

Tennessee Editors.—The editors in Tennessee are in luck. F. S. Latham, of the Eagle, has been appointed Postmaster at Memphis, and Mc. Hall, of the Nashville Whig, has received a valuable appointment at Washington city. This rewarding of editors is a good trait in the character of General Taylor. We hope he will continue to be mindful of them in distributing the leaves and fishes.—*Jacksonian*.

Watches! Watches!
FOR years the strife has been not who could make the best watch, but who could make the cheapest, or rather the lowest priced article, which is not always the cheapest, and consequently the great falling off in the quality of watches.

We import our watches direct from England, France, and Germany, and have been 12 months in preparing our present stock. Our aim has been to have a splendid assortment of Fine Watches—as fine as Europe can produce. This, in addition to a full assortment of the low and medium qualities, we are now prepared to show the public, all of which will be sold at a small advance on the importing cost.
F. H. CLARK & Co.,
No. 37 Front Row.
LARGE ADDITIONS, and more extensive than ever.

HAVING received our semi-annual supply, we commence the New Year with an assortment that is not surpassed by equalled in the United States.
We have "Twelve Thousand Dollars" in the article of Watches alone, and can therefore supply our friends and the public with any style, and at almost any price. We have
G. Id Patent Levers from \$35 to \$250;
Silver do, " 18 " 65;
with a general assortment of Levers and Vertical Watches.

The other branches of our stock will be found as extensive and complete as our Watches—such as CHAINS, SEALS, KEYS, (Jewelry in all its variety,) including many valuable DIAMONDS and some full sets, SPECTACLES, SILVER-WARE, COIN FINE SILVER-PLATED GOODS, CLOCKS, LAMPS & GRANDOLDS, CUTLERY, GUNS, PISTOLS, including the genuine DRUMMER'S CASES, TEA TRAYS, with a general assortment of FANCY GOODS, in which will be found many choice articles for the Ladies.

NOTICE. We aim to furnish those who deal in Memphis, with a home market and a home guarantee for Goods in our line, and invite the public to call and examine for themselves. Our Stock is laid in with Cash; our European Goods we import ourselves; we get our Domestic Articles direct from the makers, and being satisfied with a small profit, we offer great inducements to our friends and the public. We are also prepared to do all kinds of work in our line, in the best manner and with dispatch—our motto is, TRY US!
