THE MISSISSIPPI DEMOCRAT

A WEEKLY NEWSPAPER, PUBLISHED AT HAZLEHURST,
On the New Orleans, St. Louis and Chicago Railroad.

It is purely a Democratic Journal, and will use its best endeavors to place
the Democratic party in power. It will advocate the doctrine that
"Mississippians must rule Mississippi." It will advocate immigra-
tion to our State, and will attempt to send forth a history of
the resources of our county, and use every effort to build
up our towns, schools, societies and religious institu-
tions. It will advocate the interests of the
farmer, and give its influence to their ad-
vancement. THE DEMOCRAT will
oppose Radicalism with all its
strength, and do all that it can
to hurl from power the
party that is fast send-
ing our State to
destruction.

Every man who has the welfare of his State at heart should subscribe for the
DEMOCRAT. It will keep them thoroughly posted upon all the political topics of
the day, and will, beside, be a first-class family paper, and one that will try to ele-
vate the minds of the young people to high and noble deeds. The subscription price
to the DEMOCRAT is only \$1.50 per annum and almost any person can contribute
that much towards building up a good enterprise. Send in your subscriptions.

Is complete in every particular, and we are prepared to do Job work of every de-
scription with neatness and dispatch. Work done in colors on the most reasonable
terms. Appreciating the stringency of the times, we have put our work down to
the very lowest price. Send in your orders at once. We guarantee satisfaction.

practical agriculturists, full reports of the
Farmer's Club of the American Institute,

"THE WORLD" AND ITS WORK
(Binghamton Leader.)
Those of our Democratic friends who de-
sire to subscribe for a New York paper will
find none that equals the World in ability,
or that so fearlessly and clearly advocates
Democratic principles. In the news from all
parts of the world, it is complete, and its
editorials on all subjects are vigorous and
logical. To the farmer it is invaluable;
it teaches him many things that he needs to
know, and it promotes his best interests which he needs his
eyes opened to. The World is doing a
great work in behalf of the Democratic
party, and should be fully sustained.
"A THOROUGH NEWSPAPER."
(Manchester Union.)
The World, in point of ability, enterprise
and influence, stands at the head of the De-
mocratic press in this country.
Address "THE WORLD,"

THE SUN.
Daily and Weekly for 1875.
The approach of the Presidential election
gives unusual importance to the events and
developments of 1875. We shall endeavor
to describe them fully, faithfully and fear-
lessly.
The weekly Sun has now attained a cir-
culation of over eighty thousand copies. Its
readers are found in every State and Terri-
tory, and its quality is well known to the
public. We shall not only endeavor to keep
it fully up to the old standard, but to improve
and add to its variety and power.
The weekly Sun will continue to be a
thorough newspaper. All the news of the
day will be found in it, condensed when un-
important, at full length when of moment,
and always, we trust, treated in a clear,
interesting and instructive manner.
It is our aim to make the weekly Sun the
best family newspaper in the world. It will
be full of entertaining and appropriate read-
ing of every sort, but will print nothing to
offend the most delicate taste. It will always
contain the most interesting stories and re-
miniscences of the day, carefully selected and
legibly printed.
The Agricultural Department is a promi-
nent feature in the weekly, and its articles
will always be found fresh and useful to the
farmer.
The number of men independent in polit-
ics is increasing, and the weekly Sun is
their paper especially. It belongs to no party,
and obeys no dictation, contending for
principle, and for the election of the best
men. It exposes the corruption that dis-
graces the country and threatens the over-
throw of republican institutions. It has no
fear of knives, and seeks no favors from
their supporters.
The markets of every kind and the fish-
eries are regularly reported.
The price of the weekly Sun is one dol-
lar a year for a sheet of eight pages, and fifty-
six columns. As this barely pays the expen-
ses of paper and printing, we are not able to
make any discount or allow any premium to
friends who may make special efforts to ex-
tend its circulation. Under the new law,
which requires payment of postage in ad-
vance, one dollar a year, with twenty cents
the cost of prepaid postage added, is the rate
of subscription. It is not necessary to get
up a club in order to have the weekly Sun
at this rate. Anybody who sends one dollar
and twenty cents will get the paper postpaid
for a year.
We have no traveling agents.
The Weekly Sun—Eight pages,
fifty-six columns. Only \$1.20 postage
prepaid. No discount from this rate.
The Daily Sun.—A large four-
page newspaper of twenty-eight columns.
Daily circulation over 100,000. All the
news for 2 cents. Subscription, postage pre-
paid, 55 cents a month, or \$6.50 a year. To
clubs of ten or over, a discount of 20 per
cent.
Address, "THE SUN,"
New York City.
