## The SPALDING DEEP-TILLING MACHINE

HERE is just one letter out of scores that we are constantly receiving from hard-headed, practical farmers all over the United States:

"The direct return, which I have secured from the use of this machine, is so great that I hesitate to put it in figures, as it seems almost incredible, but I might state that if any man who buys this machine, secured one-tenth of the returns which I have obtained, his machine will prove to be the best investment he ever made."

"If I could not buy another Spalding Deep-Tilling Machine I would not part with the one I have for several times its cost."

F. M. BAAR, August 29, 1910.

Write today for our valuable free Booklet "O," showing handsome illustrations of the Spalding Tilling Machine in operation in many southern states. Over 20 pages of letters from practical farmers telling how it has increased their crops and improved their land. Write direct to
