TAX BILL TO BE EFFECTIVE 1 YEAR

SENATE COMMITTEE DECIDES TO FRAME ANOTHER BILL—TAXATION MAY BE CHANGED.

VOTE ON SALES TAX NEAR

Smoot's Drive for Inclusion of His Plan is Being Felt—Senator Calder Wants 2.75 Beer Legalized Also—New Tax Bill.

Washington.—The new tax revision bill now being completed by the senate finance committee will be effective for only one year, the committee has decided.

Another bill, in which the entire system of taxation may be changed, will be drafted and reported to congress a year from now, members of the committee said.

The finance committee immediately will vote on the sales tax in connection with the bill now being prepared. Senator Smoot will offer a complete substitute for the committee bill having the sales tax as a principal source of revenue and will force a vote on his measure. Senator Smoot, however, does not believe the committee will adopt his bill. He said he will offer it in the senate later as a substitute for the committee bill.

The committee will also vote on the amendment proposed by Senator Calder of New York to legalize the manufacture of 2.75 beer. The Calder amendment would recognize the legality of 2.75 beer by levying a tax of \$5 a barrel on it.

The tax schedule for the new bill will be completed by the committee in order to give treasury and committee experts time to write the measure for presentation in the senate.

MISSOURI BANKS CLOSE.

Two Institutions Are in Financial Difficulties.

Jefferson City, Mo.—The People's Exchange Bank at Sturgis, in Livingston county, and the Farmers' State Bank at Winston, Daviess county, were placed in the hands of the state bank examiner by the state director of finance, J. G. Tughee.

The Sturgis bank was closed upon recommendation of the state bank examiner, A. L. Friese. It is capitalized at \$10,000, and its last statement showed deposits of about \$75,000. The Winston bank was closed on a resolution passed by its own directors. It also is capitalized at \$10,000 and had deposits totaling slightly more than \$70,000 June 30 last.

Injudicious loans, it was said at the state banking department, had gotten both institutions into difficulties.

AIM AT THE "KU KLUX."

Governor Dunne Heads Movement in Illinois.

Chicago.—An organization to promote harmony and good feeling between all classes, races and religions in America was announced in the process here by Edward F. Dunne, former governor of Illinois, as its head. The society will be known as the National Unity Council and its organizers intend ultimately to spread it in every section of the country, according to Mr. Dunne.

One of the prime motives behind this organization, its sponsors said, was to combat the Ku Klux Klan, and organization of councils will be pushed, particularly where the Klan has obtained a foothold.

Sets New World Record.

New York.—Babe Ruth broke his own and the world's record for home runs when he slammed the ball out of the lot for his 55th circuit clout of the season in the fifth inning of the first game of a doubleheader against St. Louis. Thousands of straw bats were smashed by the fans in their frenzy.

Loses Four Suit Cases.

Poplar Bluff, Mo.—Four suit cases containing stocks, bonds and clothing valued at \$2,000 were stolen from Mrs. J. P. Johnson of Douglas, Ark., in the Calou Station at Little Rock, she told police upon her arrival here. Mrs. Johnson said she was en route to St. Louis to deliver the bonds.

Hayti Physician Killed.

Memphis, Tenn.—Dr. L. H. Brannon, prominent practicing physician of Hayti, La., near Carthageville, died at Baptist Memorial Hospital here from a bullet wound penetrating both lungs, fired, according to the physician, by E. S. Jimmerson of Hayti while Dr. Brannon was being shaved in a barber chair.

Women Preachers More Successful.

Chicago.—If there were more women preachers in the pulpits, there would be more men in the churches, Miss Madeline Southard, president of the International Association of Women Preachers, told members of that organization at their convention here. Miss Southard accused men of "feminizing the church," and asserted that if there were more women preachers, more men would become interested in church work.

DEMAND PROBE OF KU KLUX

REPRESENTATIVE TAGUE WILL OFFER RESOLUTION IN COMING CONGRESS.

SAYS KLAN IS UNAMERICAN

"Members of Original Klan Were Not Guilty of Atrocities the New Klan Is Charged With," Says Massachusetts Solon.

