TOBIN LYNN & Co.—We call the attention of our readers to this old and reliable firm, one of the staunchest of the Bluff City. They have a large stock on hand of all kinds of goods and are ready to supply country merchants or planters at the very lowest rates.

CATCH THE SHADOW.—Among the many first class photograph galleries in the South-West there are none than can surpass that of Y. Day's on the Southeast corner of Main and Union streets, Memphis. Being a number one artist himself he would have no other kind with him and consequently his pictures never fail to give satisfaction.

THE PURE WEED.—For the very best pure Virginia tobacco such as cannot be excelled anywhere go to Messrs Edmonds Pettigrew & Co., 306 Front street. Their warehouse is perfectly jammed with the best article which they offer at the lowest rates.

THE HAT EMPORIUM.—There is not a hat store in America that can surpass the celebrated one of Francisco & Miggan No. 307 Main street under the New Brickley Hotel. The customer on entering their magnificent hat establishment is reminded more of being in Paris than in America.

DRUGS.—DRUGS.—Our popular young fellow-citizen J. E. Hughes, has received a large supply of pure drugs, cosmetics, toilet articles and, in fact, everything which can be found in any drug store in the State.

TOOF PHILLIPS & Co.—This firm is so popular that it has become almost a household word in Memphis. Their place of business is at 266 Front street and no house has a larger or better assortment of groceries, plantation supplies etc., than this.

A TREAT FOR THE SOUL.—The lovers of the intellectual will find a rich treat when they go to Memphis by calling on those princes of book-sellers, Messrs. Geo. Pattison & Bro., at 317 1/2 Main street. This book store is one of the most complete in our section of the country and every member of the firm is to the manor born, and true as steel.

HARDWARE AND CUTLERY.—Among the many old and staunch business firms of Memphis none can surpass in capacity or in liberal offers that of Charles Stout & Bros., 227 Second street.

AN ENTERPRISING FIRM.—To any of our readers who are in want of groceries, provisions or plantation supplies of all and every kind we call their attention to the advertisement of C. W. Sturdivant & Co., No. 182 Front street Memphis.

I have a fine Billiard table I will sell for half price.

BRASS AND COPPER.—Mr. Friedman has returned to Grenada, and can be found on Green street, opposite Mr. Trowbridges. He will be here ten days, and wishes to purchase old iron, brass, copper, and beeswax.

COTTON FACTORS.—In the Lee Block, rooms 35 and 36, Memphis will be found Messrs. Judson & Co., Cotton Factors. They are clever and affable gentlemen, and deserve the patronage of the public.

MALE ACADEMY.—From his advertisement, found elsewhere, it will be seen that Rev. G. P. Richardson reopens his Academy for the fall session on the 14th. Mr. Richardson is a thorough scholar, a christian gentleman and a fine teacher.

A. J. ROACH & Co.—In another column will be found the advertisement of A. J. Roach & Co., commission merchants in Memphis.

"No. 256."—At this number on Front street Memphis, Messrs. Schoolfield & Hanauer, wholesale grocers and commission merchants; wines, liquors, Cigars, plantation supplies, etc., are to be found.

DICKINSON WILLIAMS & Co.—This is truly one of the staunchest firms in the Southwest. There is no blowing of trumpets about them. They propose to do a certain thing and what they promise they do.

A POPULAR FIRM.—There is hardly a person in Memphis but is acquainted with Wm. H. Andrews one of the most popular business men of that place.

AUD LANG SYNE.—Who has not heard of Martin Walt, the prince of grocers? No one who has lived in this part of the country.

A curious typographical error recently appeared in a daily paper. In giving an account of an inquest, it was stated: "The deceased bore an accidental character and the jury returned a verdict of excellent death."

CROPS.—We learn from a gentleman who has been through the country south of Grenada that the crops in that region are much better than was expected. The worms have damaged the cotton very little, and the corn has far exceeded the hopes of the most sanguine.

General News Items.—Canadian papers say the potato blight has made its appearance. The Press and Messenger says there were five deaths from sun stroke in Knoxville during June, and July.

The Athens Post estimates that the Legislature sits at an expense of \$1000 per day to the people. The Greensboro (Miss.) Democrat reports corn crops splendid in Choctaw, but cotton, a half crop.

The carpet-baggers in the South are calling for "arms." The Dyersburg Gazette thinks they will find more need for legs. An Omaha dispatch of the 28th states that seven hundred and eighty miles of the Pacific road were completed that day.

A Pittsburg dispatch of the 28th says Hon. George H. Pendleton passed through there that day, on route for the West. Gen. Rosecrans passed through the evening before, going West.

A lady seventy years old, in Berlin, Harden county, Iowa, recently surprised herself, her husband and the neighborhood, by giving birth to a lively nine pound baby. The Chicago Journal communicates to its readers the pleasing information that on the 13th instant four diseased cows were slaughtered there, and the car-casses sold at one of the meat markets.

Governor Seymour is announced to deliver the annual address before the Saratoga Agricultural Society at Saratoga Springs, on the 10th of September. The new Commissioner of Patents is cutting down the useless expenses of his office, and has already arranged to save forty thousand dollars on a single contract.

The orange crop in Florida is unusually promising, and has been generally engaged at \$20 per thousand. Other tropical fruits are growing freely.

Washington advices of the 28th have the following: An evening paper states that a letter was received here this morning from Horatio Seymour, dated Utica, N. Y., August 27th, in which he announces himself in good health and spirits, and certain of the success of the Democratic ticket.

Only a few months ago, Gen. Grant said to a Louisiana gentleman, who had spoken to him of the present Governor of that unfortunate State: "This War mouth, this d—d scoundrel, I had to kick him out of the army at Vicksburg as a common liar."

The citizens of Wyandotte, Kansas, are greatly exasperated at a man in that town who has been arrested for ill-treating and finally murdering his step-son, a child but a few days over two years of age. He used to set him upon a high stool and then knock him off, lift him from the floor by the hair of his head, and finally killed him by beating in his skull with a stone.

A rich farmer of Calais, Maine, aged 65, recently married a second wife who is only 19 years of age. A daughter by his first wife is 40 years old, and her daughter, aged 20, is about to be married. Thus there is a child who is 21 years older than her mother and a grandmother who is a year younger than her granddaughter.

The only murder committed in New Orleans during the last two years for political reasons, was that of S. C. Sorenson, a Dane by birth, and a Democrat, who was murdered in cold blood by Phillip Witta, a radical. The latter was tried and convicted before the criminal court of the parish of Orleans, a radical judge presiding.

London advices state that the allies in their war upon Paraguay have been sorely defeated at two points recently. To number of ten thousand they attacked Fort Humaita, on the 18th of July, but were repulsed with a loss of about three thousand. A simultaneous attack was also made by them on the defenses in the Gran-Chaco where they were also met by a repulse.

A Mrs. Boots, of Pennsylvania, has left her husband, Mr. boots, and strayed to parts unknown. We presume the pair of boots are rights and lefts. We cannot say, however, that Mrs. Boots is right, but there is no mistake Mr. Boots is left.
