WATER VALLEY,
YALOBUSHA COUNTY, MISS.

Hon. W. J. Stephens, our popular and accommodating Post Master, rounded out his ninth year as Webb's Post Master on Tuesday, February 25th. Prior to his appointment as Uncle Sam's representative, Mr. Stephens was clerk in the Webb Post Office for three years, and, before that time, was a clerk in the Post Office at Water Valley for three years. Mr. Stephens has thus served Uncle Sam for fifteen years, and this week has renewed his bond for another period of four years. He is a No. 1 Post Master, always courteous and obliging, and we are glad he is to continue to serve the government and the people of Webb.—Webb News in Sumner-Herald Progress.

We love to see good things said about our Water Valley boys, but especially is the compliment to Mr. W. J. Stephens merited, for he is an all round business man, and has ever sustained this reputation from his early manhood. Will, may you live long and prosper under the weight of a good name.

There will be Divine service in the Episcopal church next Sunday at 11 o'clock. It is Passion Sunday, or the 5th Sunday in Lent. There will be Holy Communion and preaching. A cordial invitation is extended to all.

Dr. and Mrs. C. W. Stephens are entertaining a sweet little baby daughter who arrived at their home on the 22nd of February. Congratulation to the happy parents.

Miss Mary McWilliams, of Forst City, Ark., after a three months' visit to our city the guest of Miss Tommie Spearman, returned home last Sunday.

For the Sake Of the Family.

Father Really ought to have his picture taken---he hasn't had a photograph since that funny looking one in the cut-away coat that he was married in. ('Twas a noon wedding, you know.)

Yes, mother says 'twas a good one of him *then*, but really, for the sake of the family, there should be one of him as he looks *Now*.