Washington.—Charging that the Ku Klux Klan is un-American, Representative Tague of Massachusetts has announced that he will demand a congressional investigation of the order.

Mr. Tague said he is preparing a resolution providing for an investigation by a special committee of the house of representatives. He will introduce it when the house is reconvened for business on Oct. 3.

"I have received many complaints about the activities of the Ku Klux Klan," said Tague. "They are trying to organize throughout New England. The organization is anti-Catholic, anti-Jew and un-American and should be done away with. It is a scandal. I understand the department of justice has been investigating it, and my resolution will request the department to inform congress what it has learned.

"If the light of publicity is turned upon the grotesque, fantastic, ludicrous garb and ceremonies of this intolerant organization which presumes to take the law into its own hands and holds away through the appeal to superstition, it will be found the sponsors have reaped a rich harvest.

"This organization parades itself as a revival of the original Klan. The members of the original Klan were not guilty of the atrocities the new organization is charged with. An exposure of the new Klan will cause new nation-wide ridicule, under which it will shrivel up and disappear."

STRIKE HANGS ON MEETINGS.

Union Chiefs Will Get Together Soon and Plan Action.

Chicago.—Decision as to whether the nation will face a general railroad strike may result from two important meetings to be held here. The representatives of 500,000 railroad shopmen will meet here to determine what action to take in regard to the wage cut and changes in working rules, effective July 1.

A countrywide ballot, taken some time ago is said to have resulted overwhelmingly in favor of a strike. The result of the vote will be made known at the meeting, over which B. M. Jewell, president of the railway employees' department of the American Federation of Labor, will preside.

On Sept. 23 the heads of the Brotherhood of Locomotive Engineers, Order of Locomotive Engineers and Firemen will meet here to announce the result of a ballot now being taken in these organizations. Unofficial reports from some of the organizations indicate a large majority of the members favor a strike.

GOING TO WAR AGAIN.

Probably Every Doughboy Sailing for Spain Had Swore "Never Again."

New Orleans, La.—To the tune of "Hail! Hail! The Gang's All Here," blended with a babel of various national airs, 258 youths, including more than 150 former American service men who have volunteered here for service in the Spanish foreign legion against the Moors, sailed down the harbor aboard the steamship Cadix for Barcelona.

Leading the contingent was Sergt. W. J. Ball of Detroit, an American who served during the war with the Canadian forces and wears four decorations, who goes with the assurance that when he reaches Spain he will receive a captain's commission.

The men, who are leaving home to fight under a foreign flag, do not claim to see any glamor or romance in the expedition, but frankly say their inability to get jobs at home and the assurance of 50 cents and three meals a day are the compelling motives behind their action.

Robbers Killed By Officers.

Fort Worth, Texas.—Federal, city and railroad detectives were trailing west of Fort Worth a third man in the attempted robbery of a Texas and Pacific mail train two miles west of here, in which two armed men were killed by officers. "Billy" Edwards, Texas and Pacific engineer, and J. L. Morris were killed by officers when they attempted to rob the mail car.

PURCHASE SITE FOR HOSPITAL.

New Orleans.—Twelve minutes before an option on the property expired a holding company purchased the ground intended as the site for the \$2,000,000 Southern Baptist Hospital. The syndicate hopes to raise, within a few days, the remaining sum of the \$100,000 purchase price. Formal offer of the property will be made to the Southern Baptist Convention next May and it is believed the action taken assures the location of the hospital here.

Another Smart Youngster. Mr. and Mrs. Jones had been invited to a friend's home for tea, and the time had arrived for preparing for the visit. "Come along, dearie," said Mrs. Jones to her three-year-old son, "and have your face washed." "Don't want to be washed," came the reply. "But," said mother, "you don't want to be a dirty little boy, do you? I want my little boy to have a nice clean face for the ladies to kiss." Upon this persuasion he gaye way and was washed. A few minutes later he stood watching his father washing. "Ha, ha, daddy," he cried, "I know why you're washing!"
