DRS LeROY and PELTIER' Compound Mixture for the cure of Gonorrhea Gleet strictures and other diseases of the urinary passages frequently performing a perfect cure in the short space of eight or ten days with ease secrecy and safety. This celebrated mixture possesses a few of the advantages not enjoyed by any other medicine for the cure of all sexual diseases; and which must with an enlightened public render it assuredly highly popular and a desideratum long sought for in the medical world. It requires no confinement no change of diet. In its improved form it is nearly tasteless and causes no unpleasant sensation in the patient It has acquired the utmost fame in almost every part of Europe. It has been examined approved of and sanctioned by the faculty of medicine and recommended by the most eminent of the profession for the cure of certain diseases analogous complaint of the organs of generation after every other medicine.

In offering this preparation to the human family Drs Leroy and Peltier fearlessly hazard the assertion that it is not only not surpassed but unequalled either for its curative properties or for mildness safety and certainty in the operation by any preparation compounded for similar purposes before the public.

This mixture is a combination of approved medicines mingling the excellent qualities of each into one sanative whole so as to produce the most efficient compound which has never yet been known to fail. It is impossible to produce certificates of the power of a medicine of this peculiar nature or otherwise a host of facts might be advanced to show the broad and deep foundation upon which the character of this mixture rests for support. Long standing cases gonorrhea, gleet, strictures affections of the kidneys &c, have yielded to the command of this antidote and instances of gleet of the most inveterate description have fled before its best astonishing sanative influence.

We do not offer this mixture as a Panacea or cure every thing, but in the above named cases we are authorized by Drs Leroy and Peltier of Paris to guarantee a cure under a forfeit o. $500 We will remark that this compound has been before the public of New Orleans for thirteen years and it has universally proved salutious.

CAUTION.—Several spurious and injurious preparations have been palmed upon the unwary by base counterfeiters. The just celebrity and immense sale that this compound has met with in the United States has stimulated a host of unprincipled individuals to imitate it. Recollect that the signature of Leroy M D paris is writ on every bottle.

Price per bottle $5.00 per dozen $48.00

Read the Following CERTIFICATE.

TALL POSSA, Co., Ala., Jan 2, 1852

Dear Sir—I send you this to certify to you that your Extract of Yellow Dock and Sarsparilla has performed one of the most wonderful cures on me that has ever effected on man.

I have been afflicted for forty years with eruptions on my legs and feet; in 1848 they got so bad that I [illegible] to go on crutches and in 1849 I had one leg amputaed over the knee. In about nine months after my other leg broke out in large eating and running sores from my head to my foot and discharged a great deal of offensive matter. My groin also broke out in large biles which discharged much offensive matter, and at the same time my left hand broke out in large running sores nearly to my elbow.

The misery that I suffered for the last two years I cannot describe to. I was in such agony, that I never rested day or niget.

In October last my son brought me one of your bottle wrappers; I read it and found record of some wonderful cures performed by your "Extract of Yellow dock and Sarsparilla" I sent and got two bottles of it and commenced taking it. In two weeks to my great astonishment my sores all became easy and I could sleep all night a thing I had not done for two years. When I had taken six bottles my sores were nearly all healed My eight bottles of your 'Extract of Yellow Dock and Sarsparilla' and I now consider myself well.

I entreat all of the afflicted to try this medicine, for I believe it will cure any disease in the world. Lay aside all prejudice and just try it, and proclaim its great worth to suffering mankind and entrest them to take it for it will cure them.

My case is well known in a large portion bt South Carolina, Alabama and if any should doubt the above cure, I invite them to call on me and I will show them the scars; I can be found in Tallapoosa county Ala., one mile from Stoe's Ferry.

RENAJAH HUGHES.

The Yellow Dock and Sarsparilla is peculiary adapted for females of delicate health resulting from irregularity of menstrual discharges, and other diseases peculiar to their sex. The proprietor has in possession a great number of certificates of cure performed of the above descrip ion We assure the afflicted that a bottle or two of Dr. Guyscots Extract of Yellow dock and Sarsparilla will at once regulate those difficulties and renew the natural energies.

Put up in quart Bottles—price $1 each.
