give up the fight and hang out the white flag of surrender, when lack of food has weakened the men past all power to continue the struggle.

Many a man is similarly starved out of business. His digestion is impaired. His food does not nourish him, and for lack of

strength to carry on the struggle he turns his store over to another.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It restores strength to weak, nervous, run-down men and women.

"About ten years ago I began to be afflicted with stomach trouble, also diarrhea," writes Mr. Wm. Walters, of Antrim, Mo. "In warm weather it grew worse, until it would throw me into a cramping chill. Was troubled so often that I sometimes thought my end had come. Tried many remedies, but they gave only temporary relief. In November, 1899, thought I would try Doctor Pierce's Golden Medical Discovery. I got six bottles and took five in succession, then thought I would wait for a time and take the one left. Soon found I had symptoms of the trouble coming back, so took the sixth bottle and it cured me. I have enjoyed the best of health this summer, and the credit all belongs to your 'Golden Medical Discovery.' I can't express my many thanks to Dr. Pierce for his remedy, for it did so much for me. Words cannot express how severely I suffered. If any doubt the above statement let them address me, and I will take great pleasure in answering." Dr. Pierce's Pleasant Pellets cleanse the bowels and stimulate the sluggish liver.
