The time set for the meetings of the officers and Board of Directors is the first Sunday in each month in the afternoon in the K. P. Hall at 2:30 o'clock.

Those who want bargains—real bargains in dry goods of all kinds—will miss an opportunity worthy of their attention if they fail to visit the store of Oscar J. Davis while his slaughtering sale is going on, and which will continue through the 24th of December. Every article is marked down to a big difference, and are being sold at prices that should receive your consideration.

Special attention given to Re modeling and Re-trimming Hats.

## No. Six-Sixty-Six

This is a prescription prepared especially for **MALARIA or CHILLS & FEVER.** Five or six doses will break any case, and if taken then as a tonic the Fever will not return. It acts on the liver better than Calomel and does not gripe or sicken. 25c

If we could only out out selfishness and the spirit of grumbling and finding fault, you just don't know what progress we would make in rounding up for better things. Selfishness is about the only thing that stands between us and success. It's next to the meanest quality in the world. Ingratitude is the meanest.
