We have enrolled 47 pupils.

Our supper Nov. 19, netted us money enough to buy some new desks, put in a new door and get a nice water tank. We use individual cups, so that we expect to be both comfortable and sanitary in future.

Art Exhibit.

There will be an art exhibit at the art studio at the school house on Thursday afternoon Dec. 22nd, 2:30 to 4:30 p. m. You are cordially invited to attend.

The Hindo Tobacco.

Belk has a fresh supply of the celebrated Hingoo Smoking Tobacco. Ask the fastidious smoker about it—mellow and rich and does not bite the tongue.

Holiday shoppers are thronging the city all anxious to get their Christmas goods before the rush is on.

Mrs. Eugenia Jones visited friends at Mayhew Tuesday and Wednesday.

Mr. Fincher James, of Self Creek, was in town Wednesday.

Croup is most prevalent during the dry cold weather of the early winter months. Parents of young children should be prepared for it. All that is needed is a bottle of Chamberlain's Cough Remedy. Many mothers are never without it in their homes and it has never disappointed them. Sold by all dealers.
