At the appointed hour Mrs. D. A. Saunders rendered Mendelssohn's Wedding March in a most charming manner. The groom entered the side door with Mr. G. S. West Noxbee Items. I have waited for some time to see and hear something to write about. Now I see the good people of our community moving with their work just as they always have done. By good people I mean those who have some grit in their craw, who, if they had but light their pipes and try it again. The deluge we had in the spring which inundated our best lands, all seem to be forgotten, and every one is now looking forward to a prosperous new year. The farmers have come to work with redoubled energy. The streams and ditches which were filled with muck and sand by the heavy rains in June, are now being cleared out, and the grass which took the place of corn and cotton, is now being burned off or plowed under. The volumes of smoke rising from the fields is an assurance that the people intend to have wheat for it. Our fate is to eat bread by the sweat of our brows and what has happened may happen again, but we are always striving to do the best.

Christmas is almost here and the chief amusement is fox chasing. David Triplett and Clint Cockrell, of Perkinsville, were with the boys in a chase on the morning of the 15th. The negroes are having their fun this winter in fairs and dances. Corn crops are sorry in this section but the most is a splendid substitute and we are blessed with a good crop of that. Hogs that reeled as they walked during the summer are now in fine, hog-killing order. A merry Xmas and a happy New Year for the Macon and all its readers.

Any one wanting millinery will find it to their advantage to call at Miss Shelton's. Miss L. B. Shelton is selling her millinery strictly at cost. It is the general impression now that the Cudaky kidnapping case is a fake—a trick to get cheap advertising. He has told several tales about the ransom money and the kidnapped boy's stories cannot be relied on. TRESPASS NOTICE. All parties are warned, under penalty of the law, not to trespass by hunting or otherwise on our lands lying along Dry Creek between upper and lower Shubunkin road. H. W. EVANS, J. R. EVANS, JR.

Something That Attracts the wise house-keeper must be something more than "cheapness." We could sell you GROCERIES, at lower prices than our present offering but they would be "cheap" goods and the chances are that you would not like them. Better to buy these goods because they are of sterling quality, have finer flavor and contain double the nourishment of the lower priced articles. H. C. RUSH & Co. will have everything fresh and nice for THE HOLIDAYS Fancy Shelf Goods The Finest Fruits Nuts, Candies, &c. He can fill your bill in anything in the eating line. When you come to buy remember the WHITE FRONT, next to Murphy's drug store. HOMESTEAD NOTICE. Department of the Interior. Land Office at Jackson, Miss., December 13th, 1900. WOMAN IS LIKE A DELICATE MUSICAL INSTRUMENT. In good condition she is sweet and lovable, and sings life's song on a joyful harmonious string. Out of order or unstrung, there is discordance and unhappiness. Just as there is one key note to all music so there is one key note to health. A woman might as well try to fly without wings as to feel well and look well while the organs that make her a woman are weak or diseased. She must be healthy inside or she can't be healthy outside. There are thousands of women suffering silently all over the country. Mistaken medicine urges their silence. While there is nothing more admirable than a modest woman, health is of the first importance. Every other consideration should give way before it. Endfield's Female Regulator is a medicine for women's ills. It is the safest and quickest way to cure belching, flatulency, constipation, falling of the womb, nervousness, headache, backache and general weakness. You will be astonished at the result, especially if you have been experimenting with other so-called remedies. We are not asking you to try an uncertainty. Endfield's Female Regulator has made happy thousands of women. What it has done for others it can do for you. Sold in drug stores for \$1 a bottle. A free illustrated booklet sent to all who write for it.
