CLERK

Your committee beg leave to call your attention to the enormous list of uncollected taxes of 1854. In looking over the same we find the names of some of the largest real estate owners of the City defaulters. Our Executive officers seems to have lost sight of the 13th Section of the City charter making town lots primarily liable for the taxes due thereon.

We are of opinion that all lots on which taxes are unpaid should have been advertised and sold according to law. The Marshal reports uncollected 1854 $1,033 52
