Fay Wells, of Glenfield, Miss., two years ago completed a course of instruction in Bookkeeping in MEMPHIS BUSINESS COLLEGE in one month and twenty-eight days. He accepted a position with the Green River Lumber Co., Memphis, Tenn., on the day he graduated, and since then he has not lost a single day.

There are hundreds of graduates from this School who have done equally as well. If you are thinking of taking a Business Course, write and ask Mr. Wells what he thinks of the MEMPHIS BUSINESS COLLEGE, and then send to us for full particulars concerning our courses of instruction in Bookkeeping, Stenography and Cotton Classing.

Are You Sick?

Much sickness is due to a weak nervous system. Yours may be. If it is, you cannot get well until you restore nerve strength. Your nervous system is nature's power house; the organs of your body get their power from it. If the power is not there, the action of the organs is weak, and disease (sickness) follows. Dr. Miles' Nervine cures the sick because it soothes the irritated and tired nerves and gives the system a chance to recuperate. Try it, and see if you do not quickly feel its beneficial effect.

"I was given up to die by a leading doctor. Got one of Dr. Miles' books and found that Dr. Miles' Nervine fit my case. From the very first dose I took I got better. I am better now than I have been for years, and do all my own work on the farm. That's what Dr. Miles' Nervine has done for me, and I am glad to recommend it to others."

JOHN JAMES, Riverton, Nebr.
Your druggist sells Dr. Miles' Nervine, and we authorize him to return price of first bottle (only) if it fails to benefit you.
