Dis unappresheashun of de good
things wot cums to sum peoples
an wot makes de worl' disj'inted.
De editab of de Hawdeman Free
Press an' myse't got inter Mem-
fis on de same day las' week.
Wot happened to Memfis wuz a
grate plenty on dat day.
After long deliberashun an'
grate study of de quexhun I has
cum to de same 'clushun as Mis-
tah Tempul Graves 'bout de
"rein of de demijohn."

I wuz in Memfis de oder day an'
I never seed so mutch buidlin's
goin' up in dat little city before.
Ef Memfis doan look sharp she'll
be er sho' nuff city 'fore she nose
it.
Ize got a cotton crap plant on
my free lot an' ef de money men
of dis city will put a faktr'y in
operashun by nex' September dey
can has all de cotton wot I raises
on dis lot fer nuthin'. Now ef
dis doan start somethin', nex' yeah
I'll give de lot away fer a faktr'y
sight. Ize patriotik I is.
We hearn dat Mistab Connolly
wuz gwine ter lekchare on "lokal
opshunism in politiks", an' ez soon
ez I heard dat I knowed dat some-
puz wuz wrong wid Mistab Mike.
So I 'pointed myse'f a cunity of
1 to ax him 'bout it. I went up to
de depp to meet him wid de rest
of de Elkses. W'en I axed him
ef 'twos bo he fainted right dar an'
now B. P. O. E., No. 148, has put
me on de "poor standin'" hst for
30 days.

Wait fo' de Elkses big river
'scurshun nex' month. But doan
wait so long dat you'll get let'.
I went out ter see my gal de-
oder nite an' axed her to sing sum-
for me. She kin play de mandy-
lin out o' sight an' sings like er
howlin' gale 'stead of a mitegale.
Aftah singin' sum ragtimes I axed
her to sing my fav'rite, "W'an de
Harvest Days am Over." She
'sprised me a heap by changin' de
words like dis:
Ev'ry time you cums to see me, Danny
dear,
My heart is happy kase it knows dat
you am near.
Youze de warmest in de buch,
On your neck I'd love to munch,
Youze de best' wots happened 'round in
many years.
Isn't dat grate? I no dat gal
lubs me or she woudint want ter
bite my neck so bad.
Wid all dis respek to de Maker
of de lan' an' de sea, I doan see
wot he wants to make so much
win' an' rain dis time of de year.

He ot to save sum of dis rain fo'
de dry season wots acomin' an'
sum of dese win's fo' de days wots
comin' w'en even de ludy fo'ks ud
give two-bits for 1 skooner of
beer.
Eggsakly ez I eggspokted, eggs
didnt drop in price so much after
all. To eggpress my mind on
de eggstin' price of eggs at dis
egg time of de year, I would be
eggterminated widout an egge-
tra egggersize on de part of our
eggselet citizens.
Would Smash the Club.
If members of de "Hay Fever Association"
would use Dr. King's New Discovery for Con-
sueys cure this masty-and Asthma, for it
kind that baffles de doctors-it wholly cures
from de system. Thousands of once-hopeless
sufferers from Consumption, Pneumonia,
Bronchitis owe their lives and health to it: It
conquers Grip, saves little ones from Comp-
and Whooping Cough and is positively guar-
anteed for all Throat and Lung troubles. No.

"After using a few bottles of Kodol Dyspepsia
Cure my wife received perfect and per-
manent relief from a severe and chronic case of
stomach trouble," says J. R. Holt, real es-
tate, insurance and loan agent, of Macon, Ga.
"Before using Kodol Dyspepsia Cure she could
not eat an ordinary meal without intense suffer-
ing. She is now entirely cured. Several phy-
sicians and many remedies had failed to give re-
lief." You don't have to diet. Eat any good
food you want, but don't overeat the stomach.
